

**Bonneville Power Administration
Regional Dialogue Technical Group
Summary of September 23, 2005 Meeting**

The first Regional Dialogue Technical Group meeting was held on Sept. 23, 2005. At this meeting, BPA staff provided attendees with an opportunity to ask clarifying questions on the issues addressed in the Regional Dialogue Concept Paper. It was determined that additional clarification would be needed and this has been scheduled for Friday, Sept. 30, 2005.

BPA proposed, and participants agreed to, an order for addressing issues in the Concept Paper. A schedule was also set for upcoming meetings to address these issues.

The order of issue discussion is as follows:

1. Service to publics – 3 days
2. New Publics – 1 day
3. Public Exchange – 2 days
4. New long-term contracts – 1 day
5. Conservation and Renewables – 1 day
6. IOUs – 2 days
7. DSIs- 1 day
8. Cost Control – 2 days
9. Dispute Resolution – 1 day
10. Resource Adequacy – 1 day

Dates for future meetings are posted on the Regional Dialogue Web site.

Ground Rules for the Technical Group were discussed and BPA agreed to provide a draft for discussion prior to the next meeting.
