

DLA Attends DoD Hiring Heroes Career Fair

DLA recruiters attended the DoD Hiring Heroes Career Fair on June 2, 2016, in conjunction with the Navy's 6th Annual Veteran and Wounded Warrior Hiring and Support Conference in Tampa, Florida. The fair provided an opportunity for DLA recruiters to inform and encourage nearly 400 veterans to consider DLA as an employer of choice. DLA was one of the few government agencies recruiting at the

event, compared with over 80 private sector companies. DLA was selected to brief Marines with disabilities transitioning to civilian life on the benefits of working for DLA to include DLA's work/life balance programs such as fitness time and child care facilities at some locations. The DLA recruiters were honored to assist the transitioning service members, veterans, spouses, family members and primary caregivers in their search for employment opportunities.
