1. **Policy**. NAVPERS 1070/605 (Rev. 10-89), History of Assignments for USN and USNR enlisted members is a chronological record of duty assignments and is maintained throughout member's active and inactive duty career.

2. **Preparation**

- a. Enter and verify following information on bottom of form:
- (1) Member's name.
 - (2) Social security number.
 - (3) Rank/rate (on previous editions of form, enter RANK/RATE as last entry in NAME block).

b. Make entries as events occur. Entries will be initialed by an authorized individual per MILPERSMAN 1070-190.

c. For an enlisted member who immediately reenlists, send original to Navy Personnel Command (PERS-313C) with other documents for permanent personnel record, per MILPERSMAN 1070-140; place a reproduced copy on left side of field service record (FSR); and prepare a new NAVPERS 1070/605 for reenlistment FSR.

RULE: Number additional pages sequentially.

3. How to Make Entries. Make entries as follows: (See Exhibit 1.)

Column	Title	Description
1	Gain	<p>Enter effective date (YYMMDD) and abbreviation that best describes gain as follows:</p> <p>ENL: First enlistment.</p> <p>REENL: Reenlistment.</p> <p>EXTENL: Extension of enlistment or active duty obligation.</p> <p>RECAP: Recalled to active duty or active duty for special work (ADSW).</p> <p>DUTY: Received for permanent duty.</p> <p>DUIN: Received for duty under instruction.</p> <p>TEM DU: Received for temporary duty.</p> <p>TEMADD: Received for temporary additional duty.</p> <p>ADDU: Received for additional duty.</p> <p>IDT: Received for inactive duty training.</p> <p>ADT/AT: Received for active duty for training.</p>
2	Activity	<p>Enter abbreviated title and permanent location or homeport of member's duty station.</p> <p>Verify and establish sea duty commencement date (SDCD) and shore duty commencement date (SHDCD) for active duty members received on board for duty per NAVPERS 15909G. Enter as follows:</p> <p>SDCD/SHDCD: (MMYY).</p> <p>Enter authorized corrections as follows:</p> <p>SDCD/SHDCD AUTH: (fill in for changes).</p>

Column	Title	Description
3	UIC	Enter unit identification code (UIC) for member's duty station. NOTE: Change title of column from DUTIES to UIC on previous editions of this form.
4	Loss	Enter effective date (YYMMDD) and abbreviation that best describes loss as follows: TRF: Transferred or detached to another activity. EXPENL: Expiration of enlistment or active duty obligation including extensions for continued service. RAD: Released from active duty or active duty for training (ADT/AT) and transferred to a reserve component. DISRE: Discharged for immediate enlistment/reenlistment, or appointment/reappointment, or continued service. DIS: Discharged. RET: Transferred to Retired List (RL), Temporary Disability Retired List (TDRL), Permanent Disability Retired List (PDRL), Retired Reserve, or Fleet Reserve. TERM: Dropped from rolls, or missing status.
5	Initials (Gain/Loss)	Designated command official will verify each entry by initialing this column. Verify gain entries in GAIN subcolumn and loss and other entries in LOSS subcolumn . RULE: Initials also certify verification of FSR per MILPERSMAN 1070-200.

4. Where to File. NAVPERS 1070/605 shall be maintained and filed in FSR, per MILPERSMAN 1070-100.
