Employer Award Dinners

On February 27th the Indiana Committee held the first of three award events: the northern employer awards dinner at Grissom Air Reserve Base. Commander Douglas Schwartz was our speaker and assisted in presenting awards. Area Chair Sandy Dye had 4 volunteers, to include Chairman Lynch, who assisted with set up, registration, award distribution and tear down.

On April 16th we held our second dinner at Camp Atterbury. Commander Billy D. Franklin spoke to local employers. Area Chairs Charlie Russell and Ken Smith, as well as Chairman Lynch and Vice Chair Doug Gibbens, were present. Many thanks to the following volunteers for their efforts in hosting this event: Barry Green, Joe Lampert, David Duncan, Leanne Lollar, Roger Peterman, Jim Pridgen, Nanette Sheldon, Tonja Smith, Pat Spencer, Clyde Stringer and Tom Vowell.

Thank you to all of those who assisted with the awards dinners!

Recently we have had changes in full time staff. Mr. Bob Strange has moved up to Wisconsin to continue his great work with H2H and the Wisconsin ESGR Committee. This move will allow Bob to be closer to his children while he continues to serve. We will miss Bob and wish him the very best in his adventures in Wisconsin.

Mr. Bryan Russelburg, formerly the Program Support Specialist (PSS), has accepted the role as the new H2H Employment Coordinator. Bryan's move has left our PSS position open. Mr. Britt King has come onboard in the PSS position. Britt is located in the Indianapolis office. You can reach Britt at patrick.b.king2.ctr@mail.mil.

BOSSLIFT

The ESGR Bosslift Program assists in educating employers about military training and education. Bosslift are not a reward for employers. To participate in a Bosslift volunteers are required to have up to date ESGR Training AND be able to explain ESGR programs while actively participating in the events of the day. These events are very physical and require a volunteer to participate in each activity. For more information on the Bosslift program please email in.ng.esgr@mail.mil. Most of our bosslifts are unit requested and the employers that attend are the employers of the members in the unit. This year we have had 3 units request bosslifts. We are working with a fourth unit. The Area 6 team is working on an event for next year as well. Bosslift regulations can be found in the ESGR library/resource section of the ESGR website.
