

Tobacco Free Military Treatment Facility Policy

Overview

- **Program Objective:** Develop and implement a tobacco-free campus policy at the Military Treatment Facilities.
- **Point of Contact:** OSD/Health Affairs
- **Total Force Fitness Domains:** Behavioral, Medical, Social

Program Description

A Smoke-Free Policy initiative is one that the Air Force and Navy have already begun to implement. During HBI, the initiative is moving to the Army.

This initiative including developing and implementing a tobacco free campus policy at the Military Treatment Facility. This includes increasing the number of designated tobacco-free areas or reducing the number designated tobacco use areas.
