CURRENT TITLE OF BOOK (working title; may be changed later):

SHORT (PARAGRAPH) DESCRIPTION of yourself as you would like it to appear in promotion copy and on the dust jacket. (This will be subject to our editing.) Include such information as place of birth, places lived, awards won, honors received, and any interesting facts about yourself you think will help to sell the book.

Please describe your book as you would like to see it advertised in journals and in promotion copy (about 150 words). Include a statement about what audience(s) your book will appeal to, and how your book differs from similar books in its field. Attach separate sheet if necessary. (This will be subject to our editing.)

INPUT ON COVER DESIGN: Do you have a general concept in mind and/or specific image(s) for the cover? Any permission issues? Please also list 3-4 adjectives that describe the tone of your book (e.g., authoritative, witty, provocative, bittersweet, sweeping, precise, challenging, etc.) so we can pitch the cover design appropriately.

ALONG WITH THE INFORMATION ON THESE TWO PAGES, PLEASE SEND US THE FOLLOWING:

1. List of names and addresses of people who could possibly provide blurbs for the book. Let us know which ones you have already contacted or would like to contact yourself.
2. AUTHOR'S PHOTOGRAPH; Please supply us with a glossy print which may be used on the book jacket or in advertising. We shall assume that you have the photographer's permission to use your photograph for these purposes, but please give us the name of the photographer also. (An informal snapshot is often as good as a formal portrait.)
3. RESUME OR VITA, including a list of your previous publications.

Book Title:

FOR THE FOLLOWING QUESTIONS, PLEASE TYPE YOUR ANSWERS ON SEPARATE SHEETS OF PAPER AND ALSO PROVIDE ELECTRONICALLY ON DISK OR BY EMAIL.

1. Please list reviewers (with name of publication) to whom you would like review copies sent, **complete with addresses, if known**. Please limit your list to around 50-75 markets. (Note that UNT Press uses an extensive reviewer database—your list helps to focus our efforts and ensure that we send review copies to the venues you specify in addition to our list).
2. List the names **and addresses** of any organizations whose membership lists, journal, or newsletter would be particularly useful in marketing your book. Indicate the best way to reach this membership (i.e., press release in newsletter, space ad, or direct mail campaign) and provide contact information if possible. If you have access to a membership list and the approximate number of members, please supply this information. Please provide email as well, if possible.
3. List any conferences or meetings for potentially exhibiting the book **with dates** for the next 12-18 months. Indicate which ones you personally attend. If a particular meeting is ideal to “premiere” the book, please let us know so we can try to publish the book that month.
4. List **individuals** (not businesses) who would be particularly interested in buying your book, so that we can send them a press release and order form upon publication. (Family, friends, co-workers, professors who have expressed interest in using your books as a textbook, etc.). **Include name and email if possible; provide names and addresses if you do not have an email. Excel document preferred format, but please use the format shown below.**

Field 1	Field 2	Field 3	Field 4	Field 5	Field 6
First name	Last name	street address	additional address (if needed)	City	State zip
					(Caps, 2 letter)

If you provide the information in a Word file, do not format as labels.

5. List any outlets in your present or hometown community (including bookstores, libraries, social clubs, professional organizations, newspapers, radio stations, Friends of the Library groups, church groups, writers groups, etc.) that might be interested in selling your book, having you as a speaker, interviewing you, or having a book signing. Indicate which ones have already expressed an interest, and, most important, indicate your level of interest in and willingness to do booksignings and other engagements. **List the names, addresses, phone numbers, emails, and contact persons at these places, if known.**
6. List the top five publications (journals and magazines primarily) to place a space ad for your particular book. (Please note that our ad budget is limited—i.e., we cannot afford *New York Times* or large-circulation, general-interest newsstand magazines and their ad rates.)
7. Mention any awards by name for which you believe your book would be eligible. Be sure to indicate if you are a member of any organization or writers group that offers an annual award.

8. Please provide a list of ten suggested interview questions with answers regarding your book. We will send this information to media contacts to encourage reporters and radio talk shows to interview you, so target your Q&A to this end. (If your book is monographic and would not appeal to a general audience, disregard this request.)
