

Wounded Warrior Wives Retreat

Encouraging, Educating, and Empowering the Homefront

TENNESSEE – April 20-22, 2012

Hilton Garden Inn-Vanderbilt
Nashville

Operation Homefront and **Army Homefront Fund** are proud to present a retreat designed exclusively for members of Wounded Warrior Wives—an Operation Homefront program for female caregivers of injured, wounded or ill service members.

The Hilton Garden Inn-Vanderbilt is close to the best places in Music City. This new hotel is located near Vanderbilt University, steps away from Music Row. Bridgestone Arena, LP Field, Ryman Auditorium, Belmont University, and the Country Music Hall of Fame are all within two miles. Take advantage of the heated indoor swimming pool, whirlpool and fitness center, or stroll downtown during the recreation time.

Workshops will be facilitated by Hope for the Home Front, an organization celebrated in the military caregiver community. Retreat attendees will:

- Meet other women who love and live with a combat service member or veteran.
- Gain a better understanding of caregiver issues including Secondary Traumatic Stress and Compassion Fatigue.
- Be honored for their service and sacrifice.
- Rekindle hope and renew strength.

Operation Homefront is pleased to offer these events **free** to registered members of the Wounded Warrior Wives program. To become a member of Wounded Warrior Wives, please visit www.woundedwarriorwives.org. Registration begins February 24, 2012.
