Leadership Focus Points

Chief of Navy Reserve:

CNR discusses RWWs and active/Reserve integration in her May [Focus on the Force](#) column in TNR.

FORCM:

This past month marked the start of Navy's [Keep What You've Earned](#) campaign, emphasizing responsible drinking to avoid jeopardizing your Navy career. As leaders we need to not only set the example by showing restraint and drinking responsibly, we also need to educate our Sailors and this campaign offers a great resource in that effort.

Commander Navy Reserve Forces Command:

[CNRFC Blog](#): "I want to share with you a truly inspiring and humbling experience I had during a recent trip to the World War II Memorial in Washington, D.C. I had received an invitation from a World War II veteran in my hometown to come to D.C. and meet him and a group of veterans who were visiting their Memorial for the first time, all thanks to Honor Flight New England." Commander Navy Reserve Air Force:

Case Study in Logistics. When the red stripe was issued for F-18s in April, the solution required parts being delivered to F-18 squadrons around the world before the Hornets could get back to performing their vital mission. We are happy to report that CNAFR's NUFEA assets again demonstrated the unparalleled value of our Reserve force by delivering the required parts to their destination and proving to be the most viable solution to the difficult logistics problems that face our fleet.
