

Lieutenant Colonel Jeff Etienne, Ed.D.
Product Lead, Defense-Wide Transmission Systems
Project Manager, Defense Communications and Army Transmissions Systems
Program Executive Office, Enterprise Information Systems

LTC Jeff Etienne is the Product Lead, Defense-Wide Transmission Systems, which reports to the Project Manager, Defense Communications and Army Transmission Systems (PM DCATS). LTC Etienne is responsible for program and lifecycle management of the Combat Service Support (CSS) Automated Information Systems Interface (CAISI), the CSS Satellite Communications system, and the Multi-Media Communications System.

LTC Etienne is an Army Acquisition Corps officer with more than 30 years of military service and more than 22 years of Active Federal Service. He previously served as Assistant Product Manager for PM Biometrics, Assistant Product Manager for the Army Human Resource System, Assistant Product Manager for Defense-Wide Transmission Systems, and Assistant Product Manager for Joint-Automatic Identification Technology.

LTC Etienne has also served as a Maintenance Company Platoon Leader; a Battalion Maintenance Officer; the S-2/3 of a Corps Support Battalion; a Data Processing Officer in an Engineer Command; an Automation Officer during Operation Iraqi Freedom; an Automation Officer in a Theater Support Command; a Contingency Contracting Officer; and a Warranted Contracting Officer during Operation Enduring Freedom.

LTC Etienne graduated from Saint John's University in 1992 with a Bachelor of Arts degree in Business Management and received an ROTC commission through Polytechnic University in the Ordnance Corps. He earned a Master of Arts degree in Computer Resource and Information Management from Webster University in 1996. He went on to earn a Master of Business Administration degree in 2002. He recently received his doctorate in Organization Leadership from Argosy University.

LTC Etienne is also a graduate of several military academic programs, including the Ordnance Officer Basic Course, the Combined Logistics Officer Advance Course, the Combined Arms and Service Staff School, the 90A Multifunctional Course, the Army Acquisition Basic Course, the Intermediate Level Education (ILE) course, and the Program Management Course. He is Level III certified in both Program Management and Information Technology; and Level I certified in Contracting.

LTC Etienne's military awards and decorations include: the Meritorious Service Medal with three oak leaf clusters; the Army Commendation Medal with three oak leaf clusters; the Joint Service Commendation Medal; an Army Achievement Medal with three oak leaf clusters; an Armed Forces Reserve Medal with M Device; an Army Reserve Component Achievement Medal; a National Defense Service Medal; a Global War on Terrorism Expeditionary Medal; a Global War on Terrorism Service Medal; a Humanitarian Service Medal; an Afghanistan Campaign Medal; a NATO Medal; an Army Service Ribbon; and an Army Reserve Component Overseas Training Ribbon.

LTC Etienne has two lovely children: Jiordani (13) and Cheresa (11).
