

# ***EXTENSION OF PUBLIC COMMENT PERIOD***

## **BONNEVILLE POWER ADMINISTRATION**

### **New Large Single Load (NLSL) Re-examine Three NLSL Policy Issues**

Following the NLSL public meeting held in Portland on July 10, 2001, several participants asked Bonneville Power Administration to extend the comment period beyond July 27. **BPA will extend the period for an additional week, and now will accept comments on the three NLSL issues through close of business on Monday, August 6, 2001.**

The issues open for comment are outlined in a Federal Register Notice that was published on June 25, 2001. A copy of that notice as well as a copy of the NLSL policy document can be found on the website listed below:
