# Introduction to the Student Center

The EIS Student Center is a "one-stop-shop" for many student view and update functions. The student center allows the student to view grades, gpa's, schedules, programs and plans, student finances, transfer information, basic demographic data, the schedule of classes, and allows the student to register for classes.

Log on to my.unt.edu.

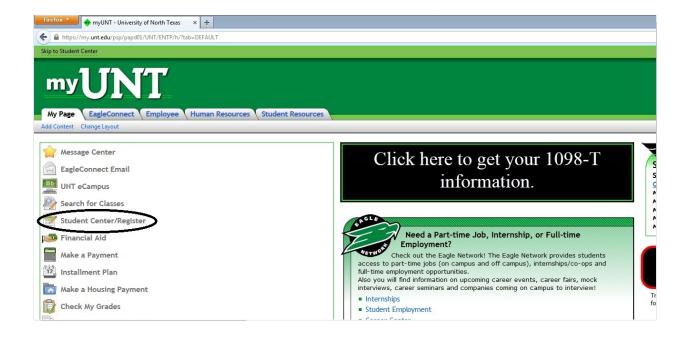

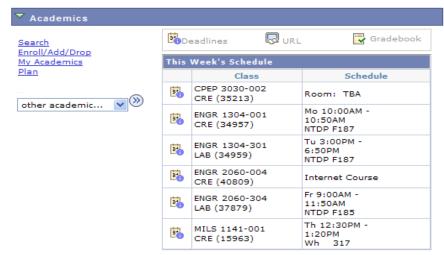

Click on the Student Center/Register link

STUDENT CENTER PAGE: The student center page displays a students schedule, allows the student to search and register for classes, displays links to grades, inquire about account summaries, view holds and review and update demographic information.

The page also has invaluable links to a student's excess hours, TSI and repeated courses.

I understand that the University will place for collection any delinquent balance and that I will be responsible for all costs of collection and enforcement, including reasonable attorneys fees and court costs, in addition to other amounts due.

I understand that withdrawal refunds are determined by the number of enrolled semester credit hours at the time of withdrawal. Withdrawal percentages are applied to the total amount of tuition and fees due for the semester as prescribed by state law, *not* the amount paid.

I acknowledge that by accepting this agreement, the University of North Texas, has the right to enroll me in the Installment Payment Option should I make the minimum required payment but fail to complete the online enrollment process by logging in to my.unt.edu and clicking on Student Center.

A STUDENT WHO FAILS TO MAKE FULL PAYMENT OF TUITION AND FEES, INCLUDING ANY INCIDENTAL FEES, BY THE DUE DATE MAY BE PROHIBITED FROM REGISTERING FOR CLASSES UNTIL FULL PAYMENT IS MADE. A STUDENT WHO FAILS TO MAKE FULL PAYMENT PRIOR TO THE END OF THE SEMESTER OR TERM MAY BE DENIED CREDIT FOR THE WORK DONE THAT SEMESTER OR TERM.

Please press the "Confirm" button to continue.

I confirm that I have read and agree to the above information.

Swapping and Waitlisting:

Swapping onto a Wait List is a feature for students who are already enrolled in a course, but would like to "wait" to see if they can get into a different one (maybe the same course, but a different section).   When using the swap, the process will automatically drop the "enrolled course" and enroll you in the "waitlisted" course you have selected, if a seat becomes available, and your position on the waitlist qualifies you to be able to be enrolled in the class.
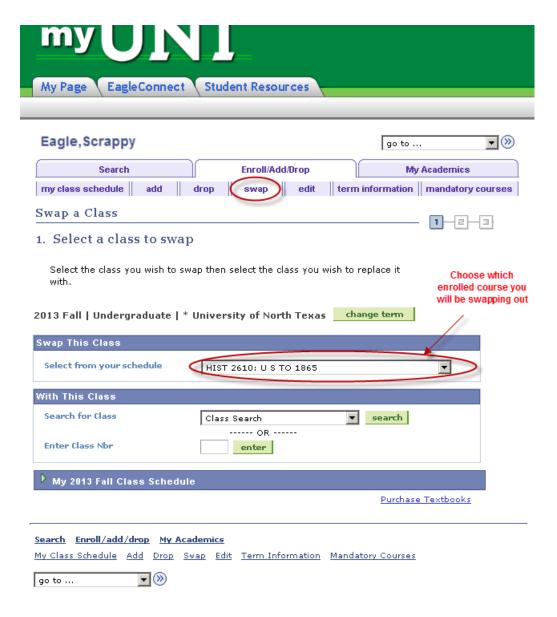

Sample Scenario:
You are already enrolled in HIST 2610.001, however you prefer to take PSCI 2300.003. PSCI 2300.003 is currently closed, but offers a Wait List. You could use the Swap feature to get on the wait list for PSCI 2300.003.
