

TRICARE® Dental Options

TRICARE dental options for you and your family

This fact sheet provides information about the TRICARE Active Duty Dental Program (ADDP), the TRICARE Dental Program (TDP), and the TRICARE Retiree Dental Program (TRDP). These dental options are separate from TRICARE health care options. Your out-of-pocket expenses for any of the costs listed in this fact sheet are not applied to the TRICARE catastrophic cap.

Depending on your beneficiary category and location, you may be eligible for different dental programs.

ACTIVE DUTY DENTAL CARE

Active duty service members (ADSMs) receive dental care from military dental clinics and, if necessary, from civilian providers through the TRICARE ADDP in the United States and U.S. territories (American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands).

Most overseas ADSMs receive dental care at overseas military dental clinics. International SOS coordinates dental care services for ADSMs in remote overseas locations. Treatment plans for ADSMs that exceed \$750 per episode or \$1,500 per calendar year require prior authorization and approval from the Defense Health Agency Dental Program Office, even for routine care.

TRICARE Active Duty Dental Program

The ADDP benefit is administered by United Concordia Companies, Inc. (United Concordia) and is available to eligible ADSMs who are either referred for care by a military dental clinic to a civilian dentist or have a duty location and live greater than 50 miles from a military dental clinic.

BENEFICIARY TYPES	PROGRAM DESCRIPTION
<ul style="list-style-type: none"> Active duty service members (ADSMs) National Guard and Reserve members called or ordered to active service for more than 30 consecutive days 	<ul style="list-style-type: none"> Benefit administered by United Concordia Companies, Inc. For ADSMs who are either referred for care by a military dental clinic to a civilian dentist or have a duty location and live greater than 50 miles from a military dental clinic

ADSMs enrolled in TRICARE Prime Remote are automatically eligible to use the ADDP. National Guard and Reserve members are eligible only if they have active duty orders issued for a period of more than 30 consecutive days. Service members with delayed-effective-date active

duty orders and those in the Transitional Assistance Management Program following activation for a contingency operation for more than 30 consecutive days are also eligible. To ensure dental health and deployment readiness, United Concordia will coordinate appointments for ADSMs:

- Within 21 days of request for routine dental care (e.g., examinations, cleanings, fillings)
- Within 28 days of request for specialty dental care (e.g., crowns, bridges, dentures, periodontal treatment)

Accessing Care

You must use a United Concordia network dentist to receive ADDP-covered dental care. You are required to contact United Concordia for an Appointment Control Number prior to receiving any nonemergency care and to use network dentists for dental care if they are available in your area. If a network dentist is not available in your area, call United Concordia at **1-866-984-ADDP (1-866-984-2337)** to verify lack-of-network availability and receive prior authorization to use a non-network dentist. If you use a non-network dentist without prior authorization, you will be responsible for payment. The ADDP is only available in the United States and U.S. territories.

Covered Services and Costs

For a list of covered services, visit the ADDP website at www.addp-ucci.com. Not all dental procedures are covered under the ADDP. If you elect to receive non-covered services, you will be responsible for payment.

Network dentists submit claims on your behalf, and you have no out-of-pocket expenses. You should not be billed for covered services, except possibly for emergency care received from a non-network dentist. Contact United Concordia before making any payments for covered services.

BENEFICIARY TYPES	PROGRAM DESCRIPTION
<ul style="list-style-type: none"> • Eligible active duty family members • Survivors • National Guard and Reserve members and their family members • Individual Ready Reserve members and their family members 	<ul style="list-style-type: none"> • Benefit administered by MetLife • Voluntary enrollment and worldwide portable coverage • Single and family plans with monthly premiums • Lower specialty care cost-shares for pay grades E-1 through E-4 • Comprehensive coverage for most dental services • 100% coverage for most preventive and diagnostic services

* The TDP is divided into two geographical service areas: stateside and overseas. The TDP stateside (or CONUS) service area includes the 50 United States, the District of Columbia, Puerto Rico, Guam, and the U.S. Virgin Islands. The TDP overseas (or OCONUS) service area includes areas not in the stateside service area and covered services provided aboard a ship or vessel outside the territorial waters of the stateside service area, regardless of the dentist's office address.

