

ARMY NATIONAL GUARD G1 PERSONNEL GATEWAY

The ARNG G1
Personnel Gateway
Serves Guard stakeholders with
accurate, effective information

OVERVIEW The Army National Guard G1 Personnel Gateway is a centralized resource for Soldiers, Families, Veterans, Retirees, and Guard human resources personnel. It serves as a forum to increase coordination and collaboration across the personnel community and improve awareness of G1 priorities among stakeholders. The site provides access to forms, regulations, and links as well as information on programs, processes, benefits, systems, training, and education opportunities.

COMMUNICATION TOOLS: THE G1 DIGEST

The G1 Digest is a tool for the G1 to communicate priorities and initiatives directly to subscribers in the 54 States and Territories.

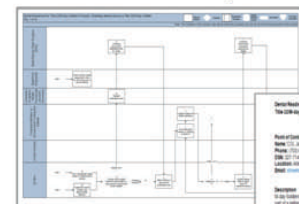

Each week, the Digest provides a summary of important HR community information, including:

- Messages from the ARNG G1
- News Articles
- Announcements
- New & Updated Policies

GATEWAY RESOURCES

Gateway process guides serve as a method to distribute best practices and support SOPs throughout the 54 States and Territories. These printable packets compile detailed information related to an ARNG human resource process.
