POWER BUSINESS LINE

November 22, 2004

In reply refer to: PFR-6

To Rate Case Parties and Customers:

The Bonneville Power Administration's Power Business Line (PBL) will conduct a workshop on December 9, 2004, to present the final results for both the calculation of the next Load-Based Cost Recovery Adjustment Clause (Load-Based CRAC8), which covers April 1, 2005 to September 30, 2005, and the calculation of the true-up for Load-Based CRAC6, which covered April 1, 2004, through September 30, 2004.

If substantive issues are raised about the results presented at the December 9 workshop, PBL may conduct a follow-up workshop on December 15, 2004. The need for the follow-up workshop will be established at the end of the December 9 workshop.

The workshop will begin at 9 a.m. in the Rates Hearing Room (Room 223), which is located at 911 NE. 11th Avenue, Portland, Ore.. If you would like to participate by telephone, please call Cain Bloomer at (503) 230-7443 or Cynthia Jones at (503) 230-5459 to be connected to the conference bridge.

Materials will be posted the morning of the workshop on PBL's rates Web site at www.bpa.gov/power/rates.

Sincerely,

/s/

Byron G. Keep
Manager for Power Rates
