

Camille Vaughn

"Auxiliary Services has helped develop my personal growth by continuously supporting my academic and personal goals, as well as making my college experience full of fun and memorable occasions."

## Auxiliary Services

Auxiliary Services serves students by working behind the scenes completing work orders for Housing and Residence Life as well as hosting and helping organize our summer camps and conferences.

## In 2011-12, The Auxiliary Services...

- Tracked gas and electric usage through ENERGY STAR's Portfolio Manager and saved \$3697.60 at Crumley Hall and \$7047.04 at West Hall.

## Career Center

The Career Center is a one-stop-shop for students and alumni to meet with advisors and get help with finding jobs on and off campus. The Career Center also helps with writing resumes and cover letters, interview techniques, and so much more.

In 2011-12,  
Career Center...

- Continued the tremendous growth of the Take Flight Job Shadowing Program where 46 companies hosted 139 students during Spring Break, a 113% increase over the 1st year.

- Recruited over 650 companies through Job/Career Fairs, Career Events, and On-Campus Interviewing. Included in this were the largest Career Fair in UNT history, and the largest Career Fair for the College of Engineering.

- Expanded trainings for Student Employees and Supervisors including three for Student Employees and five for Supervisors.

- Offered workshops specifically tailored for graduate students for the first time on five separate topics which drew in 298 students.

Mike Reinelt

"I am grateful for the UNT Career Center. The interview advice and help I received building my resume allowed me to obtain an internship and a full-time position with a great company. They help open the door of opportunity for UNT students. The staff at the Career Center is very dedicated and will do anything they can to assist you with career advice. I would highly advise all students to take advantage of the services offered from the Career Center."

# Center for Leadership & Service

The Center for Leadership & Service provides opportunities and programs to develop students to become engaged leaders in the global community. By participating in service programs, students have the opportunity to gain skills, make connections and make a difference. Whether you are a new student on campus or an established student leader, there are a variety of leadership programs to enhance your personal and organizational leadership skills.

In 2011-12,  
Center for  
Leadership &  
Service...

**+ 1,999**

•Had more than 2,000 volunteers participate at 63 locations in the Denton community during The Big Event.

•Were able to send 125 students and 14 staff on Alternative Spring Break trips serving children, the environment, homelessness and Hurricane Katrina relief.

**+ 9,999**

•Had more than 10,000 students participate in volunteer or leadership programs.

Rebecca Morales

"The Center for Leadership and Service has helped me grow as a person through the leadership roles I have been apart of. CLS has many fun and interactive activites that each year become bigger and better."

## Coliseum & Gateway Center

The UNT Coliseum is a 10,040 seat multi-purpose arena. Built in 1973, the Coliseum is designed for multipurpose use and is often the location for concerts, lectures and theater stage assemblies as well as athletic events.

In 2011-12,  
Coliseum &  
Gateway Center...

• Hosted fourteen UNT Commencement ceremonies for the UNT Registrar's office with an estimated attendance of 60,800 guests

• Partnered with the Denton Visitors Bureau in hosting the Planner's Zone

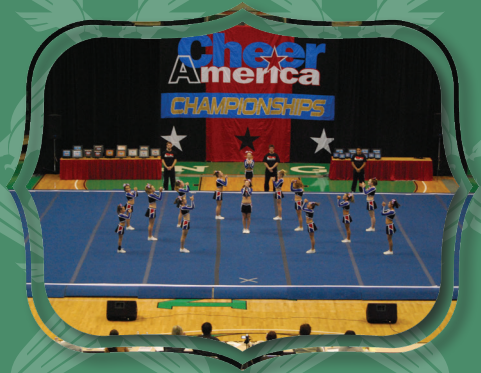

• Booked 1,286 reservations in 2012

Jonathon Hilton

"I believe the Gateway Center offers students and off campus visitors alike, opportunities to learn and promote organizations that benefit the city of Denton and surrounding communities. With excellent staffing and state of the art rooms, the Gateway/Coliseum area serves as a beacon for development on campus, and will continue to attract guests and events that signify the best that UNT and Denton have to offer."

## Counseling & Testing Services

Counseling and Testing Services strives to support the academic success and general well-being of UNT students through professional counseling, career counseling, group counseling, animal-assisted therapy, consultation, mental-health screenings, educational programs and selfhelp resources as well as referral services.

In 2011-12,  
Counseling  
& Testing  
Services...

