DATE: November 2, 1993

We will target having the briefing which you and I discussed on November 23 with a time hopefully nailed down later this week. There is a retreat of the working group on Saturday to go over options and numbers so this timing works well.

I intend at this time to invite in addition to Bane, Ellwood, Reed and Way the following:

Gergen
Stephanopoulos
Gueran
Baggett
Paster

and cc's: Mack, in case he wants to send a rep.

Maggie, in case she wants to send a rep.

Let me know of others you and David feel should be included.

I will then be working with Bruce and Kathi to look at a date after this internal meeting to call together the DPC or at least the appropriate members on it to discuss a draft document for presentation to the President.

Will keep you posted.

Thanks.
