COMBAT & OPERATIONAL STRESS CONTROL

Combat & Operational Stress Control Symposium

The background image is a composite. The top left shows a soldier in full combat gear, including a helmet and goggles, kneeling on a sandy beach. The top right shows medical personnel in white scrubs and masks, focused on a patient in a hospital setting. The bottom half of the image shows a large white hospital ship with a red cross on its side, docked at a pier. A small red and white tugboat is in the water in the foreground. The entire image has a blue tint.
