TEACHER SHORTAGE AREA NATIONWIDE LIST

2012

The nationwide Teacher Shortage Area (TSA) lists for the 2012 - 2013 school years have been completed. A copy of this report showing the nation's teacher areas by State is posted on the U.S. Department of Education's Web site at the following location:

<http://www2.ed.gov/about/offices/list/ope/pol/tsa.doc>

The Federal designation of teacher shortage areas in each State enables the following provisions related to student financial aid programs:

- 34 CFR 682.210(q) enables a borrower who had no outstanding Federal Family Education Loan (FFEL) Program loan on July 1, 1987 but who had an outstanding FFEL Program loan on July 1, 1993 to qualify for deferment of loan repayment under the Federal Stafford Program anytime within the life of the borrower's loan(s);
- 34 CFR 674.53(c) enables Federal Perkins Loan borrowers who are full time teachers of mathematics, science, foreign languages, bilingual education **or any other field of expertise where the State educational agency determined there is a shortage of qualified teachers** to qualify for cancellation of up to 100% of their loan;
- 34 CFR 686.12(d) enables grant recipients to fulfill their teaching obligation under the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program; and
- 34 CFR 653.50(a)(2)(ii) enables scholars to qualify for the reduction of teaching obligation under the Paul Douglas Teacher Scholarship Program.

The U.S. Department of Education (Department) refers Federal Stafford/Supplemental Loans for Students (SLS) and Federal Perkins Loan borrowers who have general questions concerning their loan(s), including the teacher shortage area deferment, to the Federal Student Aid Information Center at 1-800-4FED-AID and refers Paul Douglas Teacher Scholars to the State agencies that awarded the respective scholarships.

The Department appreciates the efforts and patience of the Chief State School Officers (CSSOs) and State representatives who provided the required data for updating this document. We welcome comments or suggestions about this listing and would appreciate hearing from individuals. Please direct your comments or suggestions to:

General Notes

Numbers in parenthesis tend to refer to grade levels, unless age is specified. For example, “(4-12)” refers to Grades 4 through 12.

For purposes of this Report, the term “State” refers to the 50 States in the nation (including Alaska and Hawai’i), the District of Columbia (DC), Palau, and the five United States Territories (American Samoa, Guam, Commonwealth of the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands).

No TSA proposal submitted – This indicates the State chose not to submit a TSA proposal for consideration.

No TSAs approved – This indicates a TSA proposal was submitted, but adequate information was not provided.

State declared no TSAs exist – This indicates the State sent a letter indicating that no shortage areas exist for the school year indicated.

ABBREVIATIONS (Examples)

“ESL” – English as a Second Language

“ESOL” – English to Speakers of Other Languages

“HS” – High School

“K” – Kindergarten

“MS” – Middle School

“N” – Nursery

“Pre-K” (or “PK”) – Pre-Kindergarten

“ROTC” – Reserve Officers’ Training Corps

“TSA” – Teacher Shortage Area

Student Information – Loan Forgiveness and/or Deferment

Depending on the type of loan(s) student borrowers have, there are certain conditions they need to meet in order to qualify for forgiveness and/or deferment. Former/current recipients should contact the holder of the loan(s) to find out whether borrowers qualify for forgiveness and/or deferment.

Also, to apply for loan forgiveness or deferment, students will need to apply through the holders of loans. They have the necessary forms needed to apply.

FFEL or Stafford loan recipients should check the promissory note and contact the lender or guarantor holding the loan(s), or the State education agency in the State where they are teaching.

Direct Loan beneficiaries should contact the U.S. Department of Education's Direct Loan Servicing Center at 1-800-848-0979.

Federal Perkins Loan recipients should contact the school where they received the Perkins Loan.

The following Web site provides additional information regarding the cancellation and deferment provisions for the Title IV programs:

<http://studentaid.ed.gov/PORTALSWebApp/students/english/teachercancel.jsp?tab=repaying>

The following Web site has the annually published Low-Income School Listing:

<http://studentaid.ed.gov/PORTALSWebApp/students/english/cancelperk.jsp?tab=repaying>

Paul Douglas Teacher Scholarship Program

Students who a received scholarship under the Paul Douglas Teacher Scholarship Program (formerly the Congressional Teacher Scholarship Program) are generally required to teach for two years for every year of scholarship assistance received. However, if they are teaching in a Federally approved teacher shortage area, they are required to teach only one year **for each year of scholarship assistance received.**

No new funding for individual scholarships has been authorized since the beginning of the 1996 -1997 year. However, former scholarship recipients who have not fulfilled the scholarship agreement must continue to do so.

A Federally approved teacher shortage area is a State region with a shortage of elementary or secondary school teachers, or a grade level, subject-matter, or discipline classification in which there is a Statewide shortage of elementary or secondary school teachers. These areas must be identified by the State education agency and approved by the U.S. Department of Education. The current and prior **Federally designated teacher shortage areas are indicated in this publication.**

For Scholarship recipients who teach in a shortage area one year that is not designated as such the next year, they will still be eligible for the teaching reduction if they provide the applicable State office with the appropriate forms certifying that they are **continuing to teach in the area for which the original “teacher cancellation” was received.**

TEACH Grant Program

The Teacher Education Assistance for College and Higher Education (TEACH) Grant program provides grants of up to \$4,000 per year to students who agree to serve as a highly-qualified full-time teacher in a high-need field in a public or private elementary or secondary school that serves students from low-income families. A TEACH Grant recipient must teach for at least four academic years within eight years of completing the program of study for which the TEACH Grant was received.

If a TEACH Grant recipient fails to complete the service requirement, the total amount of TEACH Grant funds received will be converted to a William D. Ford Federal Direct Unsubsidized Loan.

Institutional participation in the TEACH Grant Program is optional, not required. If an institution opts to participate in the TEACH Grant Program, the institution has the authority to determine which of its programs meet the requirements to be TEACH Grant-eligible. **An institution may designate only certain programs as TEACH Grant-eligible and not designate others, even though other programs may prepare a student to teach in a high-need field.** In order to be eligible to receive a TEACH Grant, a student must be enrolled in a TEACH Grant-eligible program and be otherwise eligible.

Current high-need fields (in schools that serve low-income students) are:

- Bilingual Education and English Language Acquisition
- Foreign Language
- Mathematics
- Reading Specialist
- Science
- Special Education
- Other Identified Teacher Shortage Areas (**not geographic areas**) as of the time recipients receive the grant or as of the time they begin teaching in that field. **The “other identified teacher shortage areas” are listed in this publication, at the following Web site: www.ed.gov/about/offices/list/oep/pol/tsa.doc**

Additional information about the student eligibility requirements for the TEACH Grant Program may be found in a Fact Sheet at the following Web site:

http://studentaid.ed.gov/students/attachments/siteresources/4807Teach_FactSheet_v3.pdf

A list of higher education institutions currently participating in the TEACH Grant Program may be found at the following Web site:

<http://studentaid.ed.gov/PORTALSWebApp/students/english/TEACH.jsp>

The following Web site has the annually published Low-Income School Listing:
