III. APPLICATION

The Code of Student Conduct (“the Code”) was adopted as a university policy by the president of the university in accordance with authority delegated by the Board of Regents of the University of North Texas System. The Code is implemented and enforced under the direction of the Vice President for Student Affairs through the Dean of Students (“DOS”). The Dean of Students will develop procedures and guidelines to further assist in the administration of the conduct process that are entirely consistent with the provisions of the Code.

The Code establishes a standard of conduct for all university students. References to “students” throughout the Code should be interpreted to include “university student groups” unless otherwise specified.

The Code applies to conduct that occurs on university premises, at university activities and also to conduct that may occur off campus that could adversely affect the university community and/or pursuit of the university’s educational mission or that could create a hostile environment for a student on campus. DOS will decide whether the Code will apply to student off-campus conduct on a case-by- case basis.

Each student is responsible for his or her conduct from the time of application for admission to the university through the award of a degree, or such other time as there is a formal termination of the student relationship with the university. Each student is responsible for conduct occurring before classes begin and after classes end, as well as during the academic year and during periods between terms of enrollment. The Code continues to apply to student conduct even if a student withdraws from the university during the conduct process. In addition, applicants and students who wish to enroll are also responsible for their conduct prior to admission or re-enrollment.

IV. ACADEMIC INTEGRITY

Matters of academic integrity are reviewed and enforced under the exclusive direction of the Provost and Vice President for Academic Affairs. Students engaged in acts which may constitute both academic dishonesty, as well as, misconduct as defined by the Code may be subject to sanction under both authorities.

V. VIOLATIONS OF LAW AND THE CODE OF STUDENT CONDUCT

Students may be accountable to criminal or civil authorities for conduct which may also establish a violation of the Code. The university conduct process will normally proceed during the pendency of any related criminal or civil proceedings and will not be subject to reconsideration even if related criminal charges may be dismissed or otherwise resolved.

VI. ADMISSIONS AND ENROLLMENT

A. Conduct review of applicants

1. Applicants to the university and former students seeking re-enrollment, may be referred to DOS to consider alleged misconduct that could violate the Code and therefore impact admission or re-enrollment, including

falsification of admissions documents. In such cases, DOS will review the student's alleged misconduct to consider the individual's potential to benefit from university attendance as well as the welfare and safety of the university community.

2. DOS may determine not to clear an applicant for admission or a former student for re-enrollment, or place the appropriate sanction upon an applicant or former student when evidence indicates that the applicant or former student has:
 - a. Engaged in acts that were disruptive to the normal operations of an educational institution.
 - b. Falsified the enrollment application or other admissions forms.
 - c. Engaged in conduct that violates one or more categories of misconduct as prohibited by the Code.
 - d. Been formally charged with commission of a criminal act.
 - e. Been convicted of a criminal act and still subject to criminal penalty, including but not limited to imprisonment, parole and/or probation.
3. A student may request a meeting with DOS to discuss the DOS decision regarding admission or conditional admission.
4. The decision of the Dean of Students Representative relating to admission or re-enrollment based on the conduct process is final.

VII. STUDENT GROUP RESPONSIBILITY

University student groups ("Student Groups") are expected to conduct themselves in a manner consistent with the University's function as an educational institution. Student groups must observe all international, federal, state and local laws and university policies, including the Code, both on and off campus. A student group will be responsible for the actions and conduct of its members, when one or more of its members, acting in the capacity of their membership, commit a violation of the Code. Student groups found in violation of the Code will be subject to conduct procedures and sanctions in the same manner as individual students, except that student groups cannot be permanently removed from the university.

Any Notice of Complaint regarding alleged misconduct involving a student group will be delivered to the student group's local address that is on file with the university. A Notice of Complaint will be sent to the attention of the president or other leader of the student group with a copy to the on campus advisor and/or other advisors as appropriate. Student groups are responsible for responding to all Notices of Complaint and failure to respond may result in resolution of the matter in the absence of any representative of the student group.

A complaint filed against a student group does not preclude the possibility of complaints being filed individually against any or all individual students involved in alleged misconduct.

VIII. RECORDS

Documents that are created and maintained as part of the conduct process are subject to the protections of the Family Education Rights and Privacy Act, 20 U.S.C. § 1232g. Conduct records are maintained by DOS in accordance with the university records retention policy.

A student may request that their permanent conduct record be destroyed by submitting a written request to DOS including the specific basis for the request. The Dean of Students Representative will evaluate request on a case-by-case basis and will typically provide written notice of the decision within ten (10) days of the request. The decision of the Dean of Students Representative is final.

DOS will investigate all suspected and reported violations of the Code whether referred by student, faculty, staff, law enforcement, or any other credible third-party source of information, without regard to any related criminal arrest, prosecution or pending criminal or civil litigation. Complaints regarding alleged misconduct should be submitted to DOS as soon as possible after the alleged misconduct occurs.
- b. In matters of sexual misconduct:
 - i.) Prior to initiating an investigation, DOS will review issues related to confidentiality with the Complainant. If the Complainant requests confidentiality or requests that the complaint not be pursued, DOS will take all reasonable steps to investigate the complaint and respond consistent with the Complainant’s request as long as doing so does not prevent the university from responding effectively to sexual misconduct. DOS will inform the Complainant that confidentiality in the conduct process cannot be assured.
 - ii.) If a Complainant insists that they remain anonymous in the investigation, DOS will inform the Complainant that such a request will limit the university’s ability to respond to the complaint. DOS will evaluate Complainant’s request for confidentiality in the context of the university’s responsibility to provide a safe and nondiscriminatory environment for all students.
 - iii.) DOS will inform Complainants and Respondent that retaliation will not be permitted and that steps, such as a No Contact Order may be taken to prevent retaliation and that strong action will be taken if retaliation occurs.
 - iv.) DOS will complete an investigation of allegations within sixty (60) calendar days of receiving notice except in exceptional circumstances as determined based on the availability of witnesses, the number of witnesses or the volume of documents to be collected and/or reviewed. DOS will regularly update the Complainant and if appropriate the Responsible Student on the status of the investigation.
 - v.) DOS will notify the Complainant about their right to file a criminal complaint with appropriate law enforcement officials; however a criminal complaint will not preclude DOS from proceeding with its investigation. Students who have not already contacted the Title IX Coordinator will also be informed of the right to file a complaint with the Title IX Coordinator.
 - vi.) DOS will notify the Title IX Coordinator upon receipt of a complaint of sexual misconduct subject to the requests for confidentiality communicated by the complainant. DOS will coordinate with the Title IX Coordinator throughout the investigation as set forth in UNT Policy and will similarly coordinate with campus law enforcement as appropriate.

2. **Notice of Complaint** – If DOS finds a likelihood that a student has violated the Code, DOS will deliver a Notice of Complaint to the student that includes:
 - a. A summary of the alleged misconduct.
 - b. The specific section of the Code that may have been violated and that, as a result, sanctions are possibility.
 - c. A date by which a student must schedule a conference with a Dean of Students Representative to discuss the alleged misconduct and to respond to the alleged violation of the Code.
 - d. DOS will either hand-deliver, email or mail of the Notice of Complaint to the current address on file with the university. Students are responsible for maintaining a current, accurate address with the university registrar.
3. **Conference with DOS Dean of Students Representative** –
 - a. A DOS Dean of Students Representative will hold an informal conference with the student to review the alleged misconduct and to provide an opportunity for the student to respond directly to the alleged violation and to offer a response. The conference is an educational forum designed to enable the Dean of Students Representative to determine whether there has been a violation of the Code, and if so, what sanctions are appropriate. The student may present relevant information regarding the alleged misconduct including witness information, documents, or any other information that would assist the Dean of Students Representative in reviewing the alleged misconduct. A student may be accompanied by an advisor, but the student must represent herself or himself at the conference. If a student intends to be accompanied by an attorney, the student must notify the Dean of Students Representative at least two (2) days prior to the conference so that the university can have a representative from the Office of General Counsel present at the conference.
 - b. In matters of alleged sexual misconduct, the informal conference with the student must be scheduled can be no fewer than ten (10) and no more than twenty (20) days from the date of the Notice of Complaint. Dates may be extended at the discretion of DOS in the interest of fairness. The DOS Dean of Students Representative will also hold an informal conference with the Complainant within the same timeframe for the Complainant to review the alleged misconduct and to present relevant information including witness information, documents or other information that would assist the Dean of Students Representative in reviewing the alleged misconduct. The Complainant may be accompanied by an advisor, but the Complainant must represent herself or himself during the conference. If a Complainant intends to be accompanied by an attorney, the Complainant must notify the Dean of Students Representative at least two (2) days prior to the conference so that the university can have a representative from the Office of General Counsel present for the conference.
 - c. In the informal conference phase and all subsequent phases of the conduct process, the past sexual history of the Complainant and the allegedly Responsible Student will not be considered in a matter of sexual misconduct except as the history may directly relate to the incident in the complaint. Additionally, the alcohol or drug use of the allegedly Responsible Student at the time of the incident will not be considered a mitigating circumstance.
4. **Notice of Conduct Findings** –
 - a. If a Dean of Students Representative determines through a thorough investigation that the greater weight of the evidence indicates that a student engaged in misconduct in violation of the Code, the Dean of Students Representative will deliver a Notice of Conduct Findings to the student no later than two (2) days after the conference informing the student of the violation(s) and the assigned sanction(s). The Dean of Students Representative will also notify the student about any process for review, if applicable. If the Dean of Students Representative determines that a student has not violated the Code, the Dean of Students Representative will notify the student of this finding and no further action will be taken.
 - b. In matters of alleged sexual misconduct, the Notice of Conduct Findings will be delivered concurrently to the Complainant and Responsible Student. All notices will be compliant with the requirements of the *Family Education Rights and Privacy Act*.
5. **Request for Reconsideration** – If new information regarding misconduct or the reasonableness of an assigned sanction is made available within three (3) days after the Dean of Students Representative issues a Notice of Conduct Findings, a student, or in cases of sexual misconduct the Complainant, may request reconsideration by the Dean of Students Representative. The time frame may be extended by the Dean of Students Representative in the interest of fairness. All levels of sanctions can be reconsidered, but only if new information is available.

6. **Effective Date of Conduct Sanction** – Unless a student has been immediately suspended, the sanction imposed by a Dean of Students Representative will not take effect until the conduct process is complete.

B. Committee on Student Conduct

1. **Authority of the Committee** – The Committee on Student Conduct will be assembled at the request of a student, or in the case of sexual misconduct, by the Complainant, to review a Dean of Students Representative's findings of misconduct and/or assigned sanctions at the levels of:
 - a. Level III Conduct Probation
 - b. Suspension
 - c. Expulsion
2. **Composition of the Committee** – A Chairperson will be appointed to preside over the Committee which will include three other members including one (1) representative from the faculty, the student body and the staff from UNT or the UNT System with offices on the Denton campus. The Chairperson will direct the procedures of the Committee and will participate fully in all reviews, but will offer a vote only in the event of a tie. The student, or in the case of sexual misconduct the Complainant, may object to the presence of any Committee member prior to the start of the review based on a concern for the Committee member's capacity to make a fair and objective decision. Requests to remove a Committee member will be considered and decided by the Committee Chairperson. If an objection is raised regarding the presence of the Chairperson, the objection will be reviewed by the Vice President for Student Affairs.
3. **Request for Review** –
 - a. A student who has been assigned Level III Conduct Probation, Suspension or Expulsion ("Responsible student") may request review before the Committee on Student Conduct by submitting a Request for Review to the Chairperson of the Committee within three (3) days after the Notice of Conduct Findings.
 - b. In a matter of sexual misconduct, a Complainant may request review before the Committee on Student Conduct if the Responsible Student was assigned a sanction of Level III Conduct Probation, Suspension or Expulsion. The Complainant must submit a Request for Review to the Chairperson of the Committee within (3) days after the Notice of Conduct Findings.
4. **Schedule Notice** – Upon receiving a Request for Review, the Chairperson of the Committee will schedule a date for the requested review and notify the student. In matters of sexual misconduct, notice will be provided to both the Responsible student and the Complainant. The date for the review will typically not be more than ten (10) days after the request was submitted. Time frames may be adjusted at the discretion of the Committee chairperson in the interest of fairness. The notice will also include Guidelines for the Review Process as prepared by DOS and information about peer advocates.
5. **Procedures for Review Before Committee** –
 - a. **Advance summary of positions** – No fewer than five (5) days prior to the scheduled Committee Review, both the student requesting the review and the Dean of Students Representative, and the Complainant or Responsible Student in a matter of sexual misconduct, must submit the following information to the Committee Chairperson.
 - i. A written summary of their position.
 - ii. A list of individuals who will speak to the behavior in question on their behalf as witnesses.
 - iii. A list of all documents that will be presented to the Committee.
 - b. The Committee Chairperson will exchange the information between the parties no fewer than three (3) days prior to the scheduled review. Information will not be provided to Committee members in advance of the review.
 - c. **Authority of the Chairperson** – The Chairperson will preside over the Committee review and make all decisions regarding review procedures. The Chairperson may adjust review procedures and time frames in the interest of fairness.
6. **Committee Review Process** –
 - a. Reviews are informal proceedings and traditional rules of courtroom evidence do not apply. Each party will have forty-five (45) minutes to present their issues to the Committee, including personal statements and any witness presentations. Documents and written witness statements may be submitted to the Committee

to supplement an oral presentation. The parties may ask questions of any individual making a presentation during the review; however in the case of a matter involving sexual misconduct all questions must be directed through the Chairperson.

- b. In matters of sexual misconduct, the Complainant has the option to make a presentation by alternate means at the discretion of the Chair. Alternate means may include appearance by telephone or closed circuit technology or presentation from behind a screen to avoid contact with the Responsible Student.
 - c. Reviews are not open to the public unless a party makes a specific request for an open review at the time of the initial Request for Review. Individual witnesses may specifically request that their presentation be provided in a closed setting. The Chairperson will make all decisions regarding closed hearings.
 - d. Students, and in matters of sexual misconduct a Responsible Student or Complainant, requesting a review are expected to attend in person. Except in emergency circumstances, if a requesting party fails to attend the hearing, the review may be dismissed and the decision of the Dean of Students Representative will be final. The Dean of Students Representative is also expected to attend in person.
 - e. A party requesting a review must present to the Committee on their own behalf. A party requesting a review may be assisted by one advisor, including an attorney, of their choosing, but only the parties may speak to the Committee or ask questions. Attorneys will not be permitted to present evidence or argument before the Committee. Should a party be accompanied by an attorney, the university will also have representative of the Office of General Counsel present.
 - f. The Dean of Students Representative must show, by the greater weight of the evidence, that the student engaged in conduct in violation of the Code, and/or that the conduct sanction imposed by the Dean of Students Representative was reasonable based on the circumstance. In light of this burden, the Dean of Students Representative must begin the presentation before the Committee and be the concluding presentation as well.
 - g. Reviews will be recorded and recordings will be the property of the university. Copies of recordings may be provided at the requestor's expense. Recordings will be maintained according to the university records retention policy.
 - h. If the student requesting the review does not show up for the scheduled review, the decision of the Dean of Students Representative will be upheld.
7. **Committee Findings and Conclusions** – No more than two (2) days after the review, the Chairperson will provide the student, and in matters of sexual misconduct the Responsible student and the Complainant with a summary of the Committee's findings and conclusions. Notice related to matters of sexual misconduct will be prepared in compliance with the requirements of the *Family Education Rights and Privacy Act*. The Committee may uphold, modify or reject the decision of the Dean of Students Representative. A copy of the summary will be provided to DOS. DOS will take action as appropriate based on the findings of the Committee. The findings and conclusions of the Committee are final, subject to review by the Vice President for Student Affairs.
- C. **Review by Vice President for Student Affairs** – Within three (3) days of the committee on Student Conduct's decision, either the student or the Dean of Students Representative, or in matters of sexual misconduct the Responsible Student, the Complainant or the Dean of Students Representative may request, in writing, a review by the Vice President for Student Affairs, if it is a sanction that is able to be reviewed. The reason(s) for the review should be outlined in the request. The Vice President for Student Affairs may request additional information from any person as needed to make a decision. The Vice President for Student Affairs may uphold, modify or reject the decision of the Committee on Student Conduct and this decision is final. In matters of sexual misconduct, the final decision will be prepared in accordance with the *Family Education Rights and Privacy Act* and delivered to both the Complainant and the Responsible Student.
- D. **Immediate Suspension** – A student may be immediately suspended from all or part of the university premises, when alleged misconduct reasonably indicates that the presence of the student on the university premises posed substantial or immediate danger to the health, safety or welfare of any member of the university community or university property.
1. **Conference regarding immediate suspension** – A student who is immediately suspended must contact with Dean of Students Representative within two (2) days of receiving a Notice of Immediate Suspension to schedule a conference to discuss: (1) the reliability of evidence supporting the alleged misconduct; and (2) whether the continued presence of the student on university premises reasonably indicates a substantial or immediate danger to the health, safety or welfare of any member of the university community or university property. Failure to make

a timely request for a conference or to appear at a requested conference will cause the immediate suspension to remain in effect until the conduct process is complete.

2. Findings and Conclusions regarding immediate suspension – If the Dean of Students Representative determines that immediate suspension is appropriate under the circumstances, the Dean of Students Representative will issue findings and conclusions and the student will be immediately suspended from the university premises, including all events and activities. Immediately suspended student groups will be immediately precluding from engaging in any activities, programs, or events, including, but not limited to recruitment, philanthropy or community service. The immediate suspension remains in effect until the conduct process is complete or until otherwise altered by the Dean of Students Representative. If the Dean of Students Representative determines that immediate suspension is no longer appropriate, the Dean of Students Representative may permit the student to return to university premises while the conduct process continues. An immediate suspension cannot be reviewed by the Committee.
3. In matters of sexual misconduct, a Complainant may be provided notice regarding the findings and conclusions regarding immediate suspension in accordance with the *Family Education Rights and Privacy Act*.

