## Career Center

Bonita Vinson, Ph.D., Director  
Phone: 940.565.2105  
Website: [careercenter.unt.edu](http://careercenter.unt.edu)  
Location: Chestnut Hall, Suite 103

The Career Center provides the following services to students in all degree programs and at every degree level (undergraduate, masters, and doctoral).

In-class presentations and guest lectures are offered on career-related topics including “What Can I Do with a Major In...?” Resume Writing, Finding a Job on Campus, Job Search Strategies, and Interviewing Skills.

Career advisors assist students in career exploration and research, resume writing, interview preparations, career transitions, and general job search strategies. Students can also find resources and assessments online ([careercenter.unt.edu/students](http://careercenter.unt.edu/students)) to help them assess their career interests, explore career options, and access relevant information for making career-related decisions. Career Peer Advisors also assist students with their job search and resume building/critiquing.

A web-based job listings system (Eagle Network) contains current part-time, internship and full-time job vacancy announcements from campus offices and UNT-friendly employers. Students and alumni must formally register in the Eagle Network in order to utilize this service. The Eagle Network can be found at [careercenter.unt.edu/eagle-network](http://careercenter.unt.edu/eagle-network).

Over 800 employers come to UNT each year to conduct job interviews and participate in Career/Job Fair. The Career Center links students and alumni job seekers with hiring professionals. Over 100 schools districts and 700 business, industry, government, and public service employers visit campus annually. Registration in the Eagle Network is required for most activities.

Alumni are also provided all of these services and resources at no cost. Registration in the Eagle Network is required.

## Student Employment

Student Employment is a part of the Career Center. The office provides a variety of services to students in all degree programs and at every degree level (bachelor, master, and doctoral). Services are offered to assist students in finding part-time employment while in college. All positions (part-time on-campus jobs, college work study jobs, part-time off-campus jobs) are posted on the Eagle Network website (internet job listings system for UNT students). The office hosts Part-Time Job Fairs in the fall and spring semesters; to help bring employers and students together. Attendance at these events is open and free to all students. Student Employment offers seminars on finding an on-campus job and customer service training (Creating a Service Attitude & Create Your Advantage).

So in an effort to identify those students proactively, UNT has created a network of professionals from across campus that are committed to a caring, confidential program of identification, intervention and response in order to provide our students with the greatest chance of success and our community with the greatest level of protection.

We created this website to accomplish the following:

- Educate you about the CARE Team and how it works;
- Provide you with information and tips about how to deal with incidents you may encounter;
- Provide additional resources on our campus and in our community.

If you have any questions or concerns for the CARE Team about a student or an incident, contact a CARE Team at [CAREteam@unt.edu](mailto:CAREteam@unt.edu) or during office hours at 940-565-4373.

Greek Life promotes the experience of self-governance,

leadership development, academic achievement, community service, social opportunities and friendship. The programs and opportunities afforded to fraternity and sorority members are also designed to enhance professional, personal, and leadership development as students prepare for life after college.

There are numerous leadership opportunities including membership in a fraternity or sorority within our four governing councils. Each council coordinates joint activities, educational and service programming, and plans and promotes educational opportunities for personal development, sisterhood and brotherhood. The SMMC offers both on-campus students and distant learners personalization and customization that utilize technology and innovative customer practices. The SMMC team of staff members and peer mentors provides students with online resources, workshops, outreach activities, and personal consultations that promote lifelong learning to empower students to manage their money with increased knowledge, applicable skills, and greater confidence. ## **Student Activities Center**

Website: [studentactivities.unt.edu](http://studentactivities.unt.edu)  
Location: Stovall Hall 117

The goal of Student Activities is to help students get involved on campus. Through a variety of events, services, and resources, we provide students with opportunities to connect to the university and to other students. We promote a sense of community and loyalty to the University while serving to enhance the social, intellectual, and developmental growth of students as individuals or as members of organizations. We do this through three main

areas.

**Student Organizations.** One of the primary ways to get involved is with student organizations. With over 400 registered groups (including academic/professional, creative and performing arts, cultural and international, religious/spiritual, and sports and recreation, among others), there are many opportunities to find something that interests you. And if there's not, you can create your own.

**Campus-Wide Events and Traditions.** Student Activities sponsors several large events during the school year, all of which are free to UNT students. One of our biggest events is Mean Green Fling, at which various student organizations, university departments, and community vendors come together to greet students as they start a new school year. Additionally, we work with students to plan a number of activities, including Bonfire and the parade, for Homecoming Week. We also plan EarthFest and University Day, among others.

**Off-Campus Student Services.** The majority of UNT students live off-campus. In addition, over 5,300 are considered "non-traditional," in that they may be older than the "traditional" college age, married and/or have kids, or work full-time. Living off-campus and having these extra responsibilities can create a barrier for your connection to campus. Student Activities offers a wide range of events and services for off-campus students, to help you connect to UNT while balancing your work, school, and/or family life.

The primary goal of Student Veteran Services is to increase outreach and student-centered initiatives that remove barriers for student veterans. The Student Veteran Services office is run by Director James Davenport and student veterans who act as peer leaders for veterans and dependents to ease the transition into student life.

