Cataloging Distribution Service • 2012-13 Product Price List

Shipping and handling charges for surface mail are included in the cost of orders under 10 pounds and of initial shipments of standing orders. Orders are shipped using a trackable service provider via UPS or FedEx. For expedited service, ask about special handling (air mail, courier, overnight delivery, etc.). These fees are paid for by the customer when the order is placed.

For print products weighing more than 10 pounds, the CDS web site page cited above has a sample shipping charges chart to help you estimate costs, (see <http://www.loc.gov/cds/downloads/ShippingFees.pdf>).