E. Timeframes

1. The timeframes set forth in this policy are goals and the university's inability to meet a timeframe will not render the procedures invalid so long no student rights are violated.
2. Timeframes may be extended by mutual written agreement of decision makers and the student, Responsible Student and/or the Complainant or by approval of the Vice-President for Student Affairs.
3. The timeframe for investigation of a matter of sexual misconduct may be extended by the Vice-President for Student Affairs based on the anticipated complexity of the investigation and the severity and extent of the alleged conduct. An extension of the stated timeframe for investigation will be communicated upon approval to the Complainant and to the allegedly Responsible Student.
4. In matters of sexual misconduct, DOS will deliver investigation status updates to a Complainant and a Responsible Student no less than weekly during an investigation.

XII. INTERPRETATION AND REVISION

- A. **Interpretation** – Questions of interpretation or application of the Code will be referred to the Vice President of Student Affairs, or a designee, for final determination following consultation with the Office of General Counsel.
- B. **Revision** – The code will be reviewed every three (3) years under the direction of the Vice President of Student Affairs.

Peer Advocates

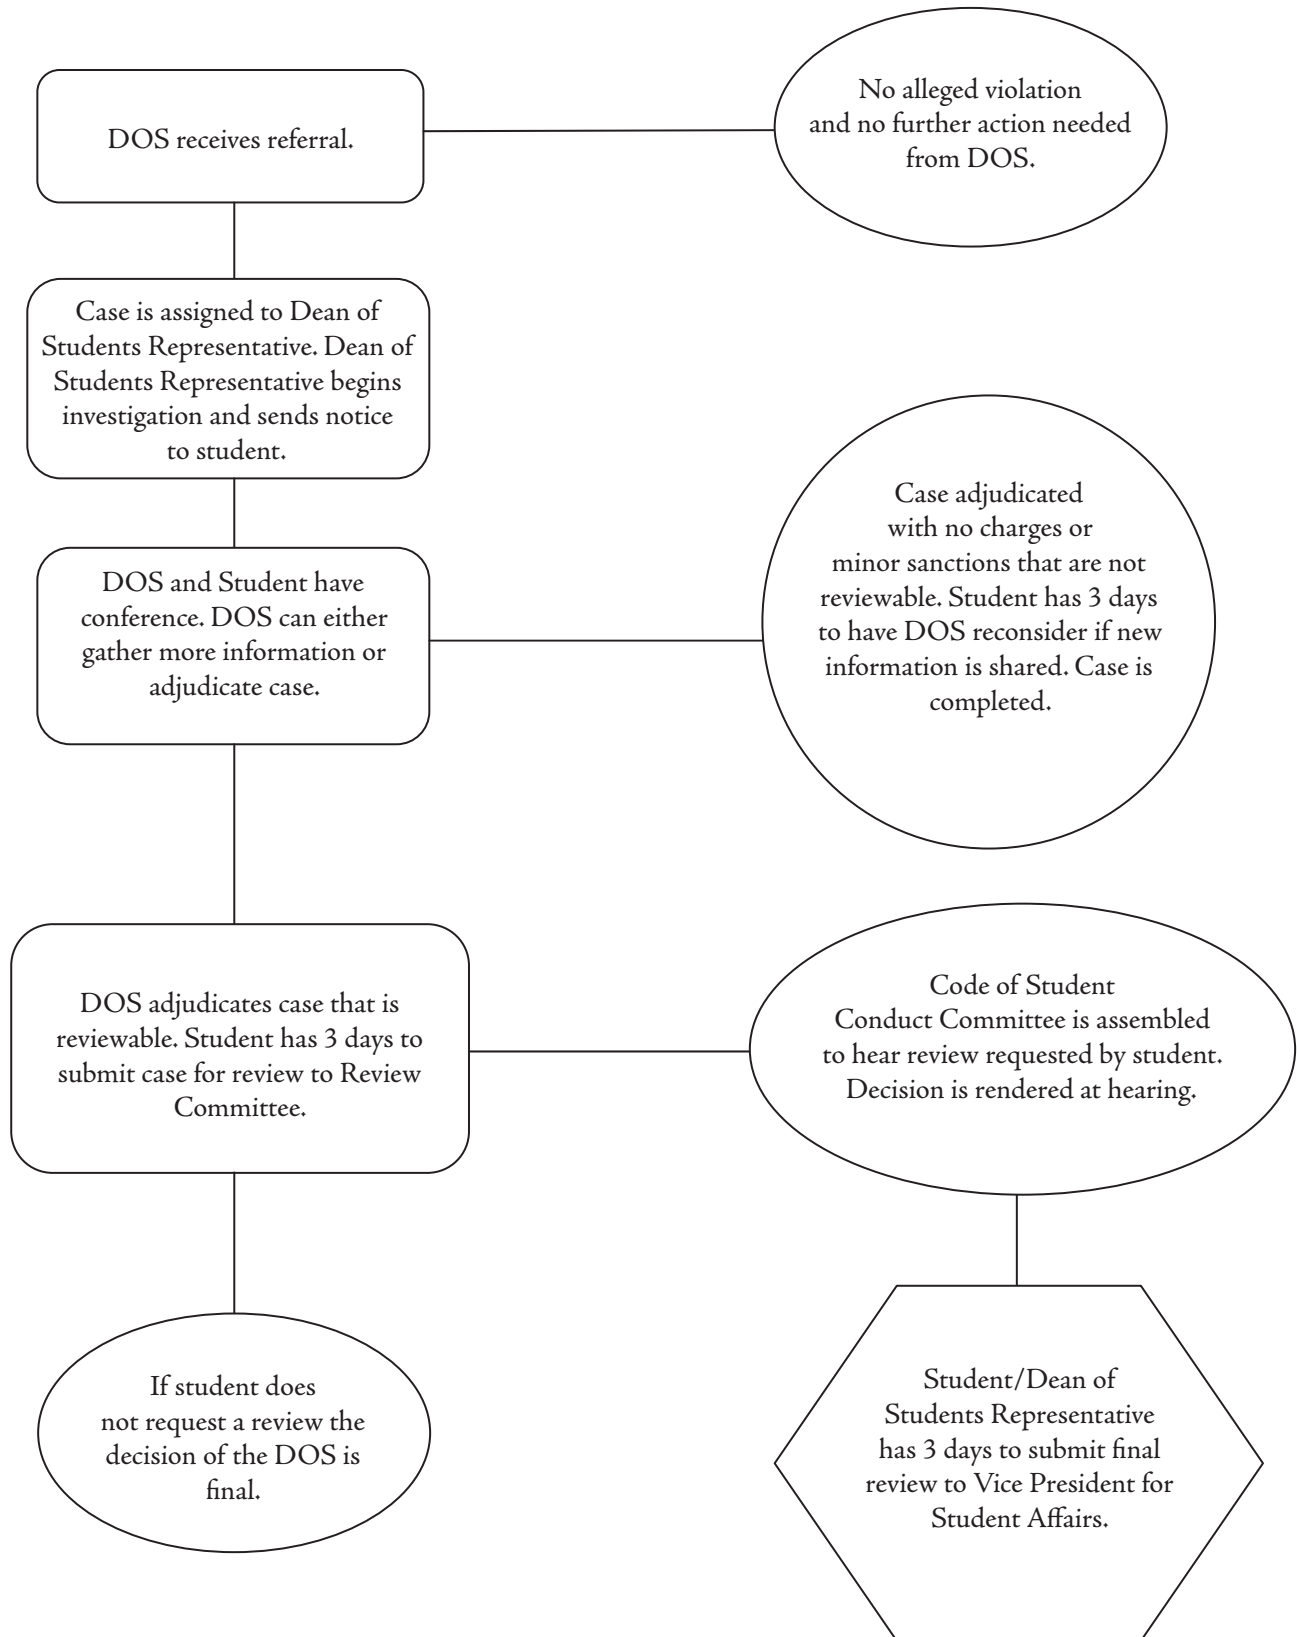

Students involved in the conduct process will have the option to meet with a peer advocate to discuss their particular case. Peer Advocates are trained to maintain an expert understanding of the conduct process, the rights and responsibilities of students, and the Code of Student Conduct. They will be available to answer questions regarding the conduct process, a student's specific conduct case, or other questions regarding the Dean of Students. Peer Advocates will also walk students through the entire conduct process serving as a support system and advisor for students and will also be able to assist students to best prepare for their conduct conference. Students may contact Peer Advocates by e-mail at peer.advocate@unt.edu, or by phone at (940) 369-7346.

