FULL REPLACEMENT VALUE (FRV)

Military and DoD Civilian personnel are now eligible for FRV for personal property lost, damaged or destroyed while in the care of the Transportation Service Provider (TSP)/Carrier.

To take advantage of FRV, you must report loss/damage within 75 days of delivery on DD Form 1840/1840R or equivalent and file your claim directly with your TSP/Carrier within 9 month of delivery.

Contact your Transportation Office or Military Claims Office for more information. You may find detailed FRV information at www.sddc.army.mil.

CUSTOMER SERVICE SURVEY (CSS)

CSS is a web-based application that will allow YOU to rate the service and performance received from the TSP and DoD during your move. It's important that you complete the online CSS after delivery to help improve the overall moving process and insure that only quality TSPs are sent to your home.

DEFENSE PERSONAL PROPERTY SYSTEM (DPS)

DPS is the one-stop source for managing personal property moves. It automates & simplifies the PCS move process; and provides 24-hour access to personal property shipment information throughout your move.

Few of the key improvements DPS brings to the personal property community: 1.) Convenience – self-counseling 24/7, online claims settlement, 2.) Improved Quality of Experience – DoD customers impact on TSPs selection via CSS. 3.) Improved Data Flow – direct interaction between TSPs and DoD customers. Register at www.move.mil.

SATO TRAVEL ARRANGEMENTS TIPS

Always check your orders for accuracy. Ensure your name and dependent's name(s) are spelled correctly on your orders.

Check your "Availability Date" on your military orders. SATO WILL NOT book departure dates prior to your AVAL DATE. All travel must occur within a 7-day window of the AVAL DATE on orders. In order for SATO to book departure dates beyond the 7-day window, you must present an approved DA Form 31 authorizing you "in-country" leave.

DO NOT make travel arrangements until you have confirmation of your HHG pickup date(s).

For questions or issues regarding official travel, contact the Gov't COTR at DSN: 637-7643, COMM 0444-61-7643, Bldg 393, 2nd Fl., Central Processing Facility.

HELPFUL MOVING TIPS

1. **CLEAN YOUR PROPERTY AND RESIDENCE.** Ensure your items are free of soil/pest infestation. Transportation Service Providers (TSPs)/Carriers can refuse to work in unsanitary environment. Empty trashcans; wash dishes and clothes. If you have a pet, vacuum pet hair from floors and furniture. Consider taking your pet to a friend's house during the pack out.
2. **SECURE YOUR VALUABLES** in a safe location (locked in your car). Passports, airline tickets, wallets, jewelry, must-have documents, etc., anything that you don't want the TSP/carrier to pack.
3. **SEPARATE PRO-GEAR.** PRO items must be packed & weighed separately. Separate your UB items/shipment also.
4. **REMOVE TV** antenna/cable/satellite dishes.
5. **DISCONNECT CABLES** from stereo equipment, computers, etc.
6. **DISASSEMBLE EQUIPMENT:** all outdoor play equipment (playhouses, swing and gym sets, trampolines, portable basketball hoops, etc.) and all home gym and exercise equipment.
7. **REMOVE CURTAINS** and curtain rods or other holders from the walls. Remove racks, hooks, shelves from the walls, cabinets or doors.
8. **DRAIN and DRY WATERBEDS** and hot tubs. The movers will disassemble standard waterbeds only. If complicated construction, please notify outbound transportation office.
9. **DRAIN GAS and OIL** from lawn mowers, snow blowers, and other gas-powered equipment.
10. **FIREARMS:** Remove firing pin (for safety/security) and ensure each one listed with make, model and serial number on the inventory. Ensure you deregister your firearms in advance.
11. **PROVIDE MAKE, MODEL and SERIAL NUMBERS** of stereos, video equipment, TVs, cameras, home computers, etc., to the TSP/carrier for the inventory (this helps with claims).
12. **PREPARE PERSONAL INVENTORY** of "Collectibles," signed paintings, original CDs, DVDs, VHS tapes (by artist and title). The carrier WILL NOT do this. Ensure TSP/carrier inventory states "ORIGINAL" CDs etc., not just quantity.
13. **DISCARD** worn out and unneeded items (this could save you from going overweight).
14. **SEPARATE PERISHABLE and UNAUTHORIZED FOOD** items. The TSP/carrier WILL NOT pack perishable items. They will pack dry and canned goods.
15. **REMOVE PROPERTY** from attic, crawl space, or similar storage area. The TSP/carrier is NOT required to go into these areas that are NOT adequately lighted, do NOT have finished floor, are NOT accessible by permanent stairway, and do NOT allow a person to stand erect.
16. **STAY AT HOME** as long as the packers are at your residence. Leaving to run errands compromises the security of your property and puts the packers in an uncomfortable position.
17. **DON'T SCHEDULE CLEANERS** for the same day as your pack out date(s). Problems could arise that may prevent the cleaners from cleaning and the TSP/carrier from packing your items.
18. **KEEP PHONE SERVICE** until after the pack out, if possible. TSP/Carrier may need to call regarding your move or problems may arise that you need to report to Transportation Office or Quality Control on your pack date.
19. **NO ALCOHOL.** As a courtesy, you can offer the packers drinks, but please NO alcohol.
20. **CALL** Vicenza Quality Control at 637-7694/7691/ or 0444-61-7694/7691 if problems arise during your move.
