USACE-managed Wiesbaden townhome community improves quality of life for Soldiers and Families

WIESBADEN, Germany – A whole new neighborhood is under construction at the U.S. Army Garrison Wiesbaden, where 326 three- and four- bedroom townhouses are being built to improve the quality-of-life for Soldiers and their families stationed here. The new houses, which replace 98 existing stairwell and duplex-style apartments, have attached garages ...

The district celebrates Richtfest at CBC

WIESBADEN, Germany – A worker with the Zueblin Company prepares the crown for hoisting atop the \$120 million U.S. Army Europe Command and Battle Center construction site at the Wiesbaden Army Airfield. In celebration of a nearly completed project, a Richtfest or Topping-Out Festival was held March 10. The Richtfest is a German celebration for the workers on a construction project that gives thanks to the forest from which the lumber for a project was taken.
