## **Residential propane prices decreases**

---

The average retail price for propane fell to \$3.89 per gallon, that's down 11.9 cents from a week ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. Propane prices in the Midwest region averaged 3.83 a gallon, down 36.8 cents from last week, but up \$2.05 from a year ago.

This is Amerine Woodyard, with EIA, in Washington.