- Started a new web check in system that allowed the office to gather more detailed information about students seeking services in order for psychologists to better serve their individual needs.

- Increased group offerings 77% from the previous year while also increasing number of counseling appointments attended by 10.94% and the number of crisis and mandatory assessment appointments by over 20%.

- Hosted 2,212 attendees at Eagle's Refuge, a stress free zone for students to relax and rest during the finals weeks of each long semester.

- Provided 5,681 national and state tests for those seeking to further their education and career goals.

- Served as a training practicum site and provided supervision to 19 doctoral students in Counseling Psychology.

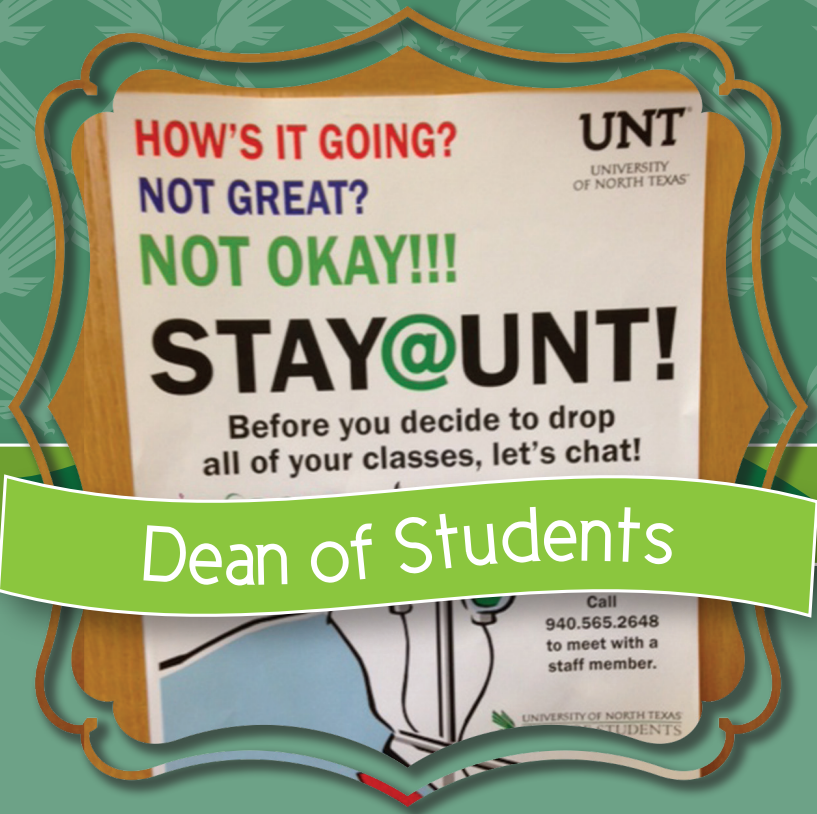

Dennis Richardson

"Shortly after I transferred to UNT, I went through a very difficult divorce. At that point, I felt like not only was my life over, but my college career and educational goals were void as well. So I decided to seek help through UNT's Counseling and Testing center. Dr. Pam Flint was truly a Godsend. She and the center helped me to rebuild my life and put me back on a very positive track. My slacking grades recovered quickly, and all my relationships in life began to change for the better. They changed my life in just about every aspect, and now I am "All-In," as UNT calls it!"

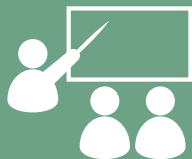

The Dean of Students Office fosters the development of leadership, civility, accountability, and responsibility in the University of North Texas student. The office endeavors to create a culture of care for students and staff by providing exemplary programs and services designed to enhance students' academic and personal success.

In 2011-12,  
Dean of  
Students...

• Took the lead with the new student complaint policy and assisted 209 students through the new procedures.

• Assisted 138 students through CARE Team referrals and 375 students through the Seeking Options and Solutions (SOS) Program.

• Conducted Active Shooter Presentations as a training and precautionary measure on main campus and at the Health Science Center.

• Finalized the creation of the Student Emergency Fund to assist students who have been through catastrophic situations that have threatened their ability to stay enrolled in classes.

Mario Hernandez

"UNT's Dean of Students successfully helped me navigate my way to graduation with genuine care and concern when obtaining my degree seemed impossible. Their services are an integral part of success for any student."

