Courseware System Requirements

To ensure your system meets the courseware's requirements, please confirm the following (see your local system administrator / help desk for assistance):

- **Browsers Supported**
  - Internet Explorer 6.0
  - Netscape 7.1+ (Not recommended for the ACQ 201A course)
- **Java Runtime Environment 1.5.0**
- **Macromedia Flash Player version 7**+
  - Not required for all courses - course will specify if required in the "**Welcome**" or "**Introduction**" Module.
- **Windows Media Player version 7**+
  - Required to access video media in some courseware, including CLM003 Ethics Training. Course has accessible "**Show Text**" link in the event you wish to read the script of the video instead.
- **Adobe Acrobat Reader version 6**+
- **Screen Area**
  - Resolution set to 1024 x 768 minimum
  - Font size or DPI set to normal or small
- **Disable pop-up blockers**
- **Ensure cookies are enabled (Medium-Low level)**
