## NOTICE OF SCHEDULED LOCK CLOSURES

WEBBERS FALLS L&D No. 16, NM 366.6

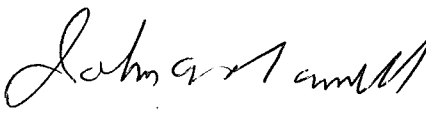

McCLELLAN-KERR ARKANSAS RIVER  
NAVIGATION SYSTEM, OKLAHOMA

Tulsa District is scheduling maintenance closures of Webbers Falls L&D No. 16 for the dates and actions listed below.

### 2016 Closure Dates

May 16 - May 22, 2016	Upstream Closure to Repair Torn and Damaged Bottom Seal;
Aug 24 - Sep 11, 2016	Downstream Closure for Miter Gate Structural Rehab and Painting.

As maintenance crews prepare the work site, intermittent delays of four or more hours should be expected the week preceding each of the above closures. Questions or request for additional information concerning this notice should be directed to Mr. Robert Steiner; Navigation Project Manager: 918-775-4475 ext 5833 or Mr. Vic Heister; Navigation Field Engineer: 918-669-7244

  
for Earl Groves  
Chief, Operations Division