# Dining Services

Dining Services serves all of our students by offering freshly made meals in five dining halls and six locations throughout campus. Recent improvements include updated dining hall menus, creation of an international-themed sandwich truck and renovations to Bruce Hall's dining hall have begun.

In 2011-12,  
Dining  
Services...

•Increased Year-over-year retail sales by 22% by serving great value and great food with a smile

•Re-opened "Bruceateria" to great reviews. Renovation included: open service lines for faster service, made from Scratch pizza/pasta and an all vegan hot entrée line.

•Partnered with the office of Sustainability to produce the 3rd annual Earth day celebration which fed over 7000 students sustainable whole food featured Scrappy's Ice Cream made right here on campus

•Increased Non-traditional (commuter) Meal plan sales by 35% over previous year

Blithe Parsons

"Not only has working for Dining's marketing team helped me grow as a designer. But it has also made me realize what a family these employees are; and in the end, we all share a common goal of feeding the student body! Everytime I see a green shirt with stripes on the sleeve I feel a sense of community. You can't get that from a classroom."

# Greek Life

The Greek Life community offers a unique and lifelong involvement experience. Students are encouraged to emphasize academic excellence, philanthropic participation, personal development, and social development. We strive to create a unified campus through positive relations with administration, faculty, and all Greek and non-Greek student organizations.

## In 2011-12, The Office of Greek Life...

- Developed the inaugural Greek Preview Day for incoming students interested in fraternity/sorority membership. The 112 students that attended, 88 enrolled and 50 joined a fraternity or sorority.

- Collaborated with UNT Risk Management to implement an organized, consistent strategy for fire drills and risk management inspections of Greek houses.

- Fully implemented the Greek Ambassador Program in which tours of Greek Housing are now offered, as well as public speaking engagements for departments/organizations who request information on the Greek community.

- Collaborated with the Center for Leadership & Service to create an Alternative Spring Break (ASB) in New Orleans. In 2012, the community raised nearly \$1,300 which was donated to the ASB site, Common Ground.

Rhiana Anthony

"Being apart of a greek letter organization has allowed me to learn so many things about myself and the kind of person I want to be in the future. One of the best parts of being Greek is the eternal bond you create with sisters and brothers that share similar goals and values who are always there to love and support you. Greek life is dedicated to the uplift of the community through public service while providing opportunities for leadership and networking for the internal development of its members."

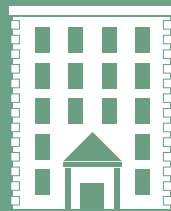

## Housing & Residence Life

Living on campus is an excellent way for students to enhance their experience at the University of North Texas. Being a member of a "REAL" living learning community can help strengthen personal growth and academic success. Students have the opportunity to develop leadership skills, attend events related to the wing's theme, and interact more closely with faculty and university staff members.

## In 2011-12, Housing & Residence Life...

- Completed a new laundry bid that will provide students with free usage of laundry machines for residents.

- Had 5,473 residents living in halls, 612 enrolled in living-learning communities, and 5 faculty in residence.
- Put on 1,255 programs with 21,671 residents in attendance.

- Retained freshman living on campus at a rate of 79.1%, which is 5.84% higher than the overall retention rate.

Claire Barber

‘There is never a dull moment living on campus. UNT Housing gives me the chance to be part of such a strong community that is never lacking in friendship, fun or support.’

## Orientation & Transition Programs

Through Orientation and Transition Programs, resources and services are provided to help students establish and attain their educational goals. Beginning with first-year students, the office serves as a central location to help students connect with their peers, faculty, staff, and parents. These connections help guide and direct students throughout their educational experience at UNT and facilitate their success.

## In 2011-12, Orientation & Transition Programs...

- 10,300 freshman and transfer students attended orientation sessions.
- 1,330 students, parents, and guests attended a summer send-off party in August, increasing participation by 20.69%.
- Class Cause supported students in raising \$6,750 to bring Stop Hunger Now, an international hunger relief agency to campus, packaging 27,666 meals, wiping out 1 day of hunger.
- The Transfer Center partnered with Transfer Admissions for Community College visits, providing outreach and student perspective to thousands of potential UNT transfer students in the DFW area.

Precious Femi-Ogunyemi

"Orientation and Transition Programs opened the doors of UNT for me beginning at orientation. Since then, Orientation and Transition Programs has helped guide me as a student to be the best I can be. Through their programs, students including myself are engaged, encouraged, and motivated to transition from incoming students to mature educated global citizens."

