Procurement Data Standard V2.4 (7/6/2012)

	enumeration Every Two Weeks enumeration Every Six Months enumeration Monthly enumeration Number of Times to be Submitted enumeration One Preliminary enumeration One time with Revisions enumeration Quarterly enumeration Revision as Required enumeration Weekly
annotation	documentation The delivery frequency of the data items to be delivered. (see list)

element **CDRLDetailsType/DeliveryFrequencyTimes**

annotation	documentation When Delivery Frequency contains "Number of Times to be Submitted", provided the number of submissions.
------------	--------------------------------------------------------------------------------------------------------------------------

element **CDRLDetailsType/DraftApproval**

facets	<table border="1"> <thead> <tr> <th>Kind</th> <th>Value</th> <th>annotation</th> </tr> </thead> <tbody> <tr> <td>enumeration</td> <td>false</td> <td></td> </tr> <tr> <td>enumeration</td> <td>true</td> <td></td> </tr> </tbody> </table>	Kind	Value	annotation	enumeration	false		enumeration	true	
Kind	Value	annotation								
enumeration	false									
enumeration	true									
annotation	documentation States whether or not there is a requirement to approve a draft before the preparation of the final data item."									

element **CDRLDetailsType/RequiringOffice**

annotation	documentation The technical office responsible for ensuring the adequacy of the data item.
------------	-----------------------------------------------------------------------------------------------

element **CDRLDetailsType/CDRLApprovalDetails**

annotation	documentation The names and signature dates of the authority who prepares and approves.
------------	--------------------------------------------------------------------------------------------

element **CDRLDetailsType/CDRLDates**

annotation	documentation Dates associated with the Contract Data Requirements List (CDRL).
------------	------------------------------------------------------------------------------------

element **CDRLDetailsType/CDRLDates/CDRLDateDescription**

facets	<table border="1"> <thead> <tr> <th>Kind</th> <th>Value</th> <th>annotation</th> </tr> </thead> <tbody> <tr> <td>enumeration</td> <td>As of date</td> <td></td> </tr> <tr> <td>enumeration</td> <td>Date of First Submission</td> <td></td> </tr> <tr> <td>enumeration</td> <td>Subsequent Submittal Date</td> <td></td> </tr> </tbody> </table>	Kind	Value	annotation	enumeration	As of date		enumeration	Date of First Submission		enumeration	Subsequent Submittal Date	
Kind	Value	annotation											
enumeration	As of date												
enumeration	Date of First Submission												
enumeration	Subsequent Submittal Date												
annotation	documentation Description of the provided date such as date of first submission. (see list)												

Procurement Data Standard V2.4 (7/6/2012)

element **CDRLDetailsType/CDRLDates/CDRLDate**

annotation	documentation Date in CCYY-MM-DD format.
------------	---------------------------------------------

element **CDRLDetailsType/CDRLDates/CDRLLeadTime**

annotation	documentation Contract Data Requirements List (CDRL) lead time information.
------------	--------------------------------------------------------------------------------

element **CDRLDetailsType/CDRLDates/AdditionalInformation**

annotation	documentation Contains relevant information that cannot be provided elsewhere.
------------	-----------------------------------------------------------------------------------

element **CDRLDetailsType/ContractorPriceDetails**

annotation	documentation Details about the effort used to develop an estimated data item price. (Reference DD Form 1423)
------------	------------------------------------------------------------------------------------------------------------------

element **CDRLDetailsType/ContractorPriceDetails/PriceGroup**

facets	<table style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 15%;">Kind</th> <th style="width: 15%;">Value</th> <th style="width: 70%;">annotation</th> </tr> </thead> <tbody> <tr> <td>enumeration</td> <td>Group I</td> <td></td> </tr> <tr> <td>enumeration</td> <td>Group II</td> <td></td> </tr> <tr> <td>enumeration</td> <td>Group III</td> <td></td> </tr> <tr> <td>enumeration</td> <td>Group IV</td> <td></td> </tr> </tbody> </table>	Kind	Value	annotation	enumeration	Group I		enumeration	Group II		enumeration	Group III		enumeration	Group IV	
Kind	Value	annotation														
enumeration	Group I															
enumeration	Group II															
enumeration	Group III															
enumeration	Group IV															
annotation	documentation The price group used to develop the estimated price. (see list)															

element **CDRLDetailsType/ContractorPriceDetails/EstimatedTotalPrice**

annotation	documentation The total estimated price attributable to the production or development of the data item for the government.
------------	-------------------------------------------------------------------------------------------------------------------------------

element **CDRLDetailsType/ContractReference**

annotation	documentation The reference to tasking in the procurement instrument that generates the requirements for the data item, for example Statement of Work, paragraph number etc.
------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element **CDRLDetailsType/DistributionDetails**

annotation	documentation To whom and how many copies are to be delivered.
------------	-------------------------------------------------------------------

element **CDRLDetailsType/DistributionStatement**

annotation	documentation For technical data, the requirement for the contractor to mark the appropriate distribution statement on the data.
------------	-------------------------------------------------------------------------------------------------------------------------------------

element **CDRLDetailsType/DistributionStatement/CodeLetter**

facets	<table style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 15%;">Kind</th> <th style="width: 15%;">Value</th> <th style="width: 70%;">annotation</th> </tr> </thead> <tbody> <tr> <td> </td> <td> </td> <td> </td> </tr> </tbody> </table>	Kind	Value	annotation			
Kind	Value	annotation					

Procurement Data Standard V2.4 (7/6/2012)

	enumeration A enumeration B enumeration C enumeration D enumeration E enumeration F enumeration X
annotation	documentation The code letter corresponding to the distribution statement. Refer to DoDD 5230.24 (see list)

element **CDRLDetailsType/DistributionStatement/GovernmentProvided**

facets	Kind Value annotation enumeration true
annotation	documentation Used when the appropriate statement is not known or it may vary among specification submissions of the data item.

element **CDRLDetailsType/DistributionStatement/DistributionStatementText**

annotation	documentation Contains the text of the distribution statement.
------------	-------------------------------------------------------------------

element **CDRLDetailsType/InspectionAcceptance**

annotation	documentation Details about inspection and acceptance.
------------	-----------------------------------------------------------

element **CDRLDetailsType/InspectionAcceptance/TransmittalLetter**

facets	Kind Value annotation enumeration true
annotation	documentation Denotes that a transmittal letter is required.

element **CDRLDetailsType/InspectionAcceptance/TransmittalLetterText**

annotation	documentation Contains the text of the transmittal letter provided by the Government.
------------	------------------------------------------------------------------------------------------

element **CDRLDetailsType/InspectionAcceptance/SourceOrDestination**

annotation	documentation The requirements for the inspection/acceptance of the data item by the government.
------------	-----------------------------------------------------------------------------------------------------

element **CDRLDetailsType/InspectionAcceptance/SourceOrDestination/AdditionalInformation**

annotation	documentation Contains relevant information that cannot be provided elsewhere.
------------	-----------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

complexType **CDRLType**

annotation	documentation CDRL structure.
------------	----------------------------------

element **CDRLType/Exhibit**

facets	Kind Value annotation pattern ([A-HJ-NP-Z]){1} pattern ([A-HJ-NP-Z]){2}
annotation	documentation Enter the first (A-Z) or first two (AA-ZZ) characters of the exhibit line item. Do not use the letter I or O. (Block B)

element **CDRLType/SystemItemSupported**

annotation	documentation Specify the System or item being acquired that the data will support.
------------	----------------------------------------------------------------------------------------

element **CDRLType/CategoryDetails**

annotation	documentation The category details of the data item.
------------	---------------------------------------------------------

element **CDRLType/CategoryDetails/DataCategory**

facets	Kind Value annotation enumeration Technical Data Package (TDP) enumeration Technical Manual (TM) enumeration Other
annotation	documentation The category of data in the CDRL. (see list)

element **CDRLType/CategoryDetails/CategoryDescription**

annotation	documentation When the Category is specified as "Other", provide additional description.
------------	---------------------------------------------------------------------------------------------

element **CDRLType/ParentLineItem**

annotation	documentation The parent contract line item number of the exhibit line item.
------------	---------------------------------------------------------------------------------

element **CDRLType/CDRLDetails**

annotation	documentation The details about a Contract Data Requirements List (CDRL).
------------	------------------------------------------------------------------------------

complexType **ClauseDetailsType**

element **ClauseDetailsType/RegulationOrSupplement**

facets	Kind Value annotation
--------	-----------------------

Procurement Data Standard V2.4 (7/6/2012)

	enumeration AFARS
	enumeration AFFARS
	enumeration AFMC
	enumeration AFSPC
	enumeration DFARS
	enumeration DLAD
	enumeration EFARS
	enumeration FAR
	enumeration NMCARS
	enumeration USSOCOM
	enumeration USTRANSCOM
annotation	documentation Regulation or Supplement name such as FAR, DFARS and AFARS. (see list)

element **ClauseDetailsType/IssuingActivity**

annotation	documentation Issuing Activity name if clause source is not found in the RegulationOrSupplement list. For example, NAVAIR and MICOM.
------------	-----------------------------------------------------------------------------------------------------------------------------------------

element **ClauseDetailsType/ClauseNumber**

annotation	documentation The clause number
------------	------------------------------------

element **ClauseDetailsType/ClauseTitle**

annotation	documentation The Title of the Clause.
------------	-------------------------------------------

element **ClauseDetailsType/ClauseEffectiveDate**

annotation	documentation The year and month the clause became effective. (Use CCYY-MM format, where CC stands for century.)
------------	---------------------------------------------------------------------------------------------------------------------

element **ClauseDetailsType/ClauseVariation**

annotation	documentation Denotes if the clause is an alternate or a deviation.
------------	------------------------------------------------------------------------

element **ClauseDetailsType/ClauseVariation/AlternateOrDeviation**

facets	Kind Value annotation
	enumeration Alternate
	enumeration Deviation
annotation	documentation Denotes whether the clause variation was an alternate or deviation. (see list)

element **ClauseDetailsType/ClauseVariation/VariationName**

annotation	documentation When applicable, the alternate or deviation name. For example, for "Alternate A", value in VariationName would be "A".
------------	-----------------------------------------------------------------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **ClauseDetailsType/ClauseText**

annotation	documentation The complete text or the filled in text of the clause.
------------	-------------------------------------------------------------------------

complexType **ClauseFillinTextType**

annotation	documentation Fill-in text details needed for Referenced Clause, if applicable. Used in ReferenceClauseTextType.
------------	---------------------------------------------------------------------------------------------------------------------

element **ClauseFillinTextType/FillinSequenceNumber**

annotation	documentation The clause fill in sequence number.
------------	------------------------------------------------------

element **ClauseFillinTextType/FillinText**

annotation	documentation The text inserted into the clause as denoted by the Fill In Sequence Number.
------------	-----------------------------------------------------------------------------------------------

complexType **ClauseModificationType**

element **ClauseModificationType/AddedClauses**

annotation	documentation Contains clauses that are added.
------------	---------------------------------------------------

element **ClauseModificationType/DeletedClauses**

annotation	documentation Contains clauses that are removed.
------------	-----------------------------------------------------

element **ClauseModificationType/ChangedClauses**

annotation	documentation Contains clauses that are modified.
------------	------------------------------------------------------

element **ClauseModificationType/ChangedClauses/ClauseChangeText**

annotation	documentation Description of the change to the clause.
------------	-----------------------------------------------------------

element **ClauseModificationType/ChangedClauses/CurrentClause**

annotation	documentation The clause after the changes were applied. The results.
------------	--------------------------------------------------------------------------

element **ClauseModificationType/ChangedClauses/PreviousClause**

annotation	documentation The clause before the changes were applied. The original.
------------	----------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

complexType **ClauseTextType**

annotation	documentation Actual Text of the referenced clause - could be URL and title reference, full text and/or fill-in text.
------------	--------------------------------------------------------------------------------------------------------------------------

element **ClauseTextType/ClauseFullText**

annotation	documentation Complete text of the clause.
------------	-----------------------------------------------

element **ClauseTextType/ClauseFillinText**

annotation	documentation Use this section to provide only the fill-in text as required to complete the clause in the regulation, and apply the clause to this transaction.
------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------

complexType **CLINAccountingDetailType1**

annotation	documentation Not for LOA reference. used other than LOA reference.
------------	------------------------------------------------------------------------

