## Chapter 1 General

### 1-1. Purpose

This regulation prescribes Army National Guard (ARNG) procedures concerning incapacitation benefits. It applies to all ARNG personnel and units.

### 1-2. References

Required publications are listed in appendix A.

### 1-3. Explanation of abbreviations and terms

Abbreviations and special terms used in this regulation are explained in the glossary.

### 1-4. Policy

**a.** Incapacitated soldiers should receive incapacitation benefits until administrative processing is complete and final status is determined.

**b.** Informal Line of Duty (LOD) determinations should be completed within 15 calendar days. Formal investigations, when required, should arrive at NGB, for determination, within 45 calendar days.

**c.** The Adjutant General may approve incapacitation pay for the first six (6) months. The Adjutant General must establish and use an Incapacitation Review Board. Approval authority beyond six months is with NGB.

**d.** Incapacitated soldiers should be paid within 30 days, and in no event later than 45 days, of the injury. See paragraph 2-2a.

**e.** Incapacitated soldiers receiving incapacitation pay under 37 USC 204(g), may not attend any type of training (with or without pay). Soldiers may earn membership points and should be encouraged to enroll in military correspondence courses to earn a good retirement year. Soldiers receiving incapacitation benefits under 37 USC 204(h) should attend all scheduled military training.

**f.** Soldiers injured while on active or full-time National Guard duty orders for more than 30 days, may elect to remain on active duty. The soldier must request extension of orders through State Headquarters (pay and allowances will be continued under original fund cite). Approval of this request should consider the best interest of the soldier and the Army National Guard. Authority must also be obtained from NGB Surgeon's Office (NGB-ARP-HS). This should be done prior to the expiration of active duty orders. New orders will be issued extending the soldier in the same type of duty (same pay and allowances, continued from the same funding program). Active duty or full-time National Guard duty status continues until: the soldier is fit for duty, temporarily or permanently retired, discharged, or until a voluntary request for release from active duty is made by the soldier.

**g.** Soldiers who receive a denial for incapacitation benefits beyond six months may request reconsideration of the determination. The appeal, with justification, must come through the MILPO, to the Chief, National Guard Bureau, ATTN: NGB-ARP-CD.

### 1-5. Eligibility and Entitlement

The following establishes eligibility for incapacitation benefits:

**a.** The soldier incurs or aggravates an injury, illness or disease in the line of duty,

(1) If the soldier's disability prevents him/her from performing military duty - 37 USC 204(g);

(a) Incapacitation benefits are pay and allowances reduced by any earned income from non-military employment or self-employment.

(b) Income from an income protection plan, vacation pay, or sick leave which the soldier elects to receive shall be considered earned non-military income.

(c) Soldiers disabled from performing military duty will be considered to be incapacitated until returned to duty or completion of disability processing.

(2) If the soldier is able to perform military duty 37 USC 204(h);

(a) Incapacitation pay is the demonstrated loss of non-military earned income; the maximum amount being full pay and allowances.

(b) To be eligible for incapacitation benefits, soldiers able to perform military duties must demonstrate a loss of earned income from non-military employment or self-employment.

(c) A soldier must prove a loss of non-military earned income each month. Non-military earned income includes wages, salaries, income from self-employment, professional fees, tips, or compensation for personal service. Non-military earned income does not include rents, royalties, dividends, and interest. Income from an income protection plan (e.g., workmen's compensation, unemployment insurance, privately purchased disability insurance), vacation leave, or sick pay, any of which the member elects to receive, shall be offset against lost wages, etc., to determine the loss of non-military earned income. The loss of non-military earned income may be compensated up to, but not to exceed, the amount of military pay.

**b.** In exceptional cases, incapacitated soldiers may be entitled to incapacitation benefits under 37 USC 206. Approval authority for 37 USC 206 incapacitation benefits is with the Chief, National Guard Bureau (NGB-ARP-CD).

**c.** Care must be taken when soldiers aggravate conditions determined to have been in the line of duty prior to 30 November 1988. Different laws control possible entitlement (Reference DODPM Tables).

## Chapter 2 Incapacitation Benefits

### 2-1. Entitlement

Guidance and information on entitlement will be in accordance with (IAW) Department of Defense Military Pay and Allowances Entitlement Manual (DODPM).

### 2-2. Payments

**a.** Incapacitation payments will not be made in the absence of an "in line of duty" finding. When a formal LOD is required, the soldier can receive up to 60 days of benefits using an approved informal LOD as a basis.

**b.** Incapacitated soldiers are paid normal pay and allowances until the end of the ordered training period. The training period ends:

(1) The last day of the period designated in the orders for annual training (AT), active duty for special work (ADSW), active duty for training (ADT) or full-time National Guard duty, including authorized travel time.

(2) Soldiers who become incapacitated on inactive duty training (IDT) will be carried as present during that entire IDT period. Incapacitation pay will begin on the following day (i.e., soldier incapacitated on Saturday morning during a MUTA-4, will be carried present for Saturday afternoon and Sunday and would begin incapacitation pay on Monday).

(3) The last day of the period for initial entry training (IET), or Officer's Basic Course (OBC), and Active Duty Guard and Reserve (AGR) personnel or full-time National Guard duty.

**c.** The incapacitation benefit period begins on the day following the completion date in the order.

**d.** Soldiers serving on active duty orders for over 30 days are entitled to health care regardless of the line of duty determination.

