# AFFORDABLE

## Paying for your Education

There are lots of ways to pay for your education at UNT Dallas. Our low tuition rates help you afford the education you need to pursue your career.

*"I chose UNT Dallas because of the reasonable tuition, and the accessible professors who serve as mentors."*

### Tuition & Fees

	Texas Resident	Non-Resident
Tuition	\$7,550	\$18,822
Fees	\$300	\$300
<b>Total</b>	<b>\$7,850</b>	<b>\$19,122</b>

\*Cost based on 15 credit hours per fall and spring semester, using the 2015-2016 rates for tuition and fees. Prices subject to change.

Talk about affordability!

# \$7,850/yr.

### FOCUS Fixed-Rate Tuition Plan

The FOCUS fixed-rate tuition plan offers students the opportunity to lock in their tuition rate, for a maximum of five years, instead of paying the regular tuition rate, which is subject to increase annually. The FOCUS Fixed Tuition Plan ensures a total tuition and mandatory fee cost of \$7,650 per year for 30 credit hours. The FOCUS Fixed Tuition Plan helps students and their families plan for the cost of a college education. The plan also provides an incentive for students to earn a degree in a timely manner.

**\$30,600 Total cost for 4-year degree**

# STUDENT SERVICES

## ADVISING

Our advisors are here to help you choose a major aligned with your passions and skill set. Day, evening, weekend, hybrid, and online offerings make it simple to build a schedule that fits your life!

\*UNT Dallas also offers pre-enrollment advising for transfer students so you can ensure the credits you transfer will count toward your preferred degree plan.

### Tutoring at the Learning Commons

The UNT Dallas Learning Commons is home to peer tutors ready to help students with math homework and writing skills.

*"We help our students find creative ways to gain experience in their fields of interest. That takes different forms based on their majors. For our educators that may mean student teaching, for others it might mean service learning and volunteer opportunities and internships. In a sense, they get to test drive their careers prior to graduation."*

## VETERANS AFFAIRS

North Texas veterans can find a haven of support at UNT Dallas' Veterans Success Center. Located less than five miles from the North Texas VA, the Veterans Success Center provides personal and educational services to both active-duty veterans, and those transitioning to civilian life. A military veteran who can best relate to student veterans' unique concerns staffs the center. The Veterans Success Center provides current veteran students and their families with:

Counseling

Advising

Career support

Tutoring services

Camaraderie

Future services will include priority registration, a student veteran orientation, on-campus picnics for student veterans and their families, and fundraising events for student veteran scholarships.

# CAREER READINESS

## Internships and Applied Learning

At UNT Dallas, we bring the business world into the classroom thanks to partnerships with area businesses, schools and non-profits. The university's emphasis on hands-on, applied learning means you'll have several opportunities to apply what you learn in class:

- Guest Speakers: Hear firsthand what companies are looking for in future employees, and what challenges they face each day
- Case Studies: Tackle real-world problems facing area businesses, create solutions, and present your findings
- Internships: Work in your desired field to gain experience before your graduate
- Service Projects: Use the skills you learn in the classroom to better the local community as a volunteer

*"Attending UNT Dallas has helped me meet people who have assisted me with career opportunities and have provided me with the necessary tools to be successful not just in school but in life."*

## Career Services

UNT Dallas Career Services helps students achieve their professional goals by providing career development, career programming, and career placement for both short-term and long-term opportunities.

*"I have the knowledge, training, and skills to pursue my career now and I am confident that I will be successful because of my experiences at UNT Dallas."*

From day one, students have access to a variety of career planning resources including:

- Job Board: College Central Network (CCN) is UNT Dallas's exclusive online job board that allows students to post their resume and apply for part-time, full-time jobs and internships. College Central Network also provides access to create a career portfolio, event announcements, career advice documents, podcasts, videos and career-related articles.
- Career Advising
- Career Assessments
- Resume, Cover Letter, Interview, and e-Portfolio Assistance
- Graduate School Planning
