

DISTRICT PROFILE

The Lubbock District plans, designs, builds, operates and maintains the state transportation system in 17 Texas counties, including more than 12,000 lane miles of roadway. The Lubbock District experiences varying weather conditions from extreme heat to sub-freezing temperatures, which result in challenges for maintenance crews and designers to maintain assets and assure the safety of the traveling public.

FAST FACTS (FY 2013):

Population	465,263
Area (Sq. Miles)	15,861
Lane Miles	12,136
Daily Vehicle Miles	9,202,961
Registered Vehicles	427,778
TxDOT Employees	337
Construction/Maintenance Expenditures	\$138,698,581
Percentage of Highway Projects Completed On Time	66.67%
Percentage of Highway Projects Completed Under Budget	33.33%

MAJOR PROJECTS UNDERWAY:

- Loop 289 in Lubbock County: Widen northwest Loop 289 and rebuild the Quaker/Texas Tech Parkway interchange - \$22.5 million
- Marsha Sharp Freeway Phase 5A Lubbock County: Build bridges at Milwaukee Avenue and Spur 327 - \$22.4 million
- US 87 in Lubbock County: Build bridges over Woodrow Road - \$10.2 million
- FM 1730 (South Slide Road) in Lubbock County: Widen from two to six lanes, 98th Street to FM 1585 - \$13.5 million
- US 84 in Bailey County: Rehabilitate the roadway from Muleshoe to the Lamb County Line - \$15.4 million

- SH 349 in Dawson County: Widen 13 miles of roadway - \$18.3 million

PLANNED MAJOR PROJECTS:

- Marsha Sharp Freeway Phase 5B in Lubbock County: Rebuild Spur 327/US62/82 interchange, build Upland Avenue interchange, main lanes and frontage roads - \$36 million (December 2014 letting)
- FM 207 in Floyd County: Rehabilitation of the existing roadway - \$10.8 million (March 2015)

MAINTENANCE: The Lubbock District spends more than \$10 million annually to seal coat roadways, which waterproofs the surface to prevent moisture from weakening roadbeds, which prolongs the life of the pavement. It also provides a non-skid surface and an anti-glare, reflective surface for night and wet weather driving.

CORRIDORS: With Ports-to-Plains (I-27/US 87) running through the Lubbock District and connecting with La Entrada al Pacifico (SH 349) corridor at the southern edge, the district's roadways provide transportation facilities for industrial and agricultural commerce and for visitors passing through.

SAFETY: The Lubbock District makes more than \$1.2 million in roadway striping and \$10 million in seal coating safety improvements to state-maintained roadways annually. A project to install 12 miles of median cable barrier on US 84 in Garza County was completed in 2014.

District Engineer
Doug Eichorst, P.E.

Physical Address
135 Slaton Road
Lubbock, TX 79404

Mailing Address
135 Slaton Road
Lubbock, TX 79404-5201