# Recreational Sports

Organizing intramurals, adventure trips and providing an awardwinning facility, Recreational Sports works hard to keep everyone at UNT fit and healthy. Becoming more 'green,' the Recreation Center offers cardio machines that generate electricity for the building.

## In 2011-12, Recreational Sports...

•Had 69 students in 7 sport clubs who competed in national tournaments through the UNT Sports Club Program.

•Surveyed students and found that they regarded the recreational facilities as very important them, and 92% stated that the UNT recreational facilities were excellent or very good.

•Extended hours of operation during spring 2012 to meet the requests of student input.

•Expanded services to Discovery Park by installing a walking trail and outdoor basketball court.

•Served 74% of the first time in college student population.

Kalie Hagood

"UNT intramural sports has given me the opportunity to cultivate close friendships and create unforgettable memories, on and off the field, that I will cherish for a life time."

# Student Activities Center

One of the goals of the Student Activities Center is to help students get involved on campus, in an effort to maximize their collegiate experience. Through a variety of events, services, and resources, the office provides students and student organizations with opportunities to connect to the university and to other students. Student Activities promotes a sense of community and loyalty to the University while serving to enhance the social, intellectual, and developmental growth of students as individuals or as members of organizations.

In 2011-12,  
The Student  
Activities  
Center...

- Worked with the College of Engineering to reconstruct the broken engine of the Mean Green Machine (Model A) from a gas to electric power, in congruence with UNT's commitment to sustainability.

- Advised the student organization, Dance Marathon, which raised over \$2,500 for the Children's Miracle Network Hospitals.

- Piloted the "Take Your Professor to Lunch" program in the spring in efforts to connect non-traditional students to their professors. Post-tests showed that over 90 of students claimed they were not as afraid to approach their professors as a result of the program.

## 4 bold goals

- Coordinated with the University Program Council to host "Four Bold Goals, No Limits", an event celebrating UNT's new tagline and strategic plan, with over 1,500 students in attendance.

Lane Cheek

"As a non-traditional student, I was nervous about fitting in on campus. Student Activities introduced me to the organizations and social clubs that gave me a sense of belonging."

## Student Affairs Administration

Student Affairs Administration collaborates with others in the University, making opportunities for students and the campus community to cultivate academic, personal, and professional success.

In 2011-12,  
Student Affairs  
Administration..

• Assisted departments within the Division of Student Affairs with 371 web and design project requests.

• Advised the Green Jackets, who served a total of 1,200 hours during UNT events and earned a cumulative 3.6 GPA.

• Brought in Dr. Robert Gates, John Legend, Dr. Robert Huizenga, Dr. Ayra Bhushanbhardwaj through the Distinguished Lecture Series which hosted approximately 6,536 students, faculty, staff, and community members.

• Eagle E.D.G.E. had a combined total of 124 graduates for fall 2011 and spring 2012.

Mohammad Khan

"Student Affairs Administration has served students like me by providing resources and tools needed to build interpersonal relationships, create a stronger identification with the school, and advocate school pride in efforts to make my time here more meaningful. It has expanded my personal boundaries and connected me with diverse groups so I am well-prepared to step out of college after graduation and make some change."

# Student Legal Services

Student Legal Services provides UNT students with legal advice, assistance, representation and education. Our goals are to enable students to focus on their education and stay in school despite any number of legal obstacles.

In 2011-12,  
Student Legal  
Services...

- Received the Jim Aldridge Award for project excellence for West Region of Student Legal Services Association.

- Recovered \$142,428.74 in the last year and \$1,470,836.72 since 2000.

Kwame Boatey-Adjei

Student Legal Services is my small axe that chopped down the big tree. I was lost and alone facing a giant in the form of an auto insurance company that had refused to accept liability for an accident caused by its client. The three-woman SLS crew, led by Kathryn McCauley helped me course through the case like a hot knife through butter. Thanks SLS and the UNT body!

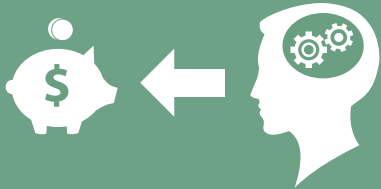

# MONEY!

## Student Money Management Center

The Student Money Management Center provides personal financial and money management education to students. In addition to seminars and presentations, SMMC provides confidential individual financial consultations and planning services. All of SMMC services are free for UNT students.

