ERRATA

SEPTEMBER 22, 2015.—Ordered to be printed

Mr. THUNE, from the Committee on Commerce, Science, and Transportation, submitted the following

R E P O R T

[To accompany H.R. 34]

CORRECTION

On page 4, preceding the final paragraph, insert the following paragraph:

Within the redundant tsunami warning centers NOAA has sufficient prediction capabilities, however, can provide more regional support and outreach through the Caribbean Tsunami Warning Program for all Caribbean and Western Atlantic nations and territories, and the surrounding U.S. States. The program supports this mission by monitoring international tsunami detection and providing warning, communication, mitigation, education, and readiness activities in the Caribbean and Western Atlantic. In addition, the program assists member states tsunami warning and detection capabilities and helps to disseminate information, including educational materials.