element **CLINAccountingDetailType1/DeliveryReferenceDescription**

facets	<table style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 15%;"></th> <th style="width: 35%;">Kind</th> <th style="width: 35%;">Value</th> <th style="width: 15%; text-align: right;">annotation</th> </tr> </thead> <tbody> <tr> <td></td> <td>enumeration</td> <td>Government Bill of Lading</td> <td></td> </tr> <tr> <td></td> <td>enumeration</td> <td>Transportation Priority Number</td> <td></td> </tr> <tr> <td></td> <td>enumeration</td> <td>Transportation Account Code</td> <td></td> </tr> <tr> <td></td> <td>enumeration</td> <td>Transportation Control Number (TCN)</td> <td></td> </tr> </tbody> </table>		Kind	Value	annotation		enumeration	Government Bill of Lading			enumeration	Transportation Priority Number			enumeration	Transportation Account Code			enumeration	Transportation Control Number (TCN)	
	Kind	Value	annotation																		
	enumeration	Government Bill of Lading																			
	enumeration	Transportation Priority Number																			
	enumeration	Transportation Account Code																			
	enumeration	Transportation Control Number (TCN)																			
annotation	documentation Type of delivery reference. (see list)																				

element **CLINAccountingDetailType1/DeliveryReferenceValue**

annotation	documentation Delivery reference code or number.
------------	-----------------------------------------------------

complexType **ConstructionProjectDetailsType**

element **ConstructionProjectDetailsType/ConstructionProjectLocation**

annotation	documentation The location of the construction project described as text. One or more of Construction Project Location, Construction Project Coordinates, and Construction Project Address must be provided.
------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element **ConstructionProjectDetailsType/ConstructionProjectNumber**

annotation	documentation The construction project number.
------------	---------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **ConstructionProjectDetailsType/ConstructionProjectTitle**

annotation	documentation The title of the construction project.
------------	---------------------------------------------------------

element **ConstructionProjectDetailsType/ConstructionProjectAddress**

annotation	documentation The address of the location of the construction project. One or more of Construction Project Location, Construction Project Coordinates, and Construction Project Address must be provided.
------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element **ConstructionProjectDetailsType/ConstructionProjectCoordinates**

annotation	documentation The latitude and longitude of the construction project. One or more of Construction Project Location, Construction Project Coordinates, and Construction Project Address must be provided.
------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

complexType **ContactType**

annotation	documentation Person contact detail.
------------	-----------------------------------------

element **ContactType/TitleOrFunction**

annotation	documentation The title or function of the person or entity.
------------	-----------------------------------------------------------------

element **ContactType/Name**

annotation	documentation Name of the person or entity.
------------	------------------------------------------------

element **ContactType/Grade**

annotation	documentation The grade of the person when applicable.
------------	-----------------------------------------------------------

element **ContactType/OfficeCode**

annotation	documentation Additional information such as the Org Code that further identifies a contact. For example, "AIR-2.5.2", "SFCA-PC", etc.
------------	-------------------------------------------------------------------------------------------------------------------------------------------

element **ContactType/ContactMethod**

annotation	documentation Means of communication with the contact.
------------	-----------------------------------------------------------

element **ContactType/ContactMethod/MethodDescription**

facets	Kind	Value	annotation
	enumeration	Defense Switch Network Number (DSN)	
	enumeration	Email	
	enumeration	Fax	
	enumeration	File Transfer Protocol (FTP)	

Procurement Data Standard V2.4 (7/6/2012)

	enumeration Telephone
annotation	documentation The method to be used to contact the person or entity. (see list)

element **ContactType/ContactMethod/MethodValue**

annotation	documentation The communications details denoted by the value in Method Description.
------------	-----------------------------------------------------------------------------------------

complexType **ContainerMarksNumbers**

annotation	documentation Marks and Numbers identifying shipping Containers.
------------	---------------------------------------------------------------------

element **ContainerMarksNumbers/MarkOnAll**

annotation	documentation A mark that will appear on all containers or items identically.
------------	----------------------------------------------------------------------------------

element **ContainerMarksNumbers/SingleMark**

annotation	documentation Mark value to be placed on a shipment container or an item.
------------	------------------------------------------------------------------------------

element **ContainerMarksNumbers/MarkRange**

annotation	documentation Range of marks to be applied to the shipment containers or the items.
------------	----------------------------------------------------------------------------------------

complexType **ContractObligatedAmountType**

annotation	documentation Obligated amount structure at header level.
------------	--------------------------------------------------------------

element **ContractObligatedAmountType/ObligatedAmount**

annotation	documentation Obligation amount.
------------	-------------------------------------

element **ContractObligatedAmountType/FinancialReference**

annotation	documentation One or more codes or numbers referencing a funding line. Accounting Classification Reference Number (ACRN) must be provided.
------------	-----------------------------------------------------------------------------------------------------------------------------------------------

element **ContractObligatedAmountType/AccountingIdentifier**

annotation	documentation Where financial data is accounted for.
------------	---------------------------------------------------------

element **ContractObligatedAmountType/LoaDetails**

annotation	documentation Financial information based on a line of accounting.
------------	-----------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **ContractObligatedAmountType/LoaDetails/Blob**

annotation	documentation Use only when the line of accounting cannot be represented by its individual components.
------------	-----------------------------------------------------------------------------------------------------------

element **ContractObligatedAmountType/LoaDetails/LOA**

annotation	documentation The Line Of Accounting represented by its individual components.
------------	-----------------------------------------------------------------------------------

complexType **CountyCityStateType**

element **CountyCityStateType/State**

annotation	documentation Name of the state.
------------	-------------------------------------

element **CountyCityStateType/IndependentCity**

annotation	documentation Name of an independent city within the State.
------------	----------------------------------------------------------------

element **CountyCityStateType/County**

annotation	documentation Name of a county within the State.
------------	-----------------------------------------------------

complexType **CurrencyDetailsType**

element **CurrencyDetailsType/BuyingCurrency**

attributes	Name exchangeRate	Type derived by: xs:float	Use	Default	Fixed	annotation
annotation	documentation The textual name of the foreign currency the procurement instrument is issued in. See ISO 4217 from the International Organization for Standardization for the correct values.					

element **CurrencyDetailsType/PaymentCurrency**

attributes	Name exchangeRate	Type derived by: xs:float	Use	Default	Fixed	annotation
annotation	documentation The textual name of the foreign currency in which payment is authorized and will be made. See ISO 4217 from the International Organization for Standardization for the correct values.					

complexType **CurrencyType**

attributes	Name exchangeRate	Type xs:float	Use	Default 1	Fixed	annotation

enumeration	Lease															
enumeration	Ordering Period															
enumeration	Period of Performance															
annotation	documentation Type of period. (see list)															

element **DatePeriodDescriptionType/StartDate**

annotation	documentation Period start date defined as CCYY-MM-DD
------------	----------------------------------------------------------

element **DatePeriodDescriptionType/EndDate**

annotation	documentation Period end date defined as CCYY-MM-DD
------------	--------------------------------------------------------

complexType **DatePeriodType**

element **DatePeriodType/PeriodStart**

annotation	documentation The starting date of the period.
------------	---------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **DatePeriodType/PeriodEnd**

annotation	documentation The ending date of the period.
------------	-------------------------------------------------

complexType **DatesHeaderOnlyType**

annotation	documentation Dates other than delivery, used in award header only.
------------	------------------------------------------------------------------------

element **DatesHeaderOnlyType/ProcurementInstrumentEffectiveDate**

annotation	documentation Effective date of the procurement instrument. Date in CCYY-MM-DD format.
------------	-------------------------------------------------------------------------------------------

element **DatesHeaderOnlyType/ProcurementInstrumentPeriods**

annotation	documentation A period of time applicable to the procurement instrument.
------------	-----------------------------------------------------------------------------

element **DatesHeaderOnlyType/ContractingOfficer**

annotation	documentation The Contracting officer's name, contact information, and signature date. The signature date is also known as the Award date.
------------	-----------------------------------------------------------------------------------------------------------------------------------------------

element **DatesHeaderOnlyType/ContractorRepresentative**

annotation	documentation The Contractor's name, contact information, and signature date. May only have more than one when Procurement Instrument Form is SF 252.
------------	----------------------------------------------------------------------------------------------------------------------------------------------------------

complexType **DatesModificationHeaderOnlyType**

annotation	documentation Dates other than delivery, used in modification header only.
------------	-------------------------------------------------------------------------------

element **DatesModificationHeaderOnlyType/ProcurementInstrumentEffectiveDate**

annotation	documentation Effective date of the represented procurement instrument. Date in CCYY-MM-DD format.
------------	-------------------------------------------------------------------------------------------------------

element **DatesModificationHeaderOnlyType/ContractingOfficer**

annotation	documentation The Contracting officer's name, contact information, and signature date. The signature date is also known as the Award date.
------------	-----------------------------------------------------------------------------------------------------------------------------------------------

element **DatesModificationHeaderOnlyType/ContractorRepresentative**

annotation	documentation The Contractor's name, contact information, and signature date. May only have more than one when Procurement Instrument Form is SF 252.
------------	----------------------------------------------------------------------------------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

complexType **DateTimeType**

annotation	documentation A generic type for Date and 24 hour clock time with time zone.
------------	---------------------------------------------------------------------------------

element **DateTimeType/DateElement**

annotation	documentation Date in CCYY-MM-DD format.
------------	---------------------------------------------

element **DateTimeType/TimeElement**

annotation	documentation Time including time zone.
------------	--------------------------------------------

element **DateTimeType/TimeElement/TimeElement**

annotation	documentation Time using a 24 hour clock in HH:MI:SS format.
------------	-----------------------------------------------------------------

element **DateTimeType/TimeElement/TimeZone**

complexType **DavisBaconActType**

element **DavisBaconActType/GeneralDecisionNumber**

annotation	documentation
------------	---------------

Procurement Data Standard V2.4 (7/6/2012)

	The DBA wage determination number. Generally numbered with a two-letter state abbreviation (VA), the latest year of publication (03), and the sequential number assigned to the particular wage determination (0001). The resulting wage determination number is VA030001.
--	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element **DavisBaconActType/ModificationNumber**

annotation	documentation The modification number of the wage determination.
------------	---------------------------------------------------------------------

element **DavisBaconActType/PublicationDate**

annotation	documentation The publication date of the wage determination. Date in CCYY-MM-DD format.
------------	---------------------------------------------------------------------------------------------

element **DavisBaconActType/SupersededGeneralDecisionNumber**

annotation	documentation The previous wage determination number that the wage determination provided in GeneralDecisionNumber replaces.
------------	---------------------------------------------------------------------------------------------------------------------------------

element **DavisBaconActType/ModificationList**

annotation	documentation List of modifications to the wage determination provided in GeneralDecisionNumber.
------------	-----------------------------------------------------------------------------------------------------

element **DavisBaconActType/ModificationList/ModificationNumber**

annotation	documentation The number of the modification.
------------	--------------------------------------------------

element **DavisBaconActType/ModificationList/PublicationDate**

annotation	documentation The publication date of the modification. Date in CCYY-MM-DD format.
------------	---------------------------------------------------------------------------------------

element **DavisBaconActType/CountyCityState**

annotation	documentation The counties and cities within a state to which the wage determination applies.
------------	--------------------------------------------------------------------------------------------------

element **DavisBaconActType/ConstructionIdentifier**

annotation	documentation Information on the type of construction to which the wage determination applies.
------------	---------------------------------------------------------------------------------------------------

element **DavisBaconActType/ConstructionIdentifier/ConstructionName**

facets	<table style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 15%;">Kind</th> <th style="width: 40%;">Value</th> <th style="width: 45%;">annotation</th> </tr> </thead> <tbody> <tr> <td>enumeration</td> <td>Building</td> <td></td> </tr> <tr> <td>enumeration</td> <td>Heavy</td> <td></td> </tr> <tr> <td>enumeration</td> <td>Highway</td> <td></td> </tr> <tr> <td>enumeration</td> <td>Residential</td> <td></td> </tr> </tbody> </table>	Kind	Value	annotation	enumeration	Building		enumeration	Heavy		enumeration	Highway		enumeration	Residential

enumeration	Heavy															
enumeration	Highway															
enumeration	Residential															
annotation	documentation Type of construction (see list).															

