PROGRAM**

*Albuquerque District*

*Albuquerque is a diversified, full-service District, performing design, construction and operations and maintenance services to three New Mexico Air Force Bases, Kirtland Air Force Base in Albuquerque, Cannon Air Force Base in Clovis, and Holloman Air Force Base in Alamogordo. It also provides design services to two Arizona Air Force Bases, Luke Air Force Base in Phoenix and Davis-Monthan Air Force Base in Tucson. Other work: Environmental enhancements and hazardous and toxic waste remediation. Support for the BRAC mission in the Southwest Region (primarily Ft. Bliss) Company Operations Facility (COF) product line.*

## Contracting Opportunities

The Department of Defense (DOD) offers two markets for small, small disadvantaged, HUBZone, veteran-owned, women-owned, and service-disabled veteran-owned small business concerns seeking defense contracting opportunities. The first market encompasses prime contracting and the second market encompasses Defense subcontracting opportunities.

DoD requires major prime contractors and subcontractors receiving contracts valued over \$650,000 (\$1.5 million for construction) to develop plans and goals for subcontracting with small, small disadvantaged, HUBZone, veteran-owned, women-owned, and service-disabled veteran-owned small businesses. This requirement generates a significant subcontracting opportunity market.
