Regional Dialogue Workshop
June 8, 2005, 9:00 – 5:00 p.m.
Rates Hearing Room 911 NE 11th Portland OR
To participate by phone call (503) 230-4983

Purpose of Meeting: The deadline for proposals is June 13 and this workshop is an opportunity for BPA’s stakeholders to share their views on what should be included in BPA’s July policy proposal, as well as understand what others are looking for. BPA will organize a panel of various stakeholders including a BPA representative. The panel members will listen to and participate in discussions of the seven policy issues outlined in the Paul Norman May 11th letter. The panel will then ask probing/clarifying questions to help themselves and the audience better understand each proposal. Time will be allotted after the panel discussion for audience questions or comments.
