SUBJECT: *Defense Contingency Contracting Officer's Representative (COR) Handbook*,
Version 2

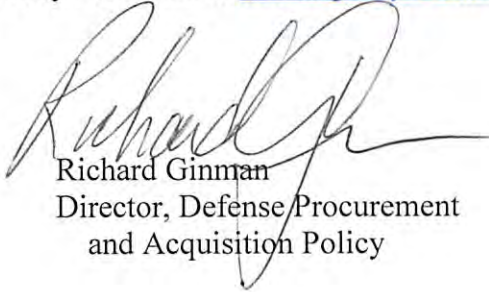

Defense Procurement and Acquisition Policy (DPAP) is pleased to announce the upcoming release of *Defense Contingency Contracting Officer's Representative (COR) Handbook*, Version 2. This handbook will be electronically available as of August 31, 2012, at the DPAP website: <http://www.acq.osd.mil/dpap/ccap/cc/corhb/>.

The new version was developed by a joint team of subject matter Contingency Contracting Officer (CCO) and Contracting Officer's Representative experts representing the components. DPAP is producing approximately 10,000 copies of the handbook in a pocket-size format to distribute to each of the components. The handbook and its accompanying DVD will provide essential information, tools, templates, and training for DoD contingency CORs to meet the challenges they may face in any contingency contracting environment.

Each component with a contingency COR Handbook requirement should confirm or update the information on the attached spreadsheet with my point of contact listed below. Please identify the row you are confirming, updating, or adding, and send your response by July 25, 2012. I encourage the SPEs to coordinate this tasking for each service/agency for submission. To ensure the most effective use of this valuable tool, I am requiring each Military Department to incorporate this handbook into deployment training for CORs.

The *Defense Contingency COR Handbook*, August 2012 version, will be updated in FY13/14. Please continue to encourage our deployed CCOs and CORs to share their deployment experiences by submitting recommended changes or sample templates and tools to contingencycontracting@osd.mil. CCO and COR recent deployment experiences greatly contribute to making the handbook credible, recent, and relevant.

Your responses can be sent to Lt Col Judy Anderson at ContingencyContracting@osd.mil or 571-256-2949.

Richard Ginman
Director, Defense Procurement
and Acquisition Policy
