

GME Call Rooms

- There are over 42 call rooms located in the Walter Reed Bethesda hospital proper.
- Your Program Director will have access to their locations and lock codes (if applicable).
- Most call rooms are reserved for residents or interns, but some are for in-house staff, medical students, or providers who need a call room.
- As much flexibility for sleeping and work space as possible has been built in to assist the house-staff.

GME Call Rooms cont'd

- Please contact the GME office at 295-0537 or e-mail Ms Regina Holloway or myself (COL Brian Belson) if there are issues with your call rooms.
- Please keep the rooms as clean as you can, and return scrubs/lab coats when finished.
- Do not use unauthorized coffee pots or heaters in these spaces!
- Feel free to connect private DVD players or laptops to the in-room TVs (cables not provided).

Call Room Locations

- “Resident Village”- Arrowhead Zone
 - Bldg 9, 2nd floor
- Eagle Zone- 7th floor Bldg 10
- Eagle Zone- 4th floor Bldg 10 (side hallway)

“Resident Village” cont’d

- Until we get electronic cipher pads, DO NOT CHANGE the lever on the inside of the door from “C” to anything else! If you change the lever to Private, be sure to move back to “C” BEFORE you leave the room or you will be locked out.
- CDO desk should have keys for all call rooms if you get locked out

Eagle Zone 7th Floor

- 10 call rooms 7th floor Bldg 10
- Service Specific cipher codes- your program director or fellow residents have the codes
- Rooms are in hallways off main hallway, with separate showers/bathrooms
- Multiple bunk beds to allow teams to re-distribute for sleeping

Eagle Zone 4th Floor

- Rooms are located near 4C, in hallway off the main hall.
- Cipher codes at both entrances, but rooms are individually lockable
- Separate bathroom and shower
- 4 rooms with bunks, service specific

MICC (Labor and Delivery)

- 6th floor Bldg 10
- OB/PEDS/NICU/Anesthesia services
- Various locations and sizes
- Separate bathrooms and showers
- Potential for overflow beds if needed, in-house teams can advise of availability and usage every night.

Other Locations

- GPR- 1 room located behind OMFS clinic
- Arrowhead 3rd floor- in ICUs
 - 2 rooms with bunks and showers
 - Cipher locked doors
- Anesthesia- 3rd floor near PACU
 - 2-3 rooms with bunks
 - Separate showers in hallway

Summary

- Over 42 call rooms available for use.
- Flexibility for non “in-house” residents, students, or staff to use overflow call rooms if needed.
 - Gender specific as needed
- Medical Students have the option of using overflow call rooms as well.
- Centrally managed by GME for work orders, problems, amenities, and work spaces
- Available Lounge and work-out room for everyone!
- All program directors have lists of call rooms and codes if needed for overnight stays
