### Tobacco-user Premium

If you and/or a family member enrolled in medical insurance is certified as a tobacco-user or has not certified as a non-user, you will pay an additional tobacco-user premium of \$30, \$60 or \$90 each month, depending on how many tobacco-users or non-certified family members you cover.

Tobacco-users of Any Age and Adults Who Fail to Certify	Monthly Tobacco-user Premium
Member or Spouse or Children* Only	\$30
Member + Spouse or Member + Children* or Spouse + Children*	\$60
Family (Member + Spouse + Children*)	\$90

<sup>\*</sup>The charge for a child is the same regardless of how many children in the household use tobacco or how many covered children 18 or over are not certified.

If you are a tobacco-user, you may be able to participate in an alternative to the tobacco-user premium, if it is right for your health status and complies with your doctor's recommendations.