If you have questions about UNT, your benefits, or your education, we are here to help you get the answers you need. The SVS is connected to both on and off campus resources that can benefit you such as Texas Veterans Commission and the Texas Workforce Commission.

The Student Veteran Services office focuses on recognition programs to honor veterans for their service through programs such as the Annual Veterans Day Celebration and the SALUTE National Honor Society.

## UNT Traditions

**Official School Colors** - Chosen in 1922, these school colors are Emerald Green and White. Secondary colors were added in 1995, which are Navy Blue and Gold. In 2005, UNT's official color was changed to a similar shade of the original green.

**Lighting the McConnell Tower** - After a victory by a UNT athletic team, special green floodlights bathe the Administration Building clock tower to signal the victory to the campus and community.

**Scrappy, The Eagle Mascot** - Students in a 1922 campus election chose the eagle over the dragon and lion as the college's mascot. In the '60s, a costumed Scrappy began appearing at games and other events. The mascot was renamed Eppy in 1974 by students who thought the name "Scrappy" was too warlike. However, Scrappy was reborn in 1995, when students decided the first name was better.

**Eagle Claw** - The eagle hand sign is our universal sign of pride and unity. Curl the thumb and index and middle fingers forward. The ring and pinkie fingers stay closed against the palm.

**Honors Day** - Outstanding students, faculty and staff are recognized in an afternoon ceremony that often includes alumni as guest speakers.

**Alumni Appreciation Day** - For more than 30 years, the university and many academic departments have set aside a day to recognize successful and dedicated alumni, inviting them back to campus for special events.

**University Day** - First held in 1961, when North Texas State College became North Texas State University, this spring event includes music, food, and camaraderie.

**Homecoming Bonfire** - The tradition of the Homecoming bonfire began in the '30s. Members of the Talons spirit organization build the fire, which is lit the Friday night of Homecoming.

**Homecoming Parade** - Held the morning of the Homecoming game, the parade includes floats made by students, faculty, staff, alumni, and community members. The route runs from campus to downtown Denton.

**Mean Green Nickname** - Although green has been the school color since around 1902, the "Mean Green" nickname dates from the late '60s when the football team's defense was dominating other teams. One of the outstanding players at the time was "Mean" Joe Greene.

**Boomer, The Victory Cannon** - The tradition of firing the cannon began in 1970. The modern cannon is a scale replica of a Civil War model and is managed by the Talons. Boomer is fired at special campus events and at football games to signal touchdowns.

**Curfew and Spirit Bell** - The Spirit Bell was brought to Denton from Michigan in 1891. It was used to signal class changes and evening curfew.

The 2,000-pound bell served as a sound of victory for many years until a crack was found within. The Talons dedicated the original bell to the university in 1982, and it was placed in the University Union across from the One O’Clock Lounge. Though smaller, the bell’s successor can be heard at any home football game ringing with pride.

**Official Class Ring** - Unique to North Texas, the official ring portrays our Eagle mascot, university seal and the McConnell Tower. The two clock faces show different times — one o’clock for the internationally recognized One O’Clock Lab Band, and seven o’clock noting the 1892 curfew for students of Texas Normal College and Teacher Training Institute.

**Mean Green Village** - Various groups set up tents near Fouts Field before home football games. Meals are available at this popular social event, which is one of the university’s newest traditions.

## **Subject: Public Information Policy and Family Educational Rights and Privacy Act**

State law, with few exceptions, gives you the right to be informed about the information UNT collects about you. It also gives you the right to receive and review this information and the opportunity to have UNT change any incorrect information. UNT's Family Educational Rights and Privacy Act and privacy policies are available at [www.unt.edu/untpolicy](http://www.unt.edu/untpolicy).

Pursuant to the provisions and intent of Chapter 552, Texas Government Code, known as the Public Information Act, and the Family Educational Rights and Privacy Act (FERPA) of 1974 as amended, known as the Buckley Amendment, the university has established a policy relating to the accessibility of student information in the custody of the University of North Texas. The UNT FERPA Policy Statement appears in its entirety in the UNT Policy Manual, policy number 18.1.9. Information not covered by FERPA will be released only in accordance with the policy on public information found in policy number 10.6 of the UNT Policy Manual. Requests for such information must be made in writing.

FERPA affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the university receives a written request for access. Students should submit to the registrar, dean, head of the academic department or other appropriate official, written requests that identify the record(s) they wish to inspect. The university official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. Students may ask the university to amend a record that they believe is inaccurate or misleading. They should write the Office of Vice Chancellor and General Counsel, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the university decides not to amend the record as requested by the student, the university will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the university in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the university has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the university discloses education records without consent to officials of another school in which a student seeks or intends to enroll. UNT will automatically forward a student's record to these institutions upon their request.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University of North Texas to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office  
U.S. Department of Education

A request to withhold information may be submitted after the stated deadline for a term, but information may be released between the deadline and receipt of the request. The file of a student who has asked to be excluded from the directory information will remain flagged until the student requests that the flag be removed.

Directory information consists of a student's full name, address, e-mail address, telephone number, date and place of birth, major field of study, classification, participation in officially recognized activities and sports, weight and height of athletic team members, dates of attendance, degrees, awards received, the last educational agency or institution attended previous to UNT, and photograph.
