Bonneville Power Administration will conduct an LB CRAC workshop on December 12, 2002, to present final results for both the LB CRAC4 calculation for April 1, 2003, through September 30, 2003, and the LB CRAC2 True Up covering the period April 1, 2002, through September 30, 2002. A second workshop is scheduled for December 19, 2002, to be used in the event that substantive issues are raised about the results presented at the December 12th workshop.
