

- Q. I wanted to confirm if installation, setup and implementation is part of the scope of this RFP.
- A. **Yes.**
- Q. We were not able to attend the pre bid conference, is there a possibility to schedule a visit to the site?
- A. ***The pre-bid meetings are held specifically for that purpose. Additional meetings are not possible.***
- Q. I am looking for an estimated project cost or a budget for the above project?
- A. ***We do not supply any financial information. Bidders should propose their best offer based on the information provided in the RFP.***
- Q. I did not see a specific model of projector listed on the spec sheet. Can you please supply me the make, model of the preferred projector? I know that you want to standardize.
- A. ***Bidders can submit more than one option. NEC PA550W is the projector that should be used for comparison (same, equal to, or better than).***
- Q. In room 421—are you open to a slightly smaller projection screen in order to make “room” for the new instructor station?
- A. **Yes.**
- Q. I do not see the make and model of the instructor desk-can you please provide so that we can make sure it is the same as the other rooms?
- A. ***This information is provided in the bid documents.***
