

INSTRUCTIONS FOR NOTARIES ASSISTING OFFSITE NEW EMPLOYEES

Completion of the Form I-9

U.S. Citizenship and Immigrations Services (USCIS) requires the University of North Texas System (UNT) to verify the eligibility and identity of our employees. We are asking you to serve as our representative by

- examining the new hire's documentation and
- signing the attached Form I-9

We are not asking you to verify the individual's credentials for our job. We want you to verify that the individual presented acceptable documents in their original form in person to you.

Attached are Form I-9 and the Notary Authorization Form. Please verify the employee has completed Section 1 of Form I-9 in its entirety prior to your completion of Section 2. The employee must present, in person, to you, a suitable set of identification papers as listed on the "List of Acceptable Documents" page.

The employee can present either:

- 1) One document from List A
OR
- 2) Two documents, one from List B (identity) **AND** one from List C (eligibility).

The section that you (serving as a UNT System representative) need to complete is **Section 2 Employer Verification**. *You are not being asked to notarize Form I-9.* You are notarizing your agreement to serve as UNT's representative, the employee personally presented you the request and the supporting documents, and the documents presented by our employee appear to be valid documents.

There are spaces to indicate which document(s) were presented to you and the associated information. The pertinent information includes the following:

1. Document Title (i.e. Driver's License)
2. Issuing Authority (i.e. Texas Department of Public Safety)
3. Document Number
4. Expiration Date (if any)

Please note: only original documents are acceptable; faxes, photocopies, and laminated social security cards are considered unacceptable documents.

We also need for you to complete the Certification section of the Form I-9. Please complete the Certification section as follows:

- 1) Sign the Authorized Representative section
- 2) Date the form (enter the date you reviewed the employee's documents).

Finally, we ask that you complete and place a notary seal on the Notary Authorization Form, attach photocopies of the documents you reviewed, and return all paperwork to the address listed below.