The Peer Advocates are also available to present programs and workshops for organization and student groups. The programs can be customized for your student group based on organizational characteristics and needs.

Peer advocates currently offer programs for:

- + Conflict Management
- + Conflict Resolution
- + Ethical Decision Making
- + Leading With Ethics

Ethical Decision Making

Ethics - The study of a right and wrong, usually including the determining and encouraging of what is right.

Value - A tightly held belief upon which a person acts by choice; an enduring belief that one way of behaving is personally or socially preferable to an opposing way of thinking

Ethical Behavior – Acting responsibly in difficult and/or complex situations; with quality character and judgment.

Ethical Dilemma – A situation in which there is a conflict in the minds of people between values, or a conflict between what is right and what is wrong. You have to make a choice.

From: Effective Institute, Redmond, WA

When faced with an ethical dilemma or a tough decision, consult the following checklist:

Is it legal?

Will I be violating any laws or University policies?

Is it balanced?

Is it fair to all concerned?

Does it promote win/win situations?

How will it make me feel about myself?

Will it make me proud?

Would I feel good if my family knew?

Would I feel good if my hometown newspaper published my decision?

The Power of Ethical Management

5 Principals of Ethical Power

Purpose. I see myself as being an ethically sound person. I let my conscience be my guide. No matter what happens, I am always able to face the mirror, look myself straight in the eye, and feel good about myself.

Pride. I feel good about myself. I don't need the acceptance of other people to feel important. A balanced self-esteem keeps my ego and my desire to be accepted from influencing my decisions.

Patience. I believe that things will eventually work out well. I don't need everything to happen right now. I am at peace with what comes my way.

Persistence. I stick to my purpose, especially when it seems inconvenient to do so! My behavior is consistent with my intention.

Perspective. I take time to enter each day quietly in a mood of reflection. This helps me to get myself focused and allows me to listen to my inner self and see things more clearly.

Hazing Education

The following is an abbreviated summary, in question and answer form, of the contents of the Texas Education Code, section 51.936 & 37.151-157 regarding hazing, and the applicability and implications for students, faculty and staff at the University of North Texas.

TO REPORT HAZING WITH UNT GROUPS, PLEASE CALL (940) 369-STOP(7867).

This is only a summary.

The definitions of hazing:

"Hazing" means any intentional knowing, or reckless act, occurring on or off the campus of the University of North Texas, by one person alone or acting with others, directed against a student that endangers the mental or physical health or safety of a student for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in any organization whose members are students at the University of North Texas.

The term includes but is not limited to:

1. Any type of physical brutality, such as whipping, beating, striking, branding, electronic shocking, placing of a harmful substance on the body, or similar activity;
2. Any type of physical activity, such as sleep deprivation, exposure to the elements, confinement in a small space, calisthenics, or other activity that subjects the student to an unreasonable risk or harm or that adversely affects the mental or physical health or safety of the student;
3. Any activity involving consumption of a food, liquid, alcoholic beverage, liquor, drug, or other substance which subjects the student to an unreasonable risk of harm or which adversely affects the mental or physical health or safety of the student;
4. Any activity that intimidates or threatens the student with ostracism that subjects the student to extreme mental stress, shame, or humiliation, or that adversely affects the student from entering or remaining registered in an educational institution, or that may reasonably be expected to cause a student to leave the organization or the institution rather than submit to acts described in this subsection;
5. Any activity that induces, causes, or requires the student to perform a duty or task which involves of the Penal Code. Sec. 4.52.

A person commits an offense if the person:

1. Engages in hazing;
2. Solicits, encourages, directs, aids, or attempts to aid another in engaging in hazing;
3. Intentionally, knowingly, or recklessly permits hazing to occur; or
4. Has firsthand knowledge of the planning of a specific hazing incident involving a student of the University of North Texas, or firsthand knowledge that a specific hazing incident has occurred, and knowingly fails to report said knowledge in writing to the appropriate university official.

Does it matter if I did not intend to hurt anyone?

Regardless of the intent, the university policies state that if one of the above occurs, it is hazing.

Does it matter if the person being hazed agrees to the activity?

Consent is not a defense. The law and university policy states that if one of the above occurs, it is hazing, regardless of the consent or cooperation of the recipient.

What is the penalty if I'm found guilty of hazing?