### 2-3 Payment Procedures

**a. Initial payment (first 60 days).** The initial payment should include a commander's letter of request and certification of eligibility with attachments of--

- (1) Line of Duty (fig 2-1).
- (2) Soldier's Claim Form (figs 2-3, 2-4, or 2-5).

These documents must go through the informal Incapacitation Review Board (IRB), which will consist of--

- (a) Health Services Specialist (HSS) - initial review.
- (b) State Surgeon's Office.
- (c) Certification by MILPO.

**b. Requests for the first six months (subsequent payments up to six months).** Requests will be sent directly from the unit to the Military

Personnel Office (MILPO). An information copy will be sent to intermediate commands. Documents required are:

(1) An In Line of Duty determination (Informal, fig 2-1) (Formal, fig 2-2) with supporting medical documentation.

(2) Medical documentation reflecting treatment received and current condition.

(3) Soldier Claim form (Employed, fig 2-3; Unemployed, fig 2-4; and Self employed, fig 2-5, as applicable).

(4) Employer's Statement (if applicable) (fig 2-6).

(5) Disability counseling statement (fig 2-7).

(6) Commander's Statement (fig 2-8).

### 2-4. Payment Procedures - Beyond Six Months

**a.** Requests will be submitted to Chief, National Guard Bureau (CNGB), **ATTN:** NGB-ARP-CD, 111 South George Mason Dr, Arlington, VA 22204-1382. The MILPO will retain the original set of documents. One complete copy, with enclosures, will be sent to NGB-ARP-CD, using the format at figure 2-9. This request must be submitted 60 days prior to completion of first six months of entitlement. The following documents should be included as enclosures:

(1) Complete copy of the In Line of Duty determination (Informal, fig 2-1) (Formal, fig 2-2).

(2) Adequate medical documents supporting the disability which reflect treatment received and current condition as appropriate (i.e., History of case management, actions taken, diagnosis, prognosis, MEB/PEB info, actions pending, Medical Treatment Facility experience) (fig 2-10).

(3) Soldier's Claim form (Employed, fig 2-3, Unemployed, fig 2-4, Self-employed, fig 2-5, as applicable).

(4) Employer's Statement (if applicable) (fig, 2-6).

(5) Disability counseling statement (fig 2-7).

(6) Commander's Certificate (fig 2-8).

(7) Other documents (as applicable).

**Note:** Figures 2-3, 2-4, 2-5, and 2-6, as applicable, must be completed monthly and should be in the State's file folder. NGB-ARP-CD only needs a few of these records to show a trend.

**b.** Soldiers injured in line of duty who have been discharged are still eligible to receive incapacitation pay for periods prior to their discharge. The USPFO, Military Pay Section, should try to pay the individual through a normal ADAPS payroll. If this cannot be done, payment can be made by preparing an Ar-rears in Pay (DD form 827). Instructions for submitting requests are listed in AR 37-104, para 30-36 through 30-39.

**SUBJECT: REQUEST FOR INCAPACITATION PAY BEYOND SIX MONTHS RE: SPC CHRISTOPHER A. SMITH, 123-00-1234**

1. Request extension of Incapacitation Pay beyond six months for SPC Christopher A. Smith, 123-00-1234, a member of this unit.

2. The following information is provided:

a. Date of incident: 20 October 1990.

b. Type of training and dates: Title 10, U.S. Code, Section 672(d), soldier was supporting Operation Desert Storm from 6 September 1990 to 30 March 1991.

c. Description of Injury: Fracture of left femur received while unloading vehicles from a railhead. A 5-ton truck broke loose from its chains and crushed SPC Smith's leg.

d. LOD/date/approving authority: Informal, 1 November 1990, DFAS, Ft. Sill, OK 79503-6200, finding In Line of Duty, as indicated on reverse side of DA Form 2173 (encl 1).

e. Military MOS/Civilian Occupation: 88M10 Truck Driver, Industrial Machinist, International Harvester, Milwaukee, WI.

f. How injury prohibits performance of duties: SPC Smith cannot stand on a cement floor for any duration, cannot lift more than 10 pounds, and cannot walk without crutches.

g. History of Incapacitation Pay payments:

Dates	Amount Paid	Earned Income	IDT PAY Paid
1 - 30 Apr 91	\$1,706.63	-0-	(0)
1 - 31 May 91	\$1,742.63	-0-	(0)
1 - 30 Jun 91	\$1,706.22	-0-	(0)
1 - 31 Jul 91	\$1,742.63	-0-	(0)
1 - 31 Aug 91	\$1,742.63	-0-	(0)
1 - 30 Sep 91	\$1,706.22	-0-	(0)

h. Background: SPC Smith has had a number of surgeries to correct his non-union. The latest one was performed at Ft. Sam Houston on 2 February 1991. Military doctors believe he can return to duty after 4 months of physical therapy, if screw and pin surgery is successful. The Surgeon coordinated this surgery after the conservative treatment from Ft. Knox Medical Center was not providing SPC Smith with any relief from his constant pain. An MEB has not been scheduled because maximum medical treatments have not been reached.

3. Request approval be granted for the period from 1 October 1991 through 31 March 1992.

4. I have personally reviewed the circumstances surrounding this case and firmly believe it is in the interest of fairness and equity to grant authorization to exceed the 6-month statutory limitation. The severity and nature of the injuries incurred and the probability this soldier will need additional medical care, be discharged, or separated from the Army, due to physical disability, merit favorable consideration.
