Office of the Commander

Dear New Far East District Employees:

On behalf of Far East District, United States Army Corps of Engineers, welcome to the Republic of Korea. Please allow me to extend my personal congratulations to you on your assignment to the Far East District, U.S. Army Corps of Engineers.

During your assignment to Far East District, we hope you will have an opportunity to see for yourself just why we consider the Far East District a great place to live, work and even play. Just beyond the gates of Far East District Compound, Yongsan Garrison and Camp Humphreys is the colorful and vibrant city of Seoul. Known for its world class entertainment, shopping and cuisine, you will find that the city has something for everyone.

No doubt, you will enjoy your experience living in this special part of Asia, the Land of the Morning Calm. If you'd like to keep abreast of all the happenings here in Korea, visit the FED official website: <http://www.pof.usace.army.mil> and/or simply follow Yongsan Garrison <https://www.facebook.com/usagyongsan> and Humphreys Garrison <https://www.facebook.com/usaghumphreys>. I encourage you to spend a few moments perusing the FMWR Outlook Magazine in your welcome packet. You will find that it has a wealth of information, along with convenient agency/organization business numbers.

Should you encounter any problems during your assignment, or should any special needs arise, my staff stands ready to assist you. Please contact our Executive Office at DSN (315) 721-7300 or commercial 011-822-2270-7300 for point-of-contact names and phone numbers.

Again, welcome to Far East District and we hope you will enjoy your stay.

Sincerely,