Eligibility

To be eligible to enroll in the TDP, your sponsor must have at least 12 months remaining on his or her military service commitment at the time of enrollment. This service commitment will be based on the time remaining in any single status or in any uninterrupted combination of active duty or National Guard or Reserve status.

Additionally, you must be one of the following:

- Family member or legal dependent of an ADSM
- Family member of a National Guard or Reserve member

- National Guard or Reserve member not on active duty
- Transitional survivor
- Surviving child

Active duty family members of ADSMs and National Guard and Reserve members include:

- Spouses
- Unmarried children until reaching age 21, including step-children, adopted children (both pre-adoptive and finalized adoption), and court-ordered wards
- Unmarried children of TRICARE-eligible sponsors* until reaching age 21 (or age 23 if enrolled in a full-time course of study at an approved institution of higher learning and if the sponsor provides over 50 percent of the financial support)

* These students are eligible until reaching the end of the month in which they turn age 23. However, if the student ends his or her education prior to reaching age 23, eligibility ends at the end of the month in which the education ends. Unmarried children are also covered until reaching age 23 if they have a disabling illness or injury that occurred before their 21st birthday; or they have a disabling illness or injury that occurred between ages 21 and 23 and, at the time of the illness or injury, were enrolled in a full-time course of study at an approved institution of higher learning and the sponsor provided over 50 percent of the financial support.

Accessing Care

MetLife offers an extensive network of dentist locations. Remember to check if your dentist is in the network before receiving care.

Stateside Service Area

TDP enrollees residing in the stateside (or CONUS) service area (the 50 United States, the District of Columbia, Guam, Puerto Rico, and the U.S. Virgin Islands) can receive dental care at civilian dental offices and visit any licensed and authorized civilian dentist. However, receiving treatment from a dentist who is a MetLife network dentist helps you save time and money. A network dentist has signed an agreement with MetLife to follow TDP rules for providing care and accepting payments. When using a network dentist, you should never pay more than the applicable cost-share for covered services.

Dentists who have not signed an agreement with MetLife are considered non-network dentists. Non-network dentists may bill beneficiaries their full fee. You are responsible for paying the difference between MetLife's allowed fee and the amount charged by the non-network dentist in addition to the applicable cost-share. Also, non-network dentists are not required to submit claims on your behalf.

Overseas Service Area

The TDP overseas (or OCONUS) service area includes areas not in the stateside service area and covered services provided aboard a ship or vessel outside the territorial waters of the stateside service area, regardless of the dentist's office address. You may visit any overseas dentist to receive dental care. However, it may be more convenient to visit a TRICARE OCONUS Preferred Dentist (TOPD). TOPDs do not require you to pay their full charge at the time of service and only require the applicable cost-share, if any. Once services are performed, TOPDs complete and submit claims on your behalf. TOPDs may not be available

in all locations, but you are encouraged to use them for all care, including orthodontics, where they are available. You are not required to use a TOPD, but if you see a non-TOPD, you may be required to pay up front for services before you receive care. You may also be required to submit your own claims and other required documentation. To locate a stateside or overseas dentist, visit www.metlife.com/tricare.

Note: For orthodontic services, overseas members need to obtain a *Non-Availability and Referral Form* from their TRICARE Area Office, overseas uniformed services military dental clinic, or designated overseas point of contact before any orthodontic treatment can begin.

Costs

For a list of cost-shares, visit www.tricare.mil/costs. If members visit non-network dentists who charge more than the allowed fee, they may incur additional expenses.

Premiums vary based upon sponsor and member status. TDP premium amounts change annually each February 1. Visit www.tricare.mil/costs for current premium rates.

Additionally, for premium payments, please note:

- **Initial payment:** For the first month of coverage, your initial payment can be made by credit card for enrollments completed online, by phone, or by mail. You have the option of paying by check or money order for enrollments done by mail. However, most members find online enrollment to be the fastest and most convenient method.
- **Ongoing payments:** Payroll allotment is required for ongoing payment for enrollments associated with an ADSM. However, ongoing payments for enrollments associated with a National Guard or Reserve sponsor can be made with a credit card, electronic funds transfer (EFT), or payroll allotment.