Procurement Data Standard V2.4 (7/6/2012)

element **DavisBaconActType/ConstructionIdentifier/ConstructionDescription**

annotation	documentation When needed, further information on the type of construction.
------------	--------------------------------------------------------------------------------

element **DavisBaconActType/Occupation**

annotation	documentation Occupation codes, titles, rates and fringes.
------------	---------------------------------------------------------------

element **DavisBaconActType/Occupation/CollectiveBargainingAgreement**

annotation	documentation The collective bargaining agreement for rates, usually made with a union or local organization. For example, ELEC1340-007.
------------	---------------------------------------------------------------------------------------------------------------------------------------------

element **DavisBaconActType/Occupation/DepartmentOfLaborSurvey**

annotation	documentation The number of the survey conducted by the Department of Labor when no collective bargaining agreement is applicable. For example, SUVA1998-0004.
------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------

element **DavisBaconActType/Occupation/AgreementOrSurveyDate**

annotation	documentation The date associated with the OccupationCode. Date in CCYY-MM-DD format.
------------	------------------------------------------------------------------------------------------

element **DavisBaconActType/Occupation/OccupationTitle**

annotation	documentation High level occupation title.
------------	-----------------------------------------------

element **DavisBaconActType/Occupation/OccupationDetail**

annotation	documentation Occupation sub-titles, rates and fringes.
------------	------------------------------------------------------------

element **DavisBaconActType/Occupation/OccupationDetail/OccupationSubTitle**

annotation	documentation The occupation sub-title.
------------	--------------------------------------------

element **DavisBaconActType/Occupation/OccupationDetail/Rate**

annotation	documentation The minimum wage requirement.
------------	------------------------------------------------

element **DavisBaconActType/Occupation/OccupationDetail/Fringe**

annotation	documentation The minimum fringe benefit requirement.
------------	----------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **DavisBaconActType/DavisBaconActText**

annotation	documentation Additional information.

annotation	documentation Identifies the FoB point. (see list)

element **FoBDetailsFINALType/UnitedNationsCode**

facets	Kind Value annotation pattern ([A-Z]){2}([A-Z2-9]){3}
annotation	documentation When the FoBPoint contains "Terminal", provide the 5 position United Nations code for ports and other locations (UN/LOCODE) in accordance with the United Nations Location Code Manual to identify the FoB Point.

complexType **FreeFormAddressType**

element **FreeFormAddressType/AddressLine1**

annotation	documentation The first line of the address.
------------	-------------------------------------------------

element **FreeFormAddressType/AddressLine2**

annotation	documentation The second line of the address if needed.
------------	------------------------------------------------------------

element **FreeFormAddressType/AddressLine3**

annotation	documentation The third line of the address if needed.
------------	-----------------------------------------------------------

element **FreeFormAddressType/AddressLine4**

annotation	documentation The fourth line of the address if needed.
------------	------------------------------------------------------------

complexType **GovernmentEntityOrAgencyType**

element **GovernmentEntityOrAgencyType/GovernmentType**

annotation	documentation The type of government entity or agency.
------------	-----------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **GovernmentEntityOrAgencyType/GovernmentOrganization**

facets	Kind enumeration enumeration enumeration enumeration enumeration enumeration enumeration	Value Airport Authority Council of Government Housing Authorities Public/Tribal Interstate Entity Planning Commission Port Authority Transit Authority	annotation
annotation	documentation Denotes a type of government organization such as Airport Authority. (see list)		

complexType **GovernmentTypeType**

element **GovernmentTypeType/USFederal**

facets	Kind enumeration enumeration	Value Federal Agency Federally Funded Research and Development Corporation	annotation
annotation	documentation Distinguishes between a federally funded research and development corporation or a federal agency when the government type is US Federal. (see list)		

element **GovernmentTypeType/USState**

facets	Kind enumeration	Value true	annotation
annotation	documentation Denotes that the government is a US state government.		

element **GovernmentTypeType/USLocal**

facets	Kind enumeration enumeration enumeration enumeration enumeration enumeration enumeration	Value City County Inter-Municipal Local Government Owned Municipality School District Township	annotation
annotation	documentation Denotes one or more US local government types such as County or School District. (see list)		

element **GovernmentTypeType/Tribal**

facets	Kind enumeration	Value true	annotation
annotation	documentation Denotes that the government is a US tribal government.		

Procurement Data Standard V2.4 (7/6/2012)

element **GovernmentType/Foreign**

facets	Kind enumeration	Value true	annotation
annotation	documentation	Denotes that the government is a foreign (non-US) government.

complexType **LinItemAmountsType**

annotation	documentation Taxes, Obligated Amt with LOA, CIN, Total Line Amt, Percent increase, decrease in Target fee.
------------	----------------------------------------------------------------------------------------------------------------

element **LinItemAmountsType/ItemCurrency**

annotation	documentation Currencies that apply to the line item.
------------	----------------------------------------------------------

element **LinItemAmountsType/Taxes**

annotation	documentation Taxes that apply to the total line item amount.
------------	------------------------------------------------------------------

element **LinItemAmountsType/ItemObligatedAmount**

annotation	documentation Obligated amounts with reference to financial information.
------------	-----------------------------------------------------------------------------

element **LinItemAmountsType/ItemOtherAmounts**

annotation	documentation Amounts other than the obligated amount. Must be provided if Multiple Line Items Information/ Group Other Amounts is not provided for this line item.
------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------

complexType **LinItemBasicInformationType**

annotation	documentation Basic information structure for a line item.
------------	---------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **LinItemBasicInformationType/MiscellaneousTextDetails**

annotation	documentation Text relating to the line item that cannot be captured as discrete elements.
------------	-----------------------------------------------------------------------------------------------

element **LinItemBasicInformationType/OptionLinItem**

facets	<table style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 15%;">Kind</td> <td style="width: 15%;">enumeration</td> <td style="width: 15%;">Value</td> <td style="width: 15%;">false</td> <td style="width: 15%;">annotation</td> </tr> <tr> <td></td> <td>enumeration</td> <td></td> <td>true</td> <td></td> </tr> </table>	Kind	enumeration	Value	false	annotation		enumeration		true	
Kind	enumeration	Value	false	annotation							
	enumeration		true								
annotation	documentation Denotes whether or not the line item is an option line item.										

element **LinItemBasicInformationType/OrderingInformation**

annotation	documentation Ordering information pertinent to the line item.
------------	-------------------------------------------------------------------

element **LinItemBasicInformationType/OrderingInformation/EstimatedQuantity**

annotation	documentation The estimated total quantity to be ordered. The actual order quantity may be higher or lower.
------------	----------------------------------------------------------------------------------------------------------------

element **LinItemBasicInformationType/OrderingInformation/Limits**

annotation	documentation Ordering limits on the line item.
------------	----------------------------------------------------

element **LinItemBasicInformationType/OrderingInformation/OrderVariation**

annotation	documentation Permitted variation in quantity.
------------	---------------------------------------------------

element **LinItemBasicInformationType/PricingArrangement**

annotation	documentation Pricing arrangement type applicable to the line item. (FAR Part 16)
------------	--------------------------------------------------------------------------------------

element **LinItemBasicInformationType/ProductServicesOrdered**

annotation	documentation Details of the product or services ordered.
------------	--------------------------------------------------------------

complexType **LinItemDatesType**

annotation	documentation Date structure for a line item.

element **LoaCodeType/ComponentValue**

annotation	documentation The value of the component listed in Component Title.
------------	------------------------------------------------------------------------

complexType **LoaDetailsType**

annotation	documentation Without originating organization as a separate element.
------------	--------------------------------------------------------------------------

complexType **LocationCoordinatesType**

annotation	documentation The longitude and latitude coordinates of a location.
------------	------------------------------------------------------------------------

element **LocationCoordinatesType/Latitude**

annotation	documentation The location North or South of the Equator.
------------	--------------------------------------------------------------

element **LocationCoordinatesType/Longitude**

annotation	documentation The location East or West of the Prime Meridian.
------------	-------------------------------------------------------------------

complexType **MarkLabelType**

annotation	documentation Identifies the label that should be contained with the mark
------------	------------------------------------------------------------------------------

element **MarkLabelType/MarkValue**

annotation	documentation The text of the mark.
------------	----------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **MarkLabelType/MarkLabel**

annotation	documentation When provided, this is the label that identifies the marking and is part of the marking. For example, "Serial Number:", "Manufacturer Part Number -", etc.
------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------

complexType **MarkRangeType**

element **MarkRangeType/RangeStart**

annotation	documentation Starting number of the sequential range
------------	----------------------------------------------------------

element **MarkRangeType/RangeEnd**

annotation	documentation Ending number of the sequential range
------------	--------------------------------------------------------

element **MarkRangeType/MarkLabel**

annotation	documentation When provided, this is the label that identifies the marking and is part of the marking. For example, "Serial Number:", "Manufacturer Part Number -", etc.
------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------

complexType **MiscellaneousTextDetailsType**

annotation	documentation Free form text and the UCF section it belongs to.
------------	--------------------------------------------------------------------

element **MiscellaneousTextDetailsType/MiscellaneousText**

annotation	documentation Text associated with a particular section from the Federal Uniform Contract Format (UCF).
------------	------------------------------------------------------------------------------------------------------------

complexType **MiscellaneousTextModificationType**

annotation	documentation Miscellaneous text used in an award modification document.
------------	-----------------------------------------------------------------------------

element **MiscellaneousTextModificationType/AddedMiscellaneousText**

annotation	documentation Contains the miscellaneous text for a section that is added.
------------	-------------------------------------------------------------------------------

element **MiscellaneousTextModificationType/DeletedMiscellaneousText**

annotation	documentation Contains the miscellaneous text for a section that is removed.
------------	---------------------------------------------------------------------------------

element **MiscellaneousTextModificationType/ChangedMiscellaneousText**

annotation	documentation Contains the miscellaneous text for a section that is modified.
------------	----------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element

MiscellaneousTextModificationType/ChangedMiscellaneousText/MiscellaneousTextChangeText

annotation	documentation Description of the change to the miscellaneous text.
------------	-----------------------------------------------------------------------

element MiscellaneousTextModificationType/ChangedMiscellaneousText/CurrentMiscellaneousText

annotation	documentation The miscellaneous text after the changes were applied. The results.
------------	--------------------------------------------------------------------------------------

element MiscellaneousTextModificationType/ChangedMiscellaneousText/PreviousMiscellaneousText

annotation	documentation The miscellaneous text before the changes were applied. The original.

element

MultipleLineItemsInformationModificationType/GroupAddresses/BothListAndAddressChange/LineItemListChange

annotation	documentation Records line items that have been added, removed, or modified.
------------	---------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupAddresses/BothListAndAddressChange/AddressChange

annotation	documentation Records address information that has been added, removed, or modified.
------------	-----------------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupClauses**

annotation	documentation Changes to clauses that apply to a group of contract line items. Include changes to the group of procurement instrument line items.
------------	------------------------------------------------------------------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupClauses/LineItemListChangeOnly**

annotation	documentation Use when the only change for a clause group is to the list of line items. The clauses are unchanged.
------------	-----------------------------------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupClauses/ClauseChangeOnly**

annotation	documentation Use when the only change is to the set of clauses. The line item list is unchanged.
------------	------------------------------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **MultipleLineItemsInformationModificationType/GroupClauses/ClauseChangeOnly/LineItemList**

annotation	documentation The line item list to which the clauses being modified are associated.
------------	-----------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupClauses/ClauseChangeOnly/ClauseModification

annotation	documentation Records clauses that have been added, removed, or modified.
------------	------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupClauses/BothListAndClauseChange**

annotation	documentation Use when both the clauses and the line item list of the group changes.
------------	-----------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupClauses/BothListAndClauseChange/LineItemList Change

annotation	documentation Records line items that have been added, removed, or modified.
------------	---------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupClauses/BothListAndClauseChange/ClauseModification

annotation	documentation Records clauses that have been added, removed, or modified.
------------	------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupDiscounts**

annotation	documentation Changes to discounts that apply to a group of procurement instrument line items.
------------	---------------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupDiscounts/LineItemListChangeOnly**

annotation	documentation Use when the only change for a discount group is to the list of line items. The discounts are unchanged.
------------	---------------------------------------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupDiscounts/ItemDiscountsChangeOnly**

annotation	documentation Use when the only change is to the set of item discounts. The line item list is unchanged.
------------	-------------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupDiscounts/ItemDiscountsChangeOnly/LineItemList

annotation	documentation The line item list to which the discounts being modified are associated.
------------	-------------------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element

MultipleLineItemsInformationModificationType/GroupDiscounts/ItemDiscountsChangeOnly/ItemDiscountsModification

annotation	documentation Records discounts that have been added, removed, or modified.
------------	--------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupDiscounts/BothListAndItemDiscountChange

annotation	documentation Use when both the discounts and the line item list of the group changes.
------------	-------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupDiscounts/BothListAndItemDiscountChange/LineItemListChange

annotation	documentation Records line items that have been added, removed, or modified.
------------	---------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupDiscounts/BothListAndItemDiscountChange/ItemDiscountsModification

annotation	documentation Records discounts that have been added, removed, or modified.
------------	--------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupLaborRates**

annotation	documentation Changes to labor rates that apply to a group of procurement instrument line items.
------------	-----------------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupLaborRates/LineItemListChangeOnly**

annotation	documentation Use when the only change for a labor rates group is to the list of line items. The labor rates are unchanged.
------------	--------------------------------------------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupLaborRates/LaborRatesChangeOnly**

annotation	documentation Use when the only change is to the labor rates. The line item list is unchanged.
------------	---------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupLaborRates/LaborRatesChangeOnly/LineItemList

annotation	documentation The line item list to which the labor rates being modified are associated.
------------	---------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupLaborRates/LaborRatesChangeOnly/LaborRatesModification

annotation	documentation Records labor rates that have been added, removed, or modified.
------------	----------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element

