

Fort Knox Access Information

Access to Fort Knox is restricted to those who have a reason to enter the Installation.

In order to enter Fort Knox, all occupants 18 years or older must have a valid identification.

DoD affiliated or Federal Government ID card holders may enter Fort Knox using any lane at any ACP.

All other personnel presenting a U.S. driver's license or state identification card must first go to the Visitors Center and Registering in AIE. Thereafter, they may use any lane at any ACP for entrance.

Foreign Visitor (Any person other than a US citizen) must have a valid reason to enter the installation, and must be sponsored by a DoD ID Card Holder.

Commercial vehicles: Brandenburg gate is the primary gate for all Commercial/ Military vehicles and vehicles carrying hazardous material and ammunition from 0600-1300. Wilson gate is the primary gate from 1300-1800.

WEAPONS

All Weapons must be declared at the Gate.

All Weapons must be registered on Fort Knox to be brought onto Fort Knox, for AUTHORIZED Activities Only. Authorized Activities include:

- Storage in on-post living quarters
- Storage in Unit Arms Rooms
- Hunting
- Shooting at French Range
- Dog Training

*Weapons CANNOT be stored in any Vehicle for any reason. (i.e. while at work, etc.)

*Weapons must be transported UNLOADED, IN A CASE, NOT IN PASSENGER COMPARTMENT.

*See Fort Knox Regulation 190-11 for more information about weapons on Fort Knox.

Do not bring firearms with you for registration.

Access Control Point (ACP) Hours:

•**Visitor Control Center:** Open 7 days a week 6:00 AM - 9:00 PM. Next to Chaffee ACP.

• All personnel without a valid DOD Identification cards (CAC, Retire and Dependent) and have not previously accessed Fort Knox will be required to stop at the Visitor Control Center, show proper identification and be vetted for access prior to entry. Far left Lane(s) will be used for vetting personnel when the Visitor Control Center is closed. Personnel that have previously accessed Fort Knox, and who have registered in AIE may proceed to any lane at any ACP for access. All Non US Citizens will be required to be escorted by DoD ID Card holder and sponsored in writing at the Visitor Control Center.

•**Chaffee ACP:** 24 hours daily 7 days a week.

•- Located on 31 North/South on Bullion Blvd exit.

•**Wilson ACP:** Open 6:00 AM - 6:00 PM. Monday through Friday, closed on Federal Holidays.

•- Located on Wilson Rd. Adjacent to Knox BLVD.

Wilson ACP is open for DOD Identification cards (CAC, Retire and Dependent), as well as those personnel with an AIE Pass. Personnel with passengers with a drivers' License will be directed to Chaffee APC to receive an AIE Pass.

•**Brandenburg ACP:** Open 6:00 AM - 1:00 PM Monday through Friday, closed on Federal Holidays/Training Holidays.

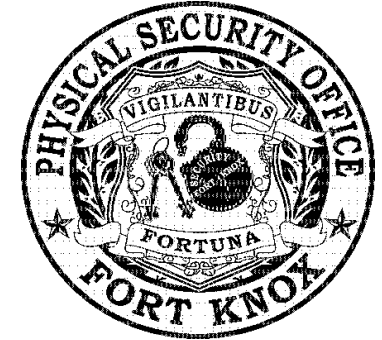

•- Located on Highway 31 North/South adjacent to Brandenburg Station Rd, near Muldraugh, Kentucky. Brandenburg ACP is open for DOD Identification cards (CAC, Retire and Dependent), AIE Pass holders and Commercial Deliveries. Personnel with passengers with a driver's License will be directed to Chaffee ACP for processing.

Information current as of
3 October 2016

What is AIE II+?

Fort Knox is upgrading to the Army's Automated Installation Entry II+ (AIE II+) at the installation Access Control Points (ACP) to enhance security. AIE II+ leverages technology that will increase security for Soldiers, Family members, DoD civilians, retirees, contract employees, and guests by verifying identity of the individual(s) and ensuring they meet Army approved access standards against FBI criminal and terrorist authoritative databases.

When will Fort Knox officially start using AIE II+?

Fort Knox is in the final stages of installing AIE II+. Once complete, Fort Knox will begin using AIE at all Installation Access Points (ACPs).

Who can use AIE to enter Fort Knox?

-All DoD employees, Active Duty personnel, their families, Retirees, Reserve/National Guard Personnel.

-All Visitors who meet background check criteria may also enter Fort Knox using AIE.

Will I need to Register to use AIE?

-Registration is ongoing. All personnel wishing to enter Fort Knox must register in AIE.

-Everyone will need to register in order to enter Fort Knox using AIE.

-DoD and Military personnel may register IN LANE, by scanning their DoD ID card at the pedestal.

-All other Visitors must register at the Visitors Center at Chaffee Gate.

-Once registered, any open lane at any open gate/ACP can be used to enter Fort Knox.

How will I know which lane to use?

All DoD ID Card Holders, and personnel who are registered in AIE, and possess an AIE Pass can enter at any gate, using any lane. AIE II+ will be used in all open lanes.

What if I have passengers?

If you have multiple passengers in your vehicle, you must bypass the AIE Pedestal, and proceed to the guard, who will then scan the IDs of all adult occupants.

When I register at Fort Knox, will I be able to use my card to access other installations that has the AIE II+ system?

No. Currently each installation AIE operates independently of another. Each installation will have a similar registration process upon initial arrival.

ID CARD INFORMATION

-DoD ID Card that still have a Social Security Number on them may not scan. These ID Cards should be updated at the ID Card Section.

-State Driver's Licenses may not Scan at the Pedestal. Therefore you will be issued an AIE Pass, and you will scan the pass for access rather than your Driver's License.

-Driver's Licenses and State IDs must be REAL-ID Compliant. The following States are non Compliant and require secondary Identification: Washington, Missouri, Minnesota.

For Additional Information on the REAL-ID Act, see the DHS website:

<https://www.dhs.gov/real-id-public-faqs>

AIE Automated Installation Entry

HOW TO SCAN

- 1) Approach gate slowly; ensure you pull close enough to pedestal; be mindful of mirrors
- 2) Ensure your windows are in working condition
- 3) Hold ID card as show in the picture on the pedestal under the barcode scanner
- 4) Wait for access to be granted
- 5) Proceed slowly through the gate onto post OR
- 6) Take direction from the guard at the gate
