

## The Deputy Secretary of Energy

Washington, DC 20585

January 24, 2012

MEMORANDUM FOR CAROL SOHN  
CHIEF OF NUCLEAR SAFETY  
OFFICE OF SCIENCE

KELLI MARKHAM  
DIRECTOR  
ENVIRONMENT, SAFETY AND HEALTH DIVISION  
OFFICE OF SCIENCE

FROM: DANIEL B. PONEMAN

A handwritten signature in black ink, appearing to read "Daniel B. Poneman", written over the printed name.

SUBJECT: Designation of Differing Professional Opinion Managers

In accordance with the authority and responsibilities defined in Department of Energy (DOE) Order (O) 442.2, *Differing Professional Opinions for Technical Issues Involving Environmental, Safety, and Health Technical Concerns*, you are designated as Differing Professional Opinion (DPO) Managers for DPOs submitted to DOE under the provisions of that Order for matters concerning the Office of Science as identified in the attached Table of Assignments. Your responsibilities will include the implementation of the DPO Manager functions as identified in DOE O 442.2.

This delegation shall be reviewed annually in January for continued relevance.