MultipleLineItemsInformationModificationType/GroupLaborRates/BothListAndLaborRatesChange

annotation	documentation Use when both the labor rates and the line item list of the group labor rates changes.
------------	---------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupLaborRates/BothListAndLaborRatesChange/LineItemListChange

annotation	documentation Records line items that have been added, removed, or modified.
------------	---------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupLaborRates/BothListAndLaborRatesChange/LaborRatesModification

annotation	documentation Records labor rates that have been added, removed, or modified.
------------	----------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupMiscellaneousText**

annotation	documentation Changes to miscellaneous text that applies to a group of procurement instrument line items.
------------	--------------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupMiscellaneousText/LineItemListChangeOnly

annotation	documentation Use when the only change for a miscellaneous text group is to the list of line items. The miscellaneous text is unchanged.
------------	---------------------------------------------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupMiscellaneousText/MiscellaneousTextChangeOnly

annotation	documentation Use when the only change is to the miscellaneous text. The line item list is unchanged.
------------	----------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupMiscellaneousText/MiscellaneousTextChangeOnly/LineItemList

annotation	documentation The line item list to which the miscellaneous text being modified is associated.
------------	---------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupMiscellaneousText/MiscellaneousTextChangeOnly/MiscellaneousTextModification

annotation	documentation Records miscellaneous text that has been added, removed, or modified.
------------	----------------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element

MultipleLineItemsInformationModificationType/GroupMiscellaneousText/BothListAndMiscellaneousTextChange

annotation	documentation Use when both the miscellaneous text and the line item list of the group changes.
------------	----------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupMiscellaneousText/BothListAndMiscellaneousTextChange/LineItemChange

annotation	documentation Records line items that have been added, removed, or modified.
------------	---------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupMiscellaneousText/BothListAndMiscellaneousTextChange/MiscellaneousTextModification

annotation	documentation Records miscellaneous text that has been added, removed, or modified.
------------	----------------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupOtherAmounts**

annotation	documentation Changes to amounts other than obligated amounts that apply to a group of procurement instrument line items.
------------	------------------------------------------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupOtherAmounts/LineItemListChangeOnly**

annotation	documentation Use when the only change for an other amounts group is to the list of line items. The other amounts are unchanged.
------------	-------------------------------------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupOtherAmounts/OtherAmountsChangeOnly

annotation	documentation Use when the only change is to the other amounts. The line item list is unchanged.
------------	-----------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupOtherAmounts/OtherAmountsChangeOnly/LineItemList

annotation	documentation The line item list to which the other amounts being modified is associated.
------------	----------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupOtherAmounts/OtherAmountsChangeOnly/OtherAmountsModification

attributes	Name	Type	Use	Default	Fixed	annotation
	changeFlag	ChangeListType-All	optional			
	changeText	xs:string	optional			
	previousAmountDescription	AmountDescriptionType	optional			

Procurement Data Standard V2.4 (7/6/2012)

	previousAmount	DecimalElement5OverZeroType	optional
	deltaAmount	DecimalElement5Type	optional
	previousTargetFeePercentIncrease	DecimalElement5OverZeroType	optional
	previousTargetFeePercentDecrease	DecimalElement5OverZeroType	optional
annotation	documentation Records the other amounts that has been added, removed, or modified.		

element

MultipleLineItemsInformationModificationType/GroupOtherAmounts/BothListAndOtherAmountsChange

annotation	documentation Use when both the other amounts and the line item list of the group changes.
------------	-----------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupOtherAmounts/BothListAndOtherAmountsChange/LineItemListChange

annotation	documentation Records line items that have been added, removed, or modified.
------------	---------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupOtherAmounts/BothListAndOtherAmountsChange/OtherAmountsModification

attributes	Name	Type	Use	Default	Fixed	annotation
	changeFlag	ChangeListType-All	optional			
	changeText	xs:string	optional			
	previousAmountDescription	AmountDescriptionType	optional			
	previousAmount	DecimalElement5OverZeroType	optional			
	deltaAmount	DecimalElement5Type	optional			
	previousTargetFeePercentIncrease	DecimalElement5OverZeroType	optional			
	previousTargetFeePercentDecrease	DecimalElement5OverZeroType	optional			
annotation	documentation Records the other amounts that has been added, removed, or modified.					

element **MultipleLineItemsInformationModificationType/GroupReplacementPrice**

annotation	documentation Changes to the replacement price that apply to a group of procurement instrument line items.
------------	---------------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupReplacementPrice/LineItemListChangeOnly

annotation	documentation Use when the only change for a replacement price group is to the list of line items. The replacement price is unchanged.
------------	-------------------------------------------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupReplacementPrice/ReplacementPriceChangeOnly

annotation	documentation Use when the only change is to the replacement price. The line item list is unchanged.
------------	---------------------------------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element

MultipleLineItemsInformationModificationType/GroupReplacementPrice/ReplacementPriceChangeOnly/LineItemList

annotation	documentation The line item list to which the replacement price being modified is associated.
------------	--------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupReplacementPrice/ReplacementPriceChangeOnly/ReplacementPriceModification

annotation	documentation Records the replacement price that has been added, removed, or modified.
------------	-------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupReplacementPrice/BothListAndReplacementPriceChange

annotation	documentation Use when both the replacement price and the line item list of the group replacement price changes.
------------	---------------------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupReplacementPrice/BothListAndReplacementPriceChange/LineItemListChange

annotation	documentation Records line items that have been added, removed, or modified.
------------	---------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupReplacementPrice/BothListAndReplacementPriceChange/ReplacementPriceModification

annotation	documentation Records the replacement price that has been added, removed, or modified.
------------	-------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupRequirementsDescription**

annotation	documentation Changes to Requirements Descriptions that apply to a group of procurement instrument line items. Uniform Contract Format (UCF) Section C. Any description or specifications needed in addition to UCF Section B. (This carries statements of objectives, performance work statements, statements of work and similar text descriptions when not separated in an attachment. Specific numbered specifications, standards, and other standardized descriptive data is handled separately under Product or Service Identifiers and Reference Numbers)
------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupRequirementsDescription/LineItemListChangeOnly

annotation	documentation Use when the only change for a requirements description group is to the list of line items. The requirements description is unchanged.
------------	---------------------------------------------------------------------------------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element

MultipleLineItemsInformationModificationType/GroupRequirementsDescription/RequirementsDescriptionChangeOnly

annotation	documentation Use when the only change is to the requirements description. The line item list is unchanged.
------------	----------------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupRequirementsDescription/RequirementsDescriptionChangeOnly/LineItemList

annotation	documentation The line item list to which the requirements description being modified is associated.
------------	---------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupRequirementsDescription/RequirementsDescriptionChangeOnly/RequirementsDescriptionModification

attributes	Name	Type	Use	Default	Fixed	annotation
	changeFlag	ChangeListType-All	optional			
	changeText	xs:string	optional			
	previousValue	xs:string	optional			
annotation	documentation Records a requirements description that has been added, removed, or modified.					

element

MultipleLineItemsInformationModificationType/GroupRequirementsDescription/BothListAndRequirementsDescriptionChange

annotation	documentation Use when both the requirements description and the line item list of the group changes.
------------	----------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupRequirementsDescription/BothListAndRequirementsDescriptionChange/LineItemListChange

annotation	documentation Records line items that have been added, removed, or modified.
------------	---------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupRequirementsDescription/BothListAndRequirementsDescriptionChange/RequirementsDescriptionModification

attributes	Name	Type	Use	Default	Fixed	annotation
	changeFlag	ChangeListType-All	optional			
	changeText	xs:string	optional			
	previousValue	xs:string	optional			
annotation	documentation Records a requirements description that has been added, removed, or modified.					

element **MultipleLineItemsInformationModificationType/GroupShareRatio**

annotation	documentation Changes to the share ratio that applies to a group of procurement instrument line items.
------------	-----------------------------------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **MultipleLineItemsInformationModificationType/GroupShareRatio/LineItemListChangeOnly**

annotation	documentation Use when the only change for a share ratio group is to the list of line items. The share ratio is unchanged.
------------	-------------------------------------------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupShareRatio/ShareRatioChangeOnly**

annotation	documentation Use when the only change is to the share ratio. The line item list is unchanged.
------------	---------------------------------------------------------------------------------------------------

element
MultipleLineItemsInformationModificationType/GroupShareRatio/ShareRatioChangeOnly/LineItemList

annotation	documentation The line item list to which the share ratio being modified is associated.
------------	--------------------------------------------------------------------------------------------

element
MultipleLineItemsInformationModificationType/GroupShareRatio/ShareRatioChangeOnly/ItemShareRatioModification

annotation	documentation Records the share ratio that has been added, removed, or modified.
------------	-------------------------------------------------------------------------------------

element
MultipleLineItemsInformationModificationType/GroupShareRatio/BothListAndShareRatioChange

annotation	documentation Use when both the share ratio and the line item list of the group share ratio changes.
------------	---------------------------------------------------------------------------------------------------------

element
MultipleLineItemsInformationModificationType/GroupShareRatio/BothListAndShareRatioChange/LineItemListChange

annotation	documentation Records line items that have been added, removed, or modified.
------------	---------------------------------------------------------------------------------

element
MultipleLineItemsInformationModificationType/GroupShareRatio/BothListAndShareRatioChange/ShareRatioChange

annotation	documentation Records the share ratio that has been added, removed, or modified.
------------	-------------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupSpecialPricing**

annotation	documentation Changes to the special pricing that apply to a group of procurement instrument line items.
------------	-------------------------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupSpecialPricing/LineItemListChangeOnly**

annotation	documentation Use when the only change for a special pricing group is to the list of line items. The special pricing is unchanged.
------------	---------------------------------------------------------------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element

MultipleLineItemsInformationModificationType/GroupSpecialPricing/SpecialPricingChangeOnly

annotation	documentation Use when the only change is to the special pricing. The line item list is unchanged.
------------	-------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupSpecialPricing/SpecialPricingChangeOnly/LineItem

annotation	documentation The line item list to which the special pricing being modified is associated.
------------	------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupSpecialPricing/SpecialPricingChangeOnly/SpecialPricingChange

annotation	documentation Records the special pricing that has been added, removed, or modified.
------------	-----------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupSpecialPricing/BothListAndSpecialPricingChange

annotation	documentation Use when both the special pricing and the line item list of the group special pricing changes.
------------	-----------------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupSpecialPricing/BothListAndSpecialPricingChange/LineItemListChange

annotation	documentation Records line items that have been added, removed, or modified.
------------	---------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupSpecialPricing/BothListAndSpecialPricingChange/SpecialPricingChange

annotation	documentation Records the special pricing that has been added, removed, or modified.
------------	-----------------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupVariablePricing**

annotation	documentation Changes to variable pricing that applies to a group of procurement instrument line items.
------------	------------------------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupVariablePricing/LineItemListChangeOnly**

annotation	documentation Use when the only change for a variable pricing group is to the list of line items. The variable pricing is unchanged.
------------	-----------------------------------------------------------------------------------------------------------------------------------------

element

Procurement Data Standard V2.4 (7/6/2012)

MultipleLineItemsInformationModificationType/GroupVariablePricing/VariablePricingChangeOnly

annotation	documentation Use when the only change is to the variable pricing. The line item list is unchanged.
------------	--------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupVariablePricing/VariablePricingChangeOnly/LineItem

annotation	documentation The line item list to which the variable pricing being modified is associated.
------------	-------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupVariablePricing/VariablePricingChangeOnly/ItemVariablePricingModification

annotation	documentation Records variable pricing that has been added, removed, or modified.
------------	--------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupVariablePricing/BothListAndVariablePricingChange

annotation	documentation Use when both the variable pricing and the line item list of the group variable pricing changes.
------------	-------------------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupVariablePricing/BothListAndVariablePricingChange/LineItemListChange

annotation	documentation Records line items that have been added, removed, or modified.
------------	---------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupVariablePricing/BothListAndVariablePricingChange/ItemVariablePricingChange

annotation	documentation Records variable pricing that has been added, removed, or modified.
------------	--------------------------------------------------------------------------------------

element MultipleLineItemsInformationModificationType/GroupZonePricing

annotation	documentation Changes to the zone pricing that apply to a group of procurement instrument line items.
------------	----------------------------------------------------------------------------------------------------------

element MultipleLineItemsInformationModificationType/GroupZonePricing/LineItemListChangeOnly

annotation	documentation Use when the only change for a zone pricing group is to the list of line items. The zone pricing is unchanged.
------------	---------------------------------------------------------------------------------------------------------------------------------

element MultipleLineItemsInformationModificationType/GroupZonePricing/ZonePricingChangeOnly

annotation	documentation Use when the only change is to the zone pricing. The line item list is unchanged.
------------	----------------------------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element

