

Dr. Leslie S. Sofocleous
Product Director
Army Human Resource System

Dr. Leslie S. Sofocleous serves as the Product Director, Army Human Resource System (AHRS) for Program Executive Office for Enterprise Information Systems (PEO EIS). She is responsible for the development, deployment, and sustainment of critical Human Resource Systems in support of our Soldiers. She leads a workforce exceeding 70 personnel and manages annual investments exceeding \$18 million.

Previously, she served as the Deputy Product Director, AHRS. Prior to her assignment as Deputy Product Director, she was employed with various leading defense contractors in the Northern Virginia area. Dr. Sofocleous has a vast background due to her technical positions that included Senior Database Administrator, Senior Program Analyst, Implementation Manager, and Operations Lead.

Prior to her career in defense contracting, Dr. Sofocleous served as a commissioned officer in the United States Army.

Dr. Sofocleous holds a Bachelor of Arts in Biology from the University of Virginia (1995), a Master of Science in Management from Rensselaer Polytechnic Institute (2001), and a Doctor of Philosophy in Applied Management and Decision Science from Walden University (2007). Dr. Sofocleous is Level III certified in Program Management and Information Technology, and a member of the Army Acquisition Corps.