In 2011-12,  
Student Money  
Management  
Center...

• Successfully launched a new database and online application system for the SMMC loan programs that have realized increased efficiencies and ease-of-use by students.

.....  
• Sponsored "Student Entrepreneurs & Money" educational program in collaboration with the Murphy Entrepreneurship Center and several departments and student organizations on both main campus and Discovery Park.

Santana Christian

"The Student Money Management Center provides learning experiences outside the classroom that teach you financial knowledge you can use while in school and beyond graduation. Financial woes and questions happen throughout everyone's life, so it's good to know there is help on campus and people who care."

# Students Health & Wellness Center

The Student Health and Wellness Center is committed to providing excellent healthcare to our students. The Student Health and Wellness Center encourage the optimum health and wellbeing of students through quality educational, primary medical care, mental health and health promotion services. These services are confidential, convenient and economical.

## In 2011-12, The Health and Wellness Center...

- Facilitated meaningful partnerships with UT Southwestern's 3rd year psychiatric residents for our student's mental health needs, Dallas County Health Department for free STD testing and the Psychology Department for students dealing with insomnia.

- Offered a dental/vision discount plan available to students, dependents, and alumni.

- Provided 921 free flu vaccinations to students, faculty and staff, which helped prevent an estimated 2,100 non-vaccinated individuals from getting the flu and saved approximately \$112,770 in flu-related illness costs.

- Saw 24,834 medical visits.

Tanya Nanongkhai

"When I first walked into the Health & Wellness Center, I thought, "What a lovely bunch of people." Their goal was to make the campus healthier, more knowledgeable, and a more aware place for students to thrive. What inspired me most about them was their team ethic – people coming from different walks of life joining together to accomplish something better for the school.

# Substance Abuse Resource Center

The SARC assists faculty, staff, and students in overcoming substance and alcohol abuse problems. SARC creates a culture of personal responsibility, thereby developing responsible custodians of alcohol and other drug use; reducing and eliminating abuse, dependence and barriers to personal, professional, and academic success.

In 2011-12,  
Substance Abuse  
Resource Center...

•Updated its interactive website, Twitter and Facebook to provide students with current information regarding alcohol and other drugs.

•Partnered with the Center for Student Rights and Responsibilities to bring the Save-A-Life Drunk Driving Simulator to campus, illustrating the effects of drunk driving, and had over 120 participants.

•Held its 3rd annual educational haunted house, highlighting education covering a variety of health issues, including the effects of alcohol and drugs.

Jacilyn Bondy

"The best way to prevent substance abuse is to raise awareness about the signs and dangers of it, and SARC is dedicated to sharing that knowledge with the UNT community. Programs like this are vital to college campuses, and I'm proud of the work SARC is doing on my campus."

# University Union

The University Union provides many programs and services essential to making life on campus more pleasant. The Union is never a dull place. A diverse population, a variety of programs and services, and a staff of dedicated people create a climate of comfort and community at the Union and at UNT

In 2011-12,  
University  
Union...

•Held 10,376 events, 181 of which were hosted by the University Programs Council, Syndicate Programs, and the Fine Arts Series.

• Welcomed 2,708,220 visitors.

• Collected 16,208 pounds of recyclable material.

Jayleen Watson

"The Union has been an incredible source of growth and inspiration for me, be it through working as a student assistant, leading committees, or just meeting up with friends. It's through the Union that I developed a passion for student affairs. It's such a unique place that focuses on so many areas of my life as a student. I'll always remember it as the place where I really connected with UNT."

# Veteran's Center

The UNT Veterans Center, in collaboration with a diversity of university departments, aims to serve as a safe place to help student veterans navigate the university resources for academic success. Our focus is simply three pillars: to help remove barriers student veterans through an emphasis on transition support through campus life; to provide connection to resources both on and off campus to assist student veterans; and to give due recognition of the service members in our UNT community through programs and scholarship.

In 2011-12,  
The  
Veteran's  
Center...

• Contributed to UNT being named in the Top 100 Military Friendly Schools in the U.S.

• Inducted 38 students into the SALUTE Honor Society.

• Created a Veterans Awareness Training for faculty and staff to better understand and serve the needs of veterans.

Merissa Morgan

"The Veteran's Center has provided me a "home base" to come to, a place where I can find people who share my experiences and who understand the value of camaraderie. I have made valuable friendships and have been provided excellent help by the staff."