MultipleLineItemsInformationModificationType/GroupZonePricing/ZonePricingChangeOnly/LineItemList

annotation	documentation The line item list to which the zone pricing being modified is associated.
------------	---------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupZonePricing/ZonePricingChangeOnly/ZonePricingModification

annotation	documentation Records the zone pricing that has been added, removed, or modified.
------------	--------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupZonePricing/BothListAndZonePricingChange

annotation	documentation Use when both the zone pricing and the line item list of the group zone pricing changes.
------------	-----------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupZonePricing/BothListAndZonePricingChange/LineItemListChange

annotation	documentation Records line items that have been added, removed, or modified.
------------	---------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupZonePricing/BothListAndZonePricingChange/ZonePricingModification

annotation	documentation Records the zone pricing that has been added, removed, or modified.
------------	--------------------------------------------------------------------------------------

element **MultipleLineItemsInformationModificationType/GroupWageDetermination**

annotation	documentation Changes to wage determination that apply to a group of procurement instrument line items.
------------	------------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupWageDetermination/LineItemListChangeOnly

annotation	documentation Use when the only change for a wage determination group is to the list of line items. The wage determination is unchanged.
------------	---------------------------------------------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupWageDetermination/WageDeterminationChangeOnly

annotation	documentation Use when the only change is to the wage determination. The line item list is unchanged.
------------	----------------------------------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element

MultipleLineItemsInformationModificationType/GroupWageDetermination/WageDeterminationChangeOnly/LineItemList

annotation	documentation The line item list to which the zone pricing being modified is associated.
------------	---------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupWageDetermination/WageDeterminationChangeOnly/WageDeterminationDetails

annotation	documentation Wage determination information.
------------	--------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupWageDetermination/BothListAndWageDeterminationChange

annotation	documentation Use when both the wage determination and the line item list of the group wage determination changes.
------------	-----------------------------------------------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupWageDetermination/BothListAndWageDeterminationChange/LineItemListChange

annotation	documentation Records line items that have been added, removed, or modified.
------------	---------------------------------------------------------------------------------

element

MultipleLineItemsInformationModificationType/GroupWageDetermination/BothListAndWageDeterminationChange/WageDeterminationDetails

annotation	documentation Wage determination information.
------------	--------------------------------------------------

complexType **MultipleLineItemsInformationType**

element **MultipleLineItemsInformationType/GroupAddresses**

annotation	documentation Addresses that apply to a group of procurement instrument line items.
------------	----------------------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupAddresses/LineItemList**

annotation	documentation A list of two or more procurement instrument line items.
------------	---------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupAddresses/ItemAddresses**

annotation	documentation Addresses applicable to the line item grouping.
------------	------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **MultipleLineItemsInformationType/GroupClauses**

annotation	documentation One or more clauses that apply to a group of procurement instrument items.
------------	---------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupClauses/LineItemList**

annotation	documentation A list of two or more procurement instrument line items.
------------	---------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupClauses/ItemClauses**

annotation	documentation The details about a clause.
------------	----------------------------------------------

element **MultipleLineItemsInformationType/GroupDiscounts**

annotation	documentation A discount that applies to a group of procurement instrument line items.
------------	-------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupDiscounts/LineItemList**

annotation	documentation A list of two or more procurement instrument line items.
------------	---------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupDiscounts/ItemDiscounts**

annotation	documentation The details about the discount.
------------	--------------------------------------------------

element **MultipleLineItemsInformationType/GroupLaborRates**

annotation	documentation Labor rates that apply to a group of procurement instrument line items.
------------	------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupLaborRates/LineItemList**

annotation	documentation A list of two or more procurement instrument line items.
------------	---------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupLaborRates/LaborRates**

element **MultipleLineItemsInformationType/GroupMiscellaneousText**

annotation	documentation Miscellaneous text that applies to a group of procurement instrument line items.
------------	---------------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupMiscellaneousText/LineItemList**

annotation	documentation A list of two or more procurement instrument line items.
------------	---------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **MultipleLineItemsInformationType/GroupMiscellaneousText/MiscellaneousTextDetails**

annotation	documentation Text relating to the procurement instrument that cannot be captured as discrete elements.
------------	------------------------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupOtherAmounts**

annotation	documentation Amounts other than obligated amounts that apply to a group of procurement instrument line items.
------------	-------------------------------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupOtherAmounts/LineItemList**

annotation	documentation A list of two or more procurement instrument line items.
------------	---------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupOtherAmounts/ItemOtherAmounts**

element **MultipleLineItemsInformationType/GroupReplacementPrice**

annotation	documentation Replacement price that applies to a group of procurement instrument line items.
------------	--------------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupReplacementPrice/LineItemList**

annotation	documentation A list of two or more procurement instrument line items.
------------	---------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupReplacementPrice/ReplacementPrice**

element **MultipleLineItemsInformationType/GroupRequirementsDescription**

annotation	documentation Requirements description that applies to a group of procurement instrument line items.
------------	---------------------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupRequirementsDescription/LineItemList**

annotation	documentation A list of two or more contract line items.
------------	-------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupRequirementsDescription/RequirementsDescription**

annotation	documentation Uniform Contract Format (UCF) Section C. Any description or specifications needed in addition to UCF Section B. (This carries statements of objectives, performance work statements, statements of work and similar text descriptions when not separated in an attachment. Specific numbered specifications, standards, and other standardized descriptive data is handled separately under Product or Service Identifiers and Reference Numbers)
------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupShareRatio**

annotation	documentation Share ratio that applies to a group of procurement instrument line items.
------------	--------------------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **MultipleLineItemsInformationType/GroupShareRatio/LineItemList**

annotation	documentation A list of two or more procurement instrument line items.
------------	---------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupShareRatio/ShareRatio**

element **MultipleLineItemsInformationType/GroupSpecialPricing**

annotation	documentation Special pricing that applies to a group of procurement instrument line items.
------------	------------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupSpecialPricing/LineItemList**

annotation	documentation A list of two or more procurement instrument line items.
------------	---------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupSpecialPricing/SpecialPricing**

element **MultipleLineItemsInformationType/GroupVariablePricing**

annotation	documentation Variable pricing that applies to a group of procurement instrument line items.
------------	-------------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupVariablePricing/LineItemList**

annotation	documentation A list of two or more procurement instrument line items.
------------	---------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupVariablePricing/ItemVariableRangePricing**

annotation	documentation The details about the variable pricing.
------------	----------------------------------------------------------

element **MultipleLineItemsInformationType/GroupZonePricing**

annotation	documentation Zone pricing that applies to a group of procurement instrument line items.
------------	---------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupZonePricing/LineItemList**

annotation	documentation A list of two or more procurement instrument line items.
------------	---------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupZonePricing/ZonePricing**

Procurement Data Standard V2.4 (7/6/2012)

element **MultipleLineItemsInformationType/GroupWageDetermination**

annotation	documentation Wage determination that applies to a group of procurement instrument line items.
------------	---------------------------------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupWageDetermination/LineItemList**

annotation	documentation A list of two or more procurement instrument line items.
------------	---------------------------------------------------------------------------

element **MultipleLineItemsInformationType/GroupWageDetermination/WageDetermination**

complexType **OrderingInformationModificationType**

element **OrderingInformationModificationType/EstimatedQuantity**

attributes	Name	Type	Use	Default	Fixed	annotation
	changeFlag	ChangeListType-All	optional			
	changeText	xs:string	optional			
	previousQuantityValue	DecimalElement5OverZeroType	optional			
	deltaQuantityValue	DecimalElement5Type	optional			
	previousUnitOfMeasure	UnitOfMeasureWithDollarsType	optional			
annotation	documentation The estimated total quantity to be ordered. The actual order quantity may be higher or lower.					

element **OrderingInformationModificationType/Limits**

attributes	Name	Type	Use	Default	Fixed	annotation
	changeFlag	ChangeListType-All				
	changeText	xs:string	optional

Procurement Data Standard V2.4 (7/6/2012)

annotation	documentation The unit of measure. (see list)
------------	--------------------------------------------------

element **OrderVariationType/Percentage**

annotation	documentation Variation expressed as a percentage.
------------	-------------------------------------------------------

element **OrderVariationType/Percentage/PercentUnder**

annotation	documentation Express 4.25% as 4.25
------------	----------------------------------------

element **OrderVariationType/Percentage/PercentOver**

annotation	documentation Express 4.25% as 4.25
------------	----------------------------------------

complexType **OrganizationAddressType**

element **OrganizationAddressType/FreeFormAddress**

annotation	documentation The address in free form text.
------------	-------------------------------------------------

element **OrganizationAddressType/RealPropertyAddress**

annotation	documentation Address structure for real property as defined by the DoD Business Enterprise Architecture (BEA).
------------	--------------------------------------------------------------------------------------------------------------------

element **OrganizationAddressType/USPostalAddress**

complexType **OrganizationDetailType**

annotation	documentation Generic Organization Details - Common for supplier, buyer, contractor etc.
------------	---------------------------------------------------------------------------------------------

element **OrganizationDetailType/OrganizationID**

annotation	documentation Organization Identifier
------------	------------------------------------------

element **OrganizationDetailType/OrganizationNameAddress**

annotation	documentation Required if the organization cannot be identified in the "OrganizationId" with an acceptable alternative.
------------	----------------------------------------------------------------------------------------------------------------------------

complexType **OrganizationIDType**

annotation	documentation Organization ID as pre-defined by various entities. Examples are DUNS, CAGE, DoDAAC etc.
------------	-----------------------------------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

	In accordance with DoD BTA BEA 4.1 OV-7 ORGANIZATION_IDENTIFIER entity.
--	-------------------------------------------------------------------------

element **OrganizationIDType/AustinTetraNumber**

facets	Kind pattern	Value ([0-9]){10}	annotation
annotation	documentation Austin-Tetra Universal Supplier Identification Number (A-T Number).		

element **OrganizationIDType/Cage**

facets	Kind pattern	Value ([0-9A-Z]){5}	annotation
annotation	documentation CAGE: Commercial and Government Entity		

element **OrganizationIDType/CountryCode**

facets	Kind pattern	Value ([A-Z]){3}	annotation
annotation	documentation The three alpha character code of the country. See ISO 3166 from the International Organization for Standardization for the correct values.		

element **OrganizationIDType/DoDAAC**

facets	Kind pattern	Value ([0-9ACE-HJLMNQRSUVWYZ]){1}([0-9A-Z]){5}	annotation
annotation	documentation DODAAC: Department of Defense Activity Address Code.		

element **OrganizationIDType/Duns4Number**

facets	Kind pattern	Value ([0-9]){13}	annotation
annotation	documentation DUNS+4: Data Universal Numbering System identifier with four character suffix.		

element **OrganizationIDType/DunsNumber**

facets	Kind pattern	Value ([0-9]){9}	annotation
annotation	documentation DUNS: Data Universal Numbering System Identifier.		

element **OrganizationIDType/Mapac**

facets	Kind pattern	Value ([BDIPKTX]){1}([0-9A-Z]){5}	annotation
annotation	documentation MAPAC: Military Assistance Program Address Code.		

