

# Celebration's Military Family & Community Covenant

July 4, 2009

We, the residents of Celebration, are committed to building strong communities.

## We recognize:

- The commitment and sacrifices that Soldiers and their families make for us each and every day
- Soldiers find strength through their families
- Families find strength through the communities of which they are a part
- The strength of the community comes from each individual in it

## We are committed to:

- Building partnerships that support the strength, resilience, and readiness of Soldiers and their families
- Assisting in the implementation of the Armed Forces Family Covenant

## We love and support our servicemen and their families!
