

THE DISA VISION

Information superiority in defense of our Nation.

THE DISA MISSION

DISA, a Combat Support Agency, provides, operates, and assures command and control, information sharing capabilities, and a globally accessible enterprise information infrastructure in direct support to joint warfighters, national level leaders, and other mission and coalition partners across the full spectrum of operations.

THE OBJECTIVE STATE

Provide assured, scalable, managed access to services and data at the point of need and in all environments through cost-effective infrastructure and computing.