Procurement Data Standard V2.4 (7/6/2012)

element **OrganizationIDType/UUID**

annotation	documentation UUID: Organization Unique Identifier.
------------	--------------------------------------------------------

element **OrganizationIDType/SocialSecurityNumber**

facets	Kind Value annotation pattern ([0-9]){9}
annotation	documentation Number obtained from the Social Security Administration (SSA) that identifies an individual.

element **OrganizationIDType/EmployerIdentificationNumber**

facets	Kind Value annotation pattern ([0-9]){9}
annotation	documentation An Employer Identification Number (EIN) issued by the IRS and used to identify a business entity. Also known as a federal tax identification number.

element **OrganizationIDType/Zone**

annotation	documentation Delivery Zones: Values include "CONUS", "WORLD".
------------	-------------------------------------------------------------------

element **OrganizationIDType/AlternateIdentifier**

annotation	documentation Use to provide other identifiers that aren't provided as distinct elements.
------------	----------------------------------------------------------------------------------------------

complexType **OrganizationNameAddressType**

annotation	documentation Organization Name and Address generic type.
------------	--------------------------------------------------------------

element **OrganizationNameAddressType/OrganizationName**

annotation	documentation The name of the organization.
------------	------------------------------------------------

element **OrganizationNameAddressType/OrganizationAddress**

annotation	documentation The address of the organization.
------------	---------------------------------------------------

element **OrganizationNameAddressType/OrganizationCoordinates**

annotation	documentation The longitude and latitude coordinates of the address.
------------	-------------------------------------------------------------------------

complexType **OtherDiscountsType**

Procurement Data Standard V2.4 (7/6/2012)

element **OtherDiscountsType/OtherDiscountDescription**

facets	Kind	Value	annotation
	enumeration	General Discount	
	enumeration	Credit Card Payment Discount	
annotation	documentation	Type of general discount. (see list)	

element **OtherDiscountsType/Discount**

annotation	documentation	The discount to be applied.
------------	---------------	-----------------------------

complexType **PackagingMarkingLoadingType**

annotation	documentation	High level Packaging requirements.
------------	---------------	------------------------------------

element **PackagingMarkingLoadingType/PackagingDescription**

facets	Kind	Value	annotation
	enumeration	Cleaning or Drying Procedure	
	enumeration	Cushioning Thickness	
	enumeration	Cushioning and Dunnage

annotation	documentation Currencies that apply to the procurement instrument.		

element **ProcurementInstrumentAmountsModificationType/TaxesModificationDetails**

annotation	documentation Changes to taxes that apply to the total order amount.
------------	-------------------------------------------------------------------------

element **ProcurementInstrumentAmountsModificationType/TaxesModificationDetails/AddedTaxes**

annotation	documentation Contains taxes that are added.
------------	-------------------------------------------------

element **ProcurementInstrumentAmountsModificationType/TaxesModificationDetails/DeletedTaxes**

annotation	documentation Contains taxes that are removed.
------------	---------------------------------------------------

element **ProcurementInstrumentAmountsModificationType/TaxesModificationDetails/ChangedTaxes**

annotation	documentation Contains taxes that are modified.
------------	----------------------------------------------------

element **ProcurementInstrumentAmountsModificationType/TaxesModificationDetails/ChangedTaxes/TaxesChangeText**

annotation	documentation Description of the change to the tax.
------------	--------------------------------------------------------

element **ProcurementInstrumentAmountsModificationType/TaxesModificationDetails/ChangedTaxes/CurrentTax**

annotation	documentation The tax after the change was applied. The result.
------------	--------------------------------------------------------------------

element **ProcurementInstrumentAmountsModificationType/TaxesModificationDetails/ChangedTaxes/PreviousTax**

annotation	documentation The tax before the change was applied. The original.
------------	-----------------------------------------------------------------------

element **ProcurementInstrumentAmountsModificationType/ObligatedAmountsModificationDetails**

annotation	documentation Changes to obligation amounts.
------------	-------------------------------------------------

element **ProcurementInstrumentAmountsModificationType/ObligatedAmountsModificationDetails/AddedObligation**

Procurement Data Standard V2.4 (7/6/2012)

edAmounts

annotation	documentation Contains obligated amounts that are added.
------------	-------------------------------------------------------------

element

ProcurementInstrumentAmountsModificationType/ObligatedAmountsModificationDetails/DeletedObligatedAmounts

annotation	documentation Used when obligated amount is reduced to zero because of the modification.
------------	---------------------------------------------------------------------------------------------

element

ProcurementInstrumentAmountsModificationType/ObligatedAmountsModificationDetails/ChangedObligatedAmounts

annotation	documentation Used to record changes to an exiting obligated amount and/or associated information that does not result in a zero obligated amount.
------------	-------------------------------------------------------------------------------------------------------------------------------------------------------

element

ProcurementInstrumentAmountsModificationType/ObligatedAmountsModificationDetails/ChangedObligatedAmounts/ObligatedAmountsChangeText

annotation	documentation Description of the change to the obligated amount.
------------	---------------------------------------------------------------------

element

ProcurementInstrumentAmountsModificationType/ObligatedAmountsModificationDetails/ChangedObligatedAmounts/ObligatedAmountDelta

annotation	documentation The change in the obligated amount. If no change, enter zero. If the current obligated amount is less then the previous obligated amount, enter a negative number.
------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element

ProcurementInstrumentAmountsModificationType/ObligatedAmountsModificationDetails/ChangedObligatedAmounts/CurrentObligatedAmount

annotation	documentation The obligated amount after the change was applied. The result.
------------	---------------------------------------------------------------------------------

element

ProcurementInstrumentAmountsModificationType/ObligatedAmountsModificationDetails/ChangedObligatedAmounts/PreviousObligatedAmount

annotation	documentation The obligated amount before the change was applied. The original.

complexType **ProcurementInstrumentAmountsType**

annotation	documentation Award amount structure
------------	-----------------------------------------

element **ProcurementInstrumentAmountsType/HeaderCurrency**

annotation	documentation Currencies that apply to the procurement instrument.
------------	-----------------------------------------------------------------------

element **ProcurementInstrumentAmountsType/Taxes**

annotation	documentation Taxes that apply to the total order amount.
------------	--------------------------------------------------------------

element **ProcurementInstrumentAmountsType/ObligatedAmounts**

annotation	documentation Obligation amount. Must be greater than zero.
------------	----------------------------------------------------------------

element **ProcurementInstrumentAmountsType/OtherAmounts**

annotation	documentation Amounts other than obligated amounts.
------------	--------------------------------------------------------

complexType **ProcurementInstrumentHeaderDetails**

annotation	documentation Data common to the entire award procurement instrument.
------------	--------------------------------------------------------------------------

element **ProcurementInstrumentHeaderDetails/ProcurementInstrumentIdentifier**

annotation	documentation Unique Identifier for a procurement instrument.
------------	------------------------------------------------------------------

element **ProcurementInstrumentHeaderDetails/BasicInformation**

annotation	documentation Miscellaneous procurement instrument information.
------------	--------------------------------------------------------------------

element **ProcurementInstrumentHeaderDetails/ClauseInformation**

annotation	documentation Clause information that applies to the procurement instrument.
------------	---------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **ProcurementInstrumentHeaderDetails/ClauseInformation/RegulationURL**

annotation	documentation The URL where the text of the clauses in a Regulation, Supplement, or Issuing Agency can be found.
------------	---------------------------------------------------------------------------------------------------------------------

element **ProcurementInstrumentHeaderDetails/ClauseInformation/ClauseDetails**

annotation	documentation Information about a clause.
------------	----------------------------------------------

element **ProcurementInstrumentHeaderDetails/ConstructionProjectDetails**

annotation	documentation Information about one or more projects in a construction contract. May only be used when Procurement Instrument Form is SF 1442 or SF 252
------------	------------------------------------------------------------------------------------------------------------------------------------------------------------

element **ProcurementInstrumentHeaderDetails/ProcurementInstrumentDates**

annotation	documentation Dates and date period applicable to the procurement instrument.
------------	----------------------------------------------------------------------------------

element **ProcurementInstrumentHeaderDetails/ProcurementInstrumentAddresses**

annotation	documentation Addresses applicable to the procurement instrument.
------------	----------------------------------------------------------------------

element **ProcurementInstrumentHeaderDetails/ProcurementInstrumentAmounts**

annotation	documentation Amounts and pricing that impact the entire procurement instrument.
------------	-------------------------------------------------------------------------------------

element **ProcurementInstrumentHeaderDetails/DeliveryDetails**

annotation	documentation Delivery details including dates that impact the entire procurement instrument.
------------	--------------------------------------------------------------------------------------------------

element **ProcurementInstrumentHeaderDetails/MultipleLineItemsInformation**

annotation	documentation Provides selected information such as clauses, discounts, etc that is applicable to a subset of the procurement instrument line items.
------------	---------------------------------------------------------------------------------------------------------------------------------------------------------

element **ProcurementInstrumentHeaderDetails/OrderingDiscounts**

annotation	documentation Discounts applicable to the award instrument.
------------	----------------------------------------------------------------

element **ProcurementInstrumentHeaderDetails/PaymentDiscount**

annotation	documentation Payment discount information.
------------	------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **ProcurementInstrumentHeaderDetails/ProcurementInstrumentAttachments**

annotation	documentation Identifies paperwork that is required to be attached to the procurement instrument.
------------	------------------------------------------------------------------------------------------------------

element **ProcurementInstrumentHeaderDetails/RecurringPayments**

annotation	documentation Recurring payments of a fixed amount that occur on a specified schedule such as rent.
------------	--------------------------------------------------------------------------------------------------------

element **ProcurementInstrumentHeaderDetails/ReferenceNumber**

annotation	documentation Use to provide numbers referencing documents (MIPR, SOW, GBL, Requisition etc). Numbers (FMS Case, Package, Drawing etc), Codes (FSC, Project, Weapon System, etc.) and other Reference Values.
------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element **ProcurementInstrumentHeaderDetails/SecurityDetails**

annotation	documentation Information about a DD Form 254.
------------	---------------------------------------------------

element **ProcurementInstrumentHeaderDetails/ServiceAllowanceCharges**

annotation	documentation Services, Allowances and Charges.
------------	----------------------------------------------------

element **ProcurementInstrumentHeaderDetails/Shipping**

annotation	documentation Information pertaining to shipments.
------------	-------------------------------------------------------

element **ProcurementInstrumentHeaderDetails/RequirementsDescription**

annotation	documentation Uniform Contract Format (UCF) Section C. Any description or specifications needed in addition to UCF Section B. (This carries statements of objectives, performance work statements, statements of work and similar text descriptions when not separated in an attachment. Specific numbered specifications, standards, and other standardized descriptive data is handled separately under Product or Service Identifiers and Reference Numbers)
------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element **ProcurementInstrumentHeaderDetails/WageDeterminationDetails**

annotation	documentation Wage determination information.
------------	--------------------------------------------------

complexType **ProcurementInstrumentHeaderModificationDetails**

annotation	documentation Data common to the entire award modification procurement instrument.
------------	---------------------------------------------------------------------------------------

element **ProcurementInstrumentHeaderModificationDetails/ProcurementInstrumentIdentifier**

attribute	Name	Type	Use	Default	Fixed	annotation

annotation	documentation Unique Identifier for a procurement instrument.		

element **ProcurementInstrumentHeaderModificationDetails/BasicInformation**

annotation	documentation Miscellaneous procurement instrument information.
------------	--------------------------------------------------------------------

element **ProcurementInstrumentHeaderModificationDetails/ClauseInformation**

annotation	documentation Clause information that applies to the procurement instrument.
------------	---------------------------------------------------------------------------------

element **ProcurementInstrumentHeaderModificationDetails/ClauseInformation/RegulationURL**

attributes	Name	Type	Use	Default	Fixed	annotation
	changeFlag	ChangeListType-AddDelete	optional			
annotation	documentation The URL where the text of the clauses in a Regulation, Supplement, or Issuing Agency can be found.					

element

ProcurementInstrumentHeaderModificationDetails/ClauseInformation/ClauseModificationDetails

annotation	documentation Records clauses that have been added, removed, or modified.
------------	------------------------------------------------------------------------------

element **ProcurementInstrumentHeaderModificationDetails/ConstructionProjectModificationDetails**

annotation	documentation Records construction project details that have been added, removed, or modified.
------------	---------------------------------------------------------------------------------------------------

element

Procurement Data Standard V2.4 (7/6/2012)

ProcurementInstrumentHeaderModificationDetails/ConstructionProjectModificationDetails/AddedConstructionProject

annotation	documentation Contains construction project information that is added.
------------	---------------------------------------------------------------------------

element

ProcurementInstrumentHeaderModificationDetails/ConstructionProjectModificationDetails/DeletedConstructionProject

annotation	documentation Contains construction project information that is deleted.
------------	-----------------------------------------------------------------------------

element

ProcurementInstrumentHeaderModificationDetails/ConstructionProjectModificationDetails/ChangedConstructionProject

annotation	documentation Contains construction project information that is modified.
------------	------------------------------------------------------------------------------

element

ProcurementInstrumentHeaderModificationDetails/ConstructionProjectModificationDetails/ChangedConstructionProject/ConstructionProjectChangeText

annotation	documentation Description of the change to the construction project information.
------------	-------------------------------------------------------------------------------------

element

ProcurementInstrumentHeaderModificationDetails/ConstructionProjectModificationDetails/ChangedConstructionProject/CurrentConstructionProject

annotation	documentation The construction project information after the changes were applied. The results.
------------	----------------------------------------------------------------------------------------------------

element

ProcurementInstrumentHeaderModificationDetails/ConstructionProjectModificationDetails/ChangedConstructionProject/PreviousConstructionProject

annotation	documentation The construction project information before the changes were applied. The original.
------------	------------------------------------------------------------------------------------------------------

element ProcurementInstrumentHeaderModificationDetails/ModificationDetails

annotation	documentation Information pertinent to the award modification procurement instrument.
------------	------------------------------------------------------------------------------------------

element

ProcurementInstrumentHeaderModificationDetails/ModificationDetails/DocumentsBeingModified

annotation	documentation The procurement instrument number(s) of the award or one or both of the ACO Modification and PCO Modification to which the modification is being applied.
------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element

Procurement Data Standard V2.4 (7/6/2012)

