Procedures and Responsibilities.

The university Dining Services Department reports directly to the Assistant Vice President of Business Services. Dining Services includes cafeteria services and Verde’ catering services. Cafeteria services include five cafeterias on campus which prepare and serve food to students living in the residence halls. This service is provided as part of the room and board contract. A meal plan is mandatory for students living in the residence halls, with the exception of upperclass students living in College Inn, Santa Fe and Mozart Square. Resident students are required to choose one of two meal plan options, to include a five day or a seven day. Applications for exemptions from the meal plan may be requested from the Dining Services office. Exemptions are granted by the Director of Dining Services; however, students are financially responsible for the meal plan until the exemption process is complete.

While students living on campus are Dining Services’ primary customers, nonresident students, faculty, staff and guests may dine in cafeterias as well. Meals may be purchased through a semester contract, a declining balance account, or on a per meal basis as you enter the cafeteria.

Meal service is provided Monday through Sunday, and all cafeterias operate on an all-you-care-to-eat-policy, with no limit to the number of meals allowed per day on the five or seven day plan.

The University Dining Service office, 565-2462, is located in Crumley Hall, Room 132. Regular office hours are 8:00 a.m. to 5:00 p.m., Monday through Friday.
