David F. Dale P.E., PMP
Programs Director
Great Lakes and Ohio River Division

David F. Dale, a member of the Senior Executive Service, is the Programs Director of the U.S. Army Corps of Engineers' Great Lakes and Ohio River Division (LRD) in Cincinnati, Ohio. As Programs Director, Mr. Dale provides leadership and supervision for the LRD Programs Directorate and has staff oversight for programs execution, planning and project management activities.

The Great Lakes and Ohio River Division operates as a regional business center with seven engineer districts covering 335,000 miles in 17 states and consists of about 4,200 team members. LRD is responsible for water resource development throughout the Great Lakes and Ohio River watersheds. The division's civil works missions include navigation, flood risk management, hydropower, environmental restoration, regulatory permitting, emergency response, water supply management and recreation. LRD also executes a military construction program in Ohio, Kentucky, Indiana, Illinois and Michigan with the design and construction of barracks, hospitals, airfields and family housing on military installations.

Mr. Dale previously served as Deputy District Engineer and the Chief of the Planning and Project Management Division at the U.S. Army Corps of Engineers' Louisville District for 10 years. His other previous assignments include Regional Business Director for the Great Lakes and Ohio River Division and Area Engineer at the Louisville District's Fort Knox Area Office.

Mr. Dale holds a Bachelor of Science degree in Civil Engineering from the University of Kentucky, Project Management Professional certification and is a licensed Professional Engineer in the state of Kentucky. He is also a member of the American Society of Military Engineers.

He has received numerous awards and decoration during his Federal service including the Achievement Medal for Civilian Service, the Superior Civilian Service Award, Leadership Excellence Award and the Army Engineer Association Bronze de Fleury Medal.