ProcurementInstrumentHeaderModificationDetails/ModificationDetails/DocumentsBeingModified/DocumentBeingModified

annotation	documentation The procurement instrument number whose Procurement Instrument Effective Date and/or Procurement Instrument Periods are being changed.
------------	---------------------------------------------------------------------------------------------------------------------------------------------------------

element

ProcurementInstrumentHeaderModificationDetails/ModificationDetails/DocumentsBeingModified/DocumentBeingModifiedSignedDate

annotation	documentation The signature date of the document being modified in CCYY-MM-DD format.
------------	------------------------------------------------------------------------------------------

element **ProcurementInstrumentHeaderModificationDetails/ModificationDetails/ModificationDescription**

annotation	documentation A short text description of the purpose and content of the modification.
------------	-------------------------------------------------------------------------------------------

element **ProcurementInstrumentHeaderModificationDetails/ModificationDetails/ModificationReason**

facets	Kind	Value	annotation
	enumeration	Additional Work

Procurement Data Standard V2.4 (7/6/2012)

element **ProcurementInstrumentHeaderModificationDetails/ModificationDetails/ProjectNumber**

annotation	documentation The project number.
------------	--------------------------------------

element

ProcurementInstrumentHeaderModificationDetails/ModificationDetails/PurchaseRequisitionNumber

annotation	documentation The purchase requisition number.
------------	---------------------------------------------------

element **ProcurementInstrumentHeaderModificationDetails/ModificationDetails/ModificationAddresses**

annotation	documentation The addresses of the issuing office and the contractor. If applicable, provide the address of the administrative office.
------------	-------------------------------------------------------------------------------------------------------------------------------------------

element **ProcurementInstrumentHeaderModificationDetails/ModificationDetails/ModificationAuthority**

annotation	documentation Authorization and contractor signature requirement for the modification.
------------	-------------------------------------------------------------------------------------------

element

ProcurementInstrumentHeaderModificationDetails/ModificationDetails/ModificationAuthority/ContractorSignatureRequired

facets	Kind enumeration enumeration	Value false true	annotation
annotation	documentation States whether or not the contractor is required to sign the modification document.		

element

ProcurementInstrumentHeaderModificationDetails/ModificationDetails/ModificationAuthority/ChangeOrderAuthority

annotation	documentation The authority under which the change order is issued.
------------	------------------------------------------------------------------------

element

ProcurementInstrumentHeaderModificationDetails/ModificationDetails/ModificationAuthority/AdministrativeChanges

facets	Kind enumeration	Value true	annotation
annotation	documentation Denotes that the modification was made to reflect administrative changes pursuant to the authority of FAR 43.103(b)		

element

ProcurementInstrumentHeaderModificationDetails/ModificationDetails/ModificationAuthority/SupplementalAgreementAuthority

annotation	documentation The authority under which the supplemental agreement is entered.
------------	-----------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element

ProcurementInstrumentHeaderModificationDetails/ModificationDetails/ModificationAuthority/OtherAuth ority

annotation	documentation The type of modification and authority if not covered by a Change Order, Supplemental Agreement, or Administrative Changes authority.
------------	--------------------------------------------------------------------------------------------------------------------------------------------------------

ProcurementInstrumentHeaderModificationDetails/ModifiedProcurementInstrumentDates

annotation	documentation Changes to dates and date periods applicable to the procurement instrument(s) being modified.
------------	----------------------------------------------------------------------------------------------------------------

ProcurementInstrumentHeaderModificationDetails/ProcurementInstrumentDates

annotation	documentation Effective Date and signatures applicable to the represented procurement instrument.
------------	------------------------------------------------------------------------------------------------------

ProcurementInstrumentHeaderModificationDetails/ProcurementInstrumentAddresses

annotation	documentation Addresses applicable to the procurement instrument.
------------	----------------------------------------------------------------------

ProcurementInstrumentHeaderModificationDetails/ProcurementInstrumentAmounts

annotation	documentation Amounts and pricing that impact the entire procurement instrument.
------------	-------------------------------------------------------------------------------------

ProcurementInstrumentHeaderModificationDetails/DeliveryDetails

annotation	documentation Delivery details including dates that impact the entire procurement instrument.
------------	--------------------------------------------------------------------------------------------------

ProcurementInstrumentHeaderModificationDetails/MultipleLineItemsInformation

annotation	documentation Provides selected information such as clauses, discounts, etc that is applicable to a subset of the procurement instrument line items.
------------	---------------------------------------------------------------------------------------------------------------------------------------------------------

ProcurementInstrumentHeaderModificationDetails/OrderingDiscounts

annotation	documentation Discounts applicable to the award instrument.
------------	----------------------------------------------------------------

ProcurementInstrumentHeaderModificationDetails/PaymentDiscount

annotation	documentation Payment discount information.
------------	------------------------------------------------

ProcurementInstrumentHeaderModificationDetails/PaymentDiscount/AddedPaymentDiscounts

annotation	documentation Contains payment discount information that was added.
------------	------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element

ProcurementInstrumentHeaderModificationDetails/PaymentDiscount/DeletedPaymentDiscounts

annotation	documentation Contains payment discount information that was removed.

annotation	documentation One digit code that identifies the type of procurement instrument. (see list)

element **ProcurementInstrumentNumberFormatType/SerializedIdentifier**

facets	Kind Value annotation pattern ([1-9A-HJ-NP-Z]){1}([0-9A-HJ-NP-Z]){3} pattern ([0-9A-HJ-NP-Z]){1}([1-9A-HJ-NP-Z]){1}([0-9A-HJ-NP-Z]){2} pattern ([0-9A-HJ-NP-Z]){2}([1-9A-HJ-NP-Z]){1}([0-9A-HJ-NP-Z]){1} pattern ([0-9A-HJ-NP-Z]){3}([1-9A-HJ-NP-Z]){1}
annotation	documentation Value that separates this procurement instrument from all other procurement instruments with the same Enterprise Identifier, Year, and Procurement Instrument Type Code.

element **ProcurementInstrumentNumberFormatType/OrderNumber**

facets	Kind Value annotation pattern ([0-9B-HJ-NQ-Z]){1}([0-9A-HJ-NP-Z]){3}
annotation	documentation The release, delivery, or task order number.

element **ProcurementInstrumentNumberFormatType/OrderModificationIdentifier**

facets	Kind Value annotation pattern ([0-9A-HJ-NP-Z]){2}
annotation	documentation Value that identifies the modification number of the order.

element **ProcurementInstrumentNumberFormatType/ProcurementInstrumentModificationIdentifier**

facets	Kind Value annotation pattern ([AP]){1}([0-9A-HJ-NP-Z]){2}([0-9]){3}
annotation	documentation Value that identifies the modification number of the procurement instrument.

element **ProcurementInstrumentNumberFormatType/AmendmentNumber**

facets	Kind Value annotation pattern ([0-9]){4}
annotation	documentation The solicitation amendment number. Must be 4 numeric digits between 0001 and 9999.

Procurement Data Standard V2.4 (7/6/2012)

complexType **ProcurementInstrumentType**

annotation	documentation Details about a procurement instrument number as well as the procurement instrument number. For award/original document only.
------------	------------------------------------------------------------------------------------------------------------------------------------------------

element **ProcurementInstrumentType/ProcurementInstrumentOrigin**

facets	Kind	Value	annotation
	enumeration	General Services Administration	
	enumeration	Department of Defense	
	enumeration	Department of Interior	
	enumeration	Health and Human Services	
	enumeration	National Aeronautics and Space Administration	
	enumeration	Veterans Affairs	
annotation	documentation	Federal/ DoD Agency or Service from where the procurement instrument is originating. (see list)

annotation	documentation The unit of measure. (see list)

element **ProductServiceQuantityType/ProductServiceData**

annotation	documentation Data about the product or service. Required when Product Or Service is anything other than "Services".
------------	-------------------------------------------------------------------------------------------------------------------------

element **ProductServiceQuantityType/UnitPriceDetails**

annotation	documentation When applicable, the price per unit ordered.
------------	---------------------------------------------------------------

complexType **QtyAmountRangeType**

annotation	documentation Start, End Value only
------------	----------------------------------------

element **QtyAmountRangeType/StartValue**

annotation	documentation The lower end of the amount range or amount threshold.
------------	-------------------------------------------------------------------------

element **QtyAmountRangeType/EndValue**

annotation	documentation The upper end of the amount range.
------------	-----------------------------------------------------

complexType **QuantityPerPriceType**

annotation	documentation Quantity units for the price. 3 for \$10
------------	-----------------------------------------------------------

element **QuantityPerPriceType/Price**

annotation	documentation Price per unit.
------------	----------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **QuantityPerPriceType/Quantity**

annotation	documentation The quantity when price is for more than a single item. For example, when 3 for \$10, cite 3.
------------	----------------------------------------------------------------------------------------------------------------

complexType **QuantityType**

element **QuantityType/QuantityValue**

annotation	documentation Quantity.

element **SecurityInformationType/AccessRequirements/SpecialAccessInformation**

annotation	documentation Provide the additional requirements associated with Special Access Programs when necessary. {DD254 Block 13}
------------	-------------------------------------------------------------------------------------------------------------------------------

element **SecurityInformationType/AccessRequirements/ForOfficialUseOnly**

annotation	documentation When applicable, use to provide the guidance on protection procedures concerning For Official Use Only (FOUO) information. [DD254 Block 10j, 13]
------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------

element **SecurityInformationType/AccessRequirements/ProtectedUnclassifiedInformation**

annotation	documentation Use to list unclassified information that is protected that the contractor will access. [DD254 Block 10, 13]
------------	-------------------------------------------------------------------------------------------------------------------------------

element **SecurityInformationType/AccessRequirements/OtherInformation**

annotation	documentation Use to list other information the contractor will access that is not otherwise covered. Specify the type of information along with any additional remarks. [DD254 Block 10k, 13]
------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element **SecurityInformationType/PerformanceRequirements**

annotation	documentation Things the contractor will have or do while performing the contract. For example, require a COMSEC account or store classified hardware. [DD254 Block 11, 13]
------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element **SecurityInformationType/PerformanceRequirements/PerformanceRequirementDetails**

annotation	documentation Individual requirements that the contractor will need or have in performing the contract.
------------	------------------------------------------------------------------------------------------------------------

element

SecurityInformationType/PerformanceRequirements/PerformanceRequirementDetails/PerformanceRequirement

facets	Kind	Value	annotation
	enumeration	Have access to classified information only at another contractor's facility or a government activity	
	enumeration	Receive classified documents only	
	enumeration	Receive and generate classified material	
	enumeration	Be authorized to use the services of Defense Technical Information Center (DITC) or other secondary distribution center	
	enumeration	Require a COMSEC Account	
	enumeration	Have TEMPEST requirements	

Procurement Data Standard V2.4 (7/6/2012)

	enumeration Have Operations Security (OPSEC) requirements
	enumeration Be authorized to use the Defense Courier Service
annotation	documentation A function that the contractor will have or do. (see list)

element

SecurityInformationType/PerformanceRequirements/PerformanceRequirementDetails/ContractorWillGuidance

annotation	documentation Provide additional information pertaining to the performance requirement if needed. [DD254 Block 13]
------------	-----------------------------------------------------------------------------------------------------------------------

element **SecurityInformationType/PerformanceRequirements/ServicesOnly**

annotation	documentation When the contractor is performing a service only and is not expected to produce a deliverable item, provide a statement that explains the services and that provides appropriate security guidance. [DD254 Block 11e, 13]
------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element **SecurityInformationType/PerformanceRequirements/ClassifiedHardware**

annotation	documentation When the contractor is expected to generate or utilize classified hardware, describe the nature and extent of the storage that will be required. [DD154 Block 11d, 13]
------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element **SecurityInformationType/PerformanceRequirements/ClassifiedInformationOutsideUS**

annotation	documentation When the contractor will have access to U.S. classified information outside the U.S., Puerto Rico, U.S. possessions and trust territories, list the U.S. activity, city and country where the overseas performance will occur. [DD254 Block 11f, 13]
------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element **SecurityInformationType/PerformanceRequirements/OtherDetails**

annotation	documentation Use to provide additional performance requirements not otherwise covered. Provide the necessary remarks. [DD254 Block 11i, 13]
------------	-------------------------------------------------------------------------------------------------------------------------------------------------

element **SecurityInformationType/PublicRelease**

annotation	documentation Denotes where to obtain approval prior to the release of information received or generated under the contract. [DD254 Block 12]
------------	--------------------------------------------------------------------------------------------------------------------------------------------------

element **SecurityInformationType/PublicRelease/Direct**

annotation	documentation Select when the request should be submitted directly to the Directorate for Freedom of Information and Security Review, Office of the Assistant Secretary of Defense (Public Affairs) for review.
------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element **SecurityInformationType/PublicRelease/Through**

annotation	documentation Use when the request should be directed to an office other than the Directorate for Freedom of Information and Security Review, Office of the Assistant Secretary of Defense (Public Affairs) for review.
------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **SecurityInformationType/SecurityGuidance**

