

# The Great Central U.S. ShakeOut

Multi-State Earthquake Drill

## Animal Shelters/Services Get Ready to ShakeOut!

**At 10:15 a.m. on February 7, 2013**, millions will “Drop, Cover, and Hold On” in The Great Central U.S. ShakeOut, the largest earthquake drill ever! All animal shelter and service providers such as humane societies, veterinarians, kennels, and animal sanctuaries are encouraged to participate in the drill and to inform the public about the drill.

More than 1 million people in communities throughout the states of Alabama, Arkansas, Illinois, Indiana, Kentucky, Mississippi, Missouri, and Tennessee will participate in this event. People and organizations in other states are also encouraged to participate.

Major earthquakes may happen anywhere you work, live, or travel in the Central U.S. The ShakeOut is our chance to practice how to protect ourselves, and for everyone to become prepared. The goal is to prevent disasters from becoming catastrophes.

Why is a “Drop, Cover, and Hold On” important? As with anything, to act quickly you must practice often. You may only have seconds to protect yourself in an earthquake before strong shaking knocks you down, or something falls on you.

**Everyone can participate!** Individuals, families, businesses, schools, colleges, government agencies and organizations are all invited to register.