1. Failing to report hazing: fine up to \$1,000 and/or up to 180 days in jail.
2. Hazing not resulting in serious bodily injury: fine of \$500-\$1000 and/or 90-180 days in jail.
3. Hazing resulting in serious bodily injury: fine \$1,000-\$5,000 and/or 180 days-one year in jail.
4. Hazing resulting in death: fine of \$5,000-\$10,000 and/or 1-2 years in jail.
5. Except where the hazing results in death, the student may be required to perform community service in lieu of confinement to jail.
6. The student may also be subject to university conduct action, up to and including removal from the University, in addition or regardless of any penalty imposed by the state.

Can an organization be found guilty of hazing?

Yes. An organization commits an offense if the organization condones or encourages hazing or if an officer or any combination of members, pledges, or alumni of the organization commits or assists in the commission of hazing. Organizations which are covered under this law include a fraternity, sorority, association, corporation, order, society, chorus, cooperative, club, or service, social or similar group whose members are primarily students at an educational institution.

Can I get into trouble for reporting hazing?

No. Any person who reports a specific hazing incident involving a student to an appropriate university official is protected from civil or criminal liability. However, a person who reports in bad faith or with malice is not protected by this section.

The Interfraternity and Panhellenic Councils have a comprehensive hazing policy which is outlined in their Constitution and By-Laws.

The university hazing policy can be found in the UNT Student Handbook, UNT Policy Manual (Section 18.1.12) and the Student Organization Handbook.

Frequently Asked Questions

What will happen when I am referred to the DOS?

You will receive a notice of complaint instructing you to make an appointment with a representative from the DOS. It is important that you follow-up with this request, make the appointment and keep it. Ignoring the situation will not make it go away. In fact, ignoring the request is a violation of the Code of Student Conduct and could result in a misconduct penalty or sanction (including block on registration and/or suspension).

What will take place during the Conduct Conference?

You will be told the reason for the referral and have the opportunity to respond to the allegations. You will be given ample time to share your side of the story. The Dean of Students Representative will then determine if any section of the Code of Student Conduct has been violated and assign appropriate behavioral sanctions if applicable.

Is it my word against the individual who referred me (instructor, R.A., UNT Police)?

In addition to information from witnesses, the referring party may submit other evidence. The referring party does not attend this initial conference. Instead, it is a one-on-one conference between the student and the Dean of Students Representative.

I could lie and deny my involvement in the incident, couldn't I?

This is a bad idea. People almost always get caught in their lies. One lie leads to another and another. Eventually, everything comes crashing down, and what was a single violation at the start is compounded by additional dishonest acts.

Will this violation go on my record?

A conduct file will be kept in the Vice President for Student Affairs Office; but a single violation should not ruin one's life. The university policies that impact a student behavior are educational in nature. They are published for student use and are designed to help students understand and accept responsibility for their own actions. Usually, no permanent records are retained, except in the cases of Level III Conduct Probation, Suspension or Expulsion. No documentation is attached to the student's academic transcript regarding conduct action. Furthermore, conduct records are confidential and generally cannot be released to others without the student's consent or the educational need to know of another University Department.

But I was not aware of the rules; I did not mean to do anything wrong!

Ignorance is not an excuse. Students are responsible for knowing the rules and what is expected of them both on and off campus, in the classrooms and in the residence halls, and as a member of the university community. Remember DOS believes in educating students on how to change their behavior in the future.

What if I don't agree with the decision the Dean of Students Representative makes?

Should the student believe he/she has been treated unfairly, or doesn't agree with sanctions, he/she may seek a review of the case with a conference before the Committee on Student Conduct if applicable. The student must submit a letter of appeal to the chairperson of the committee within three days of the decision made by the Dean of Students Representative. If applicable, the appeals procedures will be explained at the conclusion of the Conduct Conference.

If the violation occurred off campus can the University take action?

Yes. Each student must observe all international, federal, state and applicable local laws both on and off campus. Any student who violates any provision of those laws is subject to conduct action, including expulsion, notwithstanding action taken by civil authorities on account of the violation.

Why is my professor referring me to DOS when it is not an act of Academic Dishonesty?

Professors can refer a student to DOS if it is behavior related. Issues of Academic Dishonesty are enforced under the direction of the Provost and the Vice President for Academic Affairs.

If the violation involves an alleged crime, can I be prosecuted criminally?

Yes. Students retain the responsibilities of citizenship upon enrollment to the university and may be prosecuted criminally for any illegal activity.

But I did not do anything wrong!

Then relax. You may still receive a notice of complaint from the DOS; but keep in mind that a notice does not constitute a violation. The DOS may need some information from you if you possibly saw or know something about a particular alleged violation. You do need to be compliant and follow up with the notice. Again, ignoring the request is a violation of the Code of Student Conduct and could result in a misconduct penalty or sanction.
