

BE a WEATHER FORECASTER

Meteorologists are the scientists that study weather and make forecasts. Pretend you are a meteorologist by cutting and gluing the picture of the weather you think will be on the week Monday through Friday. See how many days you get the forecast right!

MONDAY

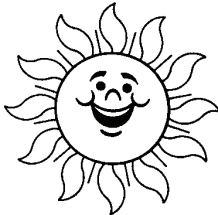

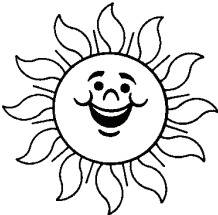

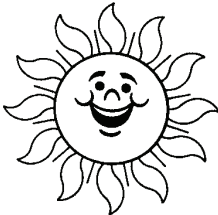

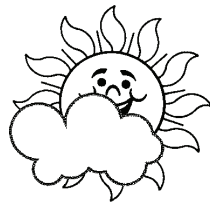

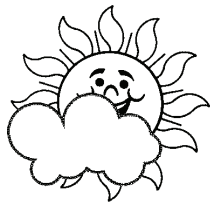

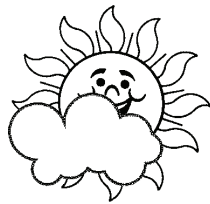

TUESDAY

WEDNESDAY

THURSDAY

FRIDAY

--	--	--	--	--

SEVERE WEATHER

Tornadoes, Hurricanes, Lightning Storms, and Freezing Rain (Remember these happen rarely)
