

US Army Corps  
of Engineers  
New Orleans District

## NOTICE OF RETRACTION

**A Supplemental Programmatic Individual Environmental Report #37a (SPIER #37a) entitled "Westbank and Vicinity Hurricane Storm Damage Risk Reduction Mitigation, Jefferson and Lafourche Parishes, Louisiana" prepared by the U.S. Army Corps of Engineers, New Orleans District was released for public review in error and therefore the notice is being **RETRACTED** at this time.**

Please disregard the Notice of Availability which was posted in the paper on Oct 15, 2015. The document will be released for public review at a later date.

Any questions should be directed to Ms. Sandra Stiles; U.S. Army Corps of Engineers; Regional Planning Division South; New Orleans Environmental Branch; CEMVN-PDN-CEP; [sandra.e.stiles@usace.army.mil](mailto:sandra.e.stiles@usace.army.mil), (504)862-1583.