annotation	documentation Use to expand or explain information referenced in other sections of the DD254 when it cannot be provided elsewhere. [DD254 Block 13]
------------	--------------------------------------------------------------------------------------------------------------------------------------------------------

element **SecurityInformationType/AdditionalSecurityRequirements**

annotation	documentation Requirements, in addition to NISPOM requirements, that are established for this contract. Identify the pertinent clauses in the contract document or provide any appropriate statement which identifies the additional requirements. [DD254 Block 13, 14]
------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element **SecurityInformationType/AdditionalSecurityRequirements/PertinentClause**

annotation	documentation The contract clause that imposes additional security requirements.
------------	-------------------------------------------------------------------------------------

element **SecurityInformationType/AdditionalSecurityRequirements/AdditionalSecurityStatement**

annotation	documentation A statement identifying additional security requirements.
------------	----------------------------------------------------------------------------

element **SecurityInformationType/InspectionExceptions**

annotation	documentation Provide if the cognizant security office is relieved, in whole or in part, of the responsibility to conduct security reviews and provide security oversight to the contractor. [DD254 Block 13, 15]
------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element **SecurityInformationType/InspectionExceptions/SpecificArea**

annotation	documentation Explain and identify specific areas or elements that are outside the inspection responsibility of the cognizant security office.
------------	---------------------------------------------------------------------------------------------------------------------------------------------------

element **SecurityInformationType/InspectionExceptions/OversightAgency**

annotation	documentation The activity responsible for inspections.
------------	------------------------------------------------------------

element **SecurityInformationType/CertifyingOfficialDetails**

annotation	documentation Information about the certifying official. [DD254 Block 16]
------------	------------------------------------------------------------------------------

element **SecurityInformationType/CertifyingOfficialDetails/SignatureDate**

annotation	documentation The date the DD254 was signed by the Certifying Official. Date in CCYY-MM-DD format.
------------	-------------------------------------------------------------------------------------------------------

element **SecurityInformationType/CertifyingOfficialDetails/CertifyingOfficial**

annotation	documentation The title, name, and method of contact with the certifying official.
------------	---------------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **SecurityInformationType/CertifyingOfficialDetails/CertifyingOfficialAddress**

annotation	documentation The office responsible for the certification.
------------	----------------------------------------------------------------

element **SecurityInformationType/RequiredDistributionList**

annotation	documentation Identifies the type of service, allowance or charge. (see list)

element **ServiceAllowanceChargeType/SACIndicator**

facets	Kind Value annotation
	enumeration Allowance or Discount
	enumeration Charge
	enumeration No Charge
annotation	documentation Indicates whether there is a charge, allowance/discount, or no charge for the service.

element **ServiceAllowanceChargeType/SACRangeAndValue**

annotation	documentation Details of the range or threshold.
------------	-----------------------------------------------------

element **ServiceAllowanceChargeType/SACRangeAndValue/QuantityRange**

annotation	documentation Quantity based range or threshold.
------------	-----------------------------------------------------

element **ServiceAllowanceChargeType/SACRangeAndValue/AmountRange**

annotation	documentation Amount based range or threshold.
------------	---------------------------------------------------

element **ServiceAllowanceChargeType/SACRangeAndValue/SACValue**

annotation	documentation The value and type of the service, allowance, or charge.
------------	---------------------------------------------------------------------------

complexType **ServiceContractActType**

element **ServiceContractActType/WageDeterminationNumber**

annotation	documentation The SCA wage determination number.
------------	-----------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **ServiceContractActType/RevisionDate**

annotation	documentation The revision date of the wage determination. Date in CCYY-MM-DD format.
------------	------------------------------------------------------------------------------------------

element **ServiceContractActType/RevisionNumber**

annotation	documentation The revision number of the wage determination.
------------	-----------------------------------------------------------------

element **ServiceContractActType/CountyCityState**

annotation	documentation The counties and cities within a state to which the wage determination applies.
------------	--------------------------------------------------------------------------------------------------

element **ServiceContractActType/Occupation**

annotation	documentation Information on occupations and rates.
------------	--------------------------------------------------------

element **ServiceContractActType/Occupation/OccupationCode**

annotation	documentation The occupation code. For example, 01000.
------------	-----------------------------------------------------------

element **ServiceContractActType/Occupation/OccupationTitle**

annotation	documentation The occupation title. For example, Administrative Support And Clerical Occupations.
------------	------------------------------------------------------------------------------------------------------

element **ServiceContractActType/Occupation/OccupationDetails**

annotation	documentation Occupation sub-codes, sub-titles, and minimum wage rates.
------------	----------------------------------------------------------------------------

element **ServiceContractActType/Occupation/OccupationDetails/OccupationSubCode**

annotation	documentation The occupation sub-code. for example, 01011.
------------	---------------------------------------------------------------

element **ServiceContractActType/Occupation/OccupationDetails/OccupationSubTitle**

annotation	documentation The occupation sub-title. For example, Accounting Clerk I
------------	----------------------------------------------------------------------------

element **ServiceContractActType/Occupation/OccupationDetails/MinimumWageRate**

annotation	documentation The minimum wage requirement.
------------	------------------------------------------------

element **ServiceContractActType/ServiceContractActText**

annotation	documentation Additional information.
------------	------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

complexType **ShareRatioType**

element **ShareRatioType/GovernmentShare**

annotation	documentation When the total final negotiated cost is greater than the total target cost, the percentage or amount that is used to establish the total final price. (Far 52.216-16 (d)(2)(ii), 52.216-17 (d)(2)(ii))
------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element **ShareRatioType/ContractorShare**

annotation	documentation When the total final negotiated cost is less than the total target cost, the percentage or amount that is used to establish the total final price. (Far 52.216-16 (d)(2)(iii), 52.216-17 (d)(2)(iii))

annotation	documentation	The unit of measurement of the length, height, width. (see list)

complexType **SolicitationOfferInformationType**

annotation	documentation	Captures solicitation and Offer/Bid information that appears on an award/mod document.
------------	---------------	----------------------------------------------------------------------------------------

element **SolicitationOfferInformationType/AcceptWithinDays**

annotation	documentation	The number of days from the date for receipt of offers or bids that, if the government accepts the offer/bid in that time, the offeror/bidder agrees to furnish any or all items in accordance with the price set, the designated delivery point(s), and the stated schedule. If not provided by the offeror/bidder, 60 days is the default.
------------	---------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

element **SolicitationOfferInformationType/AddendaAttached**

facets	Kind	Value	annotation
	enumeration	false	
	enumeration	true	

Procurement Data Standard V2.4 (7/6/2012)

annotation	documentation Provide when the solicitation incorporates by reference FAR 52.212-1 and 52.212-4; and Far 52.212-3 and 52.212.5 are attached.
------------	-------------------------------------------------------------------------------------------------------------------------------------------------

element **SolicitationOfferInformationType/NAICSCode**

annotation	documentation Code from the North American Industry Classification System (NAICS)
------------	--------------------------------------------------------------------------------------

element **SolicitationOfferInformationType/PerformancePaymentBonds**

annotation	documentation The number of calendar days after award that Performance and Payment Bonds must be furnished.
------------	----------------------------------------------------------------------------------------------------------------

element **SolicitationOfferInformationType/SignedCopies**

annotation	documentation If the contractor is required to sign the solicitation document, provide the number of copies he must provide to the issuing office.
------------	-------------------------------------------------------------------------------------------------------------------------------------------------------

element **SolicitationOfferInformationType/SizeStandard**

annotation	documentation The threshold of employees or amount the offeror/bidder must meet to respond to the solicitation.
------------	--------------------------------------------------------------------------------------------------------------------

element **SolicitationOfferInformationType/SizeStandard/Employees**

annotation	documentation Number of employees.
------------	---------------------------------------

element **SolicitationOfferInformationType/SizeStandard/AnnualReceipts**

annotation	documentation Total income in whole figures; for example, 6000.
------------	--------------------------------------------------------------------

element **SolicitationOfferInformationType/SolicitationIssuedDate**

annotation	documentation Date the solicitation was issued in CCYY-MM-DD format.
------------	-------------------------------------------------------------------------

element **SolicitationOfferInformationType/SolicitationType**

facets	<table style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 15%;">Kind</th> <th style="width: 50%;">Value</th> <th style="width: 35%;">annotation</th> </tr> </thead> <tbody> <tr> <td>enumeration</td> <td>Invitation For Bid</td> <td></td> </tr> <tr> <td>enumeration</td> <td>Request For Proposal</td> <td></td> </tr> <tr> <td>enumeration</td> <td>Request For Quote</td> <td></td> </tr> </tbody> </table>	Kind	Value	annotation	enumeration	Invitation For Bid		enumeration	Request For Proposal		enumeration	Request For Quote	
Kind	Value	annotation											
enumeration	Invitation For Bid												
enumeration	Request For Proposal												
enumeration	Request For Quote												
annotation	documentation The type of solicitation such as RFP, RFQ, or IFB.												

element **SolicitationOfferInformationType/AcknowledgedAmendments**

annotation	documentation The list of amendments to the solicitation that the offeror/bidder acknowledges receiving.
------------	-------------------------------------------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)

element **SolicitationOfferInformationType/AcknowledgedAmendments/AmendmentNumber**

facets	Kind pattern	Value ([0-9]){4}	annotation
annotation	documentation The solicitation amendment number. Must be a 4 numeric digits between 0001 and 9999.		

element **SolicitationOfferInformationType/AcknowledgedAmendments/AmendmentDate**

annotation	documentation The date the amendment became effective. (Use CCYY-MM-DD format, where CC stands for century.)
------------	-----------------------------------------------------------------------------------------------------------------

element **SolicitationOfferInformationType/OfferDelivery**

annotation	documentation Information on where bids or offers are to be delivered such as number of copies, due date, etc.
------------	-------------------------------------------------------------------------------------------------------------------

element **SolicitationOfferInformationType/OfferDelivery/SealedCopies**

annotation	documentation The number of sealed copies of the bid or offer that must be provided.
------------	-----------------------------------------------------------------------------------------

element **SolicitationOfferInformationType/OfferDelivery/DepositoryLocation**

annotation	documentation Describes the place where offers or bids are taken when handcarried.
------------	---------------------------------------------------------------------------------------

element **SolicitationOfferInformationType/OfferDelivery/RequiredBefore**

annotation	documentation Date and time by which a bid or offer must be delivered.
------------	---------------------------------------------------------------------------

element **SolicitationOfferInformationType/OfferSignature**

annotation	documentation The name, title, and signature date of the offeror or bidder.
------------	--------------------------------------------------------------------------------

element **SolicitationOfferInformationType/SetAsideDetails**

annotation	documentation Provides set aside percentage and organization type. If not provided, the solicitation is unrestricted.
------------	--------------------------------------------------------------------------------------------------------------------------

element **SolicitationOfferInformationType/SetAsideDetails/SetAsidePercent**

annotation	documentation The set aside percent. Express 45% as 45
------------	-----------------------------------------------------------

element **SolicitationOfferInformationType/SetAsideDetails/SmallBusinessType**

facets	Kind enumeration	Value 8(A) Emerging Small Business	annotation
--------	---------------------	------------------------------------------	------------

Procurement Data Standard V2.4 (7/6/2012)

	enumeration Hubzone Small Business enumeration Service-Disabled Veteran-Owned Small Business enumeration Small Business
annotation	documentation The type of business the set aside percentage is for. For example, Hubzone Small Business.

complexType **SpecialPricingChangeType**

element **SpecialPricingChangeType/AddedSpecialPricing**

annotation	documentation Contains the special pricing that is added.
------------	--------------------------------------------------------------

element **SpecialPricingChangeType/DeletedSpecialPricing**

annotation	documentation Contains the special pricing that is removed.
------------	----------------------------------------------------------------

element **SpecialPricingChangeType/ChangedSpecialPricing**

annotation	documentation Contains the special pricing that is modified.
------------	-----------------------------------------------------------------

element **SpecialPricingChangeType/ChangedSpecialPricing/SpecialPricingChangeText**

annotation	documentation Description of the change to the special pricing.
------------	--------------------------------------------------------------------

element **SpecialPricingChangeType/ChangedSpecialPricing/CurrentSpecialPricing**

annotation	documentation The special pricing after the changes were applied. The results.
------------	-----------------------------------------------------------------------------------

element **SpecialPricingChangeType/ChangedSpecialPricing/PreviousSpecialPricing**

annotation	documentation The special pricing before the changes were applied. The original.
------------	-------------------------------------------------------------------------------------

complexType **SpecialPricingType**

element **SpecialPricingType/AuthorizationNumber**

annotation	documentation Special price authorization number.
------------	------------------------------------------------------

element **SpecialPricingType/AuthorizingParty**

annotation	documentation Seller representation who provided the authorization.
------------	------------------------------------------------------------------------

Procurement Data Standard V2.4 (7/6/2012)
